PART I. INTRODUCTION

Chapter 1. Introducing Health and Human Rights: Global and European Perspectives

Brigit TOEBES	3
1. Rationale and aim of this book	3
2. Historical introduction to 'health and human rights'	5
2.1. Introduction	5
2.2. The human rights movement	6
2.3. Medical law, health law, medical ethics and bioethics, and patients' rights	8
2.4. The public health movement	10
3. Theoretical approach	13
3.1. Main theoretical questions underpinning this research	13
3.2. Conceptual grounding of human rights law	14
3.3. Conceptual grounding and analysis of economic, social and cultural rights	16
3.4. Identification of main concepts and principles underpinning this study	17
4. Method and chapter outline	20

Chapter 2. The Right to Health: Central Concepts

Brigit TOEBES and Katharina Ó CATHAOIR	23
1. Introduction	23
2. Introducing the right to health	24
3. Elements of the right to health	30
3.1. Intersection with the right to life	32
3.2. Guiding principles of the right to health	33

3.3.	Legal obligations	36
3.3.1.	Respect, protect, fulfil	36
3.3.2.	Progressive realisation	40
3.3.3.	Core obligations	42
3.3.4.	Determinants of health	44
3.4.	UN Sustainable Development Goals	45
4.	Controversies and confusions surrounding the right to health	46
4.1.	Justiciability of the right to health	46
4.2.	Responsibilities of non-state actors	48
4.3.	Lingering ambiguities	49
5.	Conclusions	50

Chapter 3. Human Rights Principles and Patient Rights

	Henriette SINDING AASEN and Mette HARTLEV	53
1.	Introduction	53
2.	Human dignity – the core of human rights	53
3.	Autonomy and integrity	57
4.	Non-discrimination	60
5.	Patients’ rights as human rights in relation to healthcare	65
5.1.	Introduction	65
5.2.	Development of patients’ rights	67
5.3.	Right to self-determination – informed consent	70
5.4.	Limits to the right to self-determination	75
6.	Privacy and confidentiality	80
6.1.	Confidential relationships and informational self-determination	80
6.2.	Processing of health data in connection with medical treatment	82
6.3.	Use of health data for purposes other than medical care	84
7.	Concluding reflections	86

PART II. LEGAL FRAMEWORK

Chapter 4. UN Institutions and Health and Human Rights

	Katharina Ó CATHAOIR	91
1.	Introduction	91
2.	International human rights institutions	92
2.1.	The Human Rights Council	93
2.2.	Treaty-based bodies	95
2.2.1.	General comments	97
2.2.2.	Concluding observations	100
2.2.3.	Complaints under optional protocols	102
2.3.	Conclusions on UN human rights bodies	106

3.	International health law governance	107
3.1.	The World Health Organization.....	107
3.2.	Other UN health-related agencies.....	111
3.3.	UN organisations with implications for health	113
4.	Conclusions	116

Chapter 5. The Council of Europe

	Aart HENDRIKS.....	119
1.	Introduction.....	119
2.	European Convention on Human Rights	120
2.1.	General introduction.....	120
2.2.	Rights and case law	123
2.2.1.	General	124
2.2.1.1.	Positive obligations	125
2.2.1.2.	Margin of appreciation	127
2.2.1.3.	Availability of healthcare	128
2.2.1.4.	Protection and prevention	128
2.2.2.	Health and human rights topics.....	130
2.2.2.1.	Right to health.....	130
2.2.2.2.	Right to life (Article 2)	133
2.2.2.3.	Right to care (Article 3)	137
2.2.2.4.	Right to liberty and security (Article 5)	140
2.2.2.5.	Patients' rights (Article 8).....	144
2.2.2.5.1.	Right to information	144
2.2.2.5.2.	Right to consent.....	147
2.2.2.5.3.	Storage and use of personal data	149
2.3.	Conclusions	152
3.	European Social Charter.....	153
4.	European Convention for the Prevention of Torture.....	157
5.	Convention on Human Rights and Biomedicine.....	159
6.	Conclusions	161

Chapter 6. The European Union: A Health and Human Rights Perspective

	Janne ROTHMAR HERRMANN, Katharina Ó CATHAOIR and Brigit TOEBES	163
1.	Introduction.....	163
2.	EU, health and human rights	165
2.1.	The European Charter of Fundamental Rights.....	165
2.2.	The interpretation of rights through the case law of the CJEU.....	170
2.3.	Non-discrimination.....	172
3.	Specific responsibilities for health in the EU	174

3.1.	Focus on human health in the TFEU	174
3.2.	EU engagement with public health	177
3.2.1.	Clinical research.....	177
3.2.2.	Infectious disease control	178
3.2.3.	Regulation of behavioural risk factors of noncommunicable diseases (NCDs).....	180
3.2.4.	Workplace protection of health	183
4.	Free movement and health	184
4.1.	Introduction	184
4.2.	Free movement of services: cross-border healthcare services.....	184
4.2.1.	The legal framework	184
4.2.2.	Cross-border healthcare and issues of morality	189
4.2.3.	Evaluation.....	190
4.3.	Free movement of goods: pharmaceuticals.....	192
4.4.	Free movement of goods: blood (safety).....	196
4.5.	Free movement of goods: cells and tissues (safety, standards and quality)	197
4.6.	Free movement of data	198
5.	Conclusions	199

PART III. SELECTED TOPICS

Chapter 7. Access to Health

Mette HARTLEV	203
1. Introduction	203
2. Health inequalities.....	204
3. Equal access	207
4. Limitations on access to health	212
4.1. Limitations justified by resource restraints.....	213
4.2. Limitations justified by cultural, ethical or religious traditions or societal concerns.....	217
5. Conclusion	219

Chapter 8. Vulnerability and Autonomy: Competing Ideas in Human Rights

Henriette SINDING AASEN.....	221
1. Introduction	221
2. The vulnerable human being	222
3. Vulnerable groups and non-discrimination	224
4. Protection of autonomy.....	227
5. The potential conflict between health protection and autonomy.....	229
6. Vulnerability – concept and discourse	231

6.1.	Origins and legal developments	231
6.2.	Vulnerability in the European Court of Human Rights	234

6.2.2.	Group vulnerability – expanding the understanding	237
6.2.3.	Vulnerability and the dangers of generalisation and stigmatisation	238
7.	The capability approach	241
8.	Refugees, asylum seekers and undocumented migrants	243
8.1.	Introduction	243
8.2.	Refugees and asylum seekers	245
8.3.	Unauthorised or undocumented migrants	246
8.3.1.	Overview	246
8.3.2.	The legal situation in Norway	249
9.	Concluding remarks on vulnerability and state obligations	252

Chapter 9. Disability

Aart HENDRIKS	255	
1.	Introduction	255
2.	Disability	255
3.	Global Disability Rights Convention on the Rights of Persons with Disabilities	257
3.1.	Legal documents – the rights of persons with disabilities	257
3.2.	The Committee on the Rights of Persons with Disabilities	259
4.	Disability rights in Europe	263
4.1.	Legal documents	263
4.1.1.	Council of Europe	263
4.1.2.	European Union	264
4.2.	Definitions	265
4.2.1.	Council of Europe	265
4.2.2.	European Union	265
4.3.	European case law	266
4.3.1.	Council of Europe	266
4.3.2.	European Union	270
5.	Conclusions	272

Chapter 10. Reproductive Health

Janne ROTHMAR HERRMANN	275	
1.	Introduction	275
2.	Women's reproductive health and human rights	276
2.1.	Maternal health	278
2.2.	Reproductive autonomy	280

2.3.	Right to respect for privacy and family life.....	281
2.4.	The prohibition of discrimination.....	282
3.	Family planning.....	283
3.1.	Contraception and sex education.....	284
3.2.	Abortion.....	286
3.2.1.	The UN conventions.....	286
3.2.2.	The European Convention on Human Rights.....	290
3.2.2.1.	The balancing of interests between woman and foetus.....	290
3.2.2.2.	The balancing of interests between woman and state.....	294
3.2.2.3.	The balancing of interests between woman and man.....	298
4.	Procreative healthcare services.....	299
4.1.	Fertility treatment.....	301
4.1.1.	A private life issue.....	301
4.1.2.	Access to treatment.....	303
4.2.	Embryo and foetus selection.....	306
5.	Pregnancy, health and autonomy.....	309
5.1.	Maternal and foetal health.....	309
5.2.	Forced treatment of pregnant women.....	311
6.	Concluding remarks.....	312
Chapter 11. Death and Dying		
	Aart HENDRIKS.....	315
1.	Introduction.....	315
2.	Environmental and industrial questions.....	317
3.	Persons under the care of the state.....	318
4.	Healthcare settings.....	319
5.	End-of-life issues.....	320
5.1.	Withholding or withdrawing medical treatment.....	321
5.2.	Physician-assisted dying and euthanasia.....	323
6.	Conclusions.....	325
Chapter 12. Digital Healthcare Technologies and Human Rights		
	Katharina Ó CATHAOIR.....	327
1.	Introduction.....	327
2.	Promises and pitfalls of digital technologies.....	330
3.	A right to access new healthcare technologies?.....	334
4.	Which human rights are at risk?.....	338
4.1.	The right to privacy.....	338
4.2.	The right to data protection.....	344

4.3.	The right to an explanation.....	346
4.4.	Non-discrimination.....	349
4.5.	Accountability.....	354
5.	Conclusion.....	357

Chapter 13. Public Health and Human Rights

Brigit TOEBES and Katharina Ó CATHAOIR..... 359

1.	Introduction.....	359
2.	Origins and scope of public health.....	360
3.	Balancing public health and individual rights.....	362
3.1.	Public health and the right to health.....	362
3.2.	Tensions between public health and competing rights and interests.....	363
3.2.1.	Derogations and limitations on civil and political rights.....	364
3.2.2.	Tensions between the right to health and other societal interests and rights.....	367
3.2.3.	Restricting the right to health.....	367
3.3.	Procedural questions when exercising a collective right to health.....	369
4.	Infectious disease prevention and control.....	370
4.1.	Introduction.....	370
4.2.	International Health Regulations.....	371
4.3.	A health and human rights approach to infectious disease.....	374
4.4.	Vaccination.....	377
5.	NCDs and risk factor reduction.....	380
5.1.	The global and European NCD pandemic.....	380
5.2.	A rights approach to NCDs.....	381
6.	Social determinants of health.....	384
6.1.	Introduction.....	384
6.2.	The link with human rights.....	386
7.	Conclusions.....	388

PART IV. CONCLUSIONS, CHALLENGES AND RECOMMENDATIONS

Chapter 14. Conclusions

Aart HENDRIKS..... 393

1.	Summary of conclusions of various chapters.....	394
2.	Final observations.....	403

*Annex: Rights and Principles Relevant to the Protection and Promotion
of Health..... 405*
