

CONTENTS

Introduction 6

- The Geological Timescale 8
- Early Evolution 10
- Reptile Classification 16
- Dinosaur Classification 18
- Bird and Mammal Classification 20
- The Anatomy of a Dinosaur 22
- Coprolites and Diet 24
- Fossil Footprints 26
- Fossil Eggs 28
- Dinosaur Babies and Family Life 30
- Death and Taphonomy 32
- Coal Forests 34
- Arid Uplands 35
- Oases and Desert Streams 36
- Calm Lagoons 38
- Riparian Forests 40
- Lake Environments 42
- Wetlands 44
- Swamp Forests 46
- Open Plains 48
- Shorelines and Islands 50
- Deserts 52
- Tar Pits 53
- Tundra 54
- Extinction 56
- The Fossilization Process 58
- Excavation in the Field 60
- The Palaeontologists 62

The Devonian, Carboniferous and Permian Periods 64

- The Earliest Tetrapods 66
- The Age of Amphibians 68
- Amphibians of the Coal Swamps 70
- Primitive Amniotes and Reptiles 72
- Aquatic Amphibians 74
- Land-living Amphibians 76
- Parareptiles and Captorhinids 78
- Pareiasaurs 80
- Primitive Diapsids 82

- The Pelycosaur 84
- Pelycosaur and Other Early Synapsids 86
- Carnivorous Therapsids 88
- Herbivorous Therapsids 90
- Gorgonopsians and Other Meat-eating Therapsids 92
- Dicynodonts and Cynodonts 94

The Triassic Period 96

- Primitive Amphibians 98
- Triassic Parareptiles 100
- Placodonts 102
- Nothosaurs 104
- Nothosaurs and the Plesiosaur Connection 106
- Early Ichthyosaurs 108
- More Ichthyosaurs 110
- Monkey Lizards and Other Small Diapsids 112
- Flying Diapsids 114
- Thalattosaurs 116
- Diapsids – the Rhynchosaurs 118
- A Diapsid Variety 120
- More Miscellaneous Diapsids 122
- Thecodonts – Towards the Dinosaurs 124
- Rauisuchians 126
- Little Crocodiles 128
- Phytosaurs – Anticipating the Modern Crocodile 130
- Aetosaurs or Stagonolepids – Vegetarian Crocodiles 132
- Pterosaurs 134
- Early Meat-eating Dinosaurs 136
- Lithe Meat-eaters 138
- Coelophysids 140
- Primitive Sauropodomorphs 142
- True Prosauropods 144
- More Prosauropods 146
- Herbivorous Miscellany 148
- Mammal-like Reptiles 150
- Towards Mammals 152

The Jurassic Period 154

- Ichthyosaurs 156
- Early Jurassic Plesiosaurs 158
- Jurassic Crocodiles 160
- Rhamphorhynchoid Pterosaurs 162
- Coelophysid Meat-eaters 164
- Diversifying Meat-eaters 166

- The Late Prosauropods 168
- Last Prosauropods and Primitive Sauropods 170
- Primitive Sauropods 172
- Little Ornithopods 174
- Primitive Armoured Dinosaurs 176
- Mammals and the Last Mammal-like Reptiles 178
- Megalosaurus and Its Clones 180
- Carnosaurs 182
- Various Theropods 184
- The Sauropods of the Dashanpu Quarry, China 186
- Cetiosaurs 188
- Sauropod Miscellany 190
- More Sauropods 192
- Ornithopods 194
- Early Thyreophorans 196
- Late Ichthyosaurs 198
- Late Jurassic Plesiosaurs 200
- Rhamphorhynchoid Pterosaurs 202
- Pterodactyloid Pterosaurs 204
- Morrison Formation Meat-eaters 206
- The Sinraptorids 208
- Theropods of Cleveland-Lloyd 210
- Smaller Theropods 212
- Birds and Bird-Dinosaurs 214
- Brachiosaurids and Camarasaurids 216
- Diplodocids 218
- More Diplodocids 220
- Ornithopods 222
- Stegosaurs 224
- More Stegosaurs 226
- Ankylosaurs and Ceratopsians 228

The Cretaceous Period 230

- Lizards and Lizard-like Animals 232
- Early Cretaceous Crocodiles 234
- Diverse Pterosaurs 236
- Big Pterosaurs 238
- Early Cretaceous Carnosaurs 240
- Medium-size Theropods 242
- Little Feathered Dinosaurs 244
- Theropod Dino-Birds 246
- Liaoning Dino-Birds 248
- More Dino-Birds 250
- Birds of Liaoning 252
- More Birds from Liaoning 254
- Other Known Birds 256
- Fast Hunters 258
- Spinosaurids 260

Late Diplodocids and Brachiosaurids 262
 Titanosaurids – the New Giants 264
 Hypsilophodonts and Iguanodonts 266
 Iguanodonts 268
 Early Hornheads 270
 Ankylosaurs and Late Stegosaurs 272
 Polacanthids and Other Early
 Ankylosaurs 274
 Mammals 276
 Cretaceous Turtles 278
 Champsosaurs and Cretaceous
 Lizards 280
 Swimming Lizards 282
 Mosasaurs 284
 More Mosasaurs 286
 Cretaceous Plesiosaurs 288
 The Last of the Plesiosaurs 290
 Late Cretaceous Crocodiles 292
 Terrestrial and Vegetarian
 Crocodiles 294
 Giant Pterosaurs 296
 Basic Abelisaurids 298
 Advanced Abelisaurids 300
 Sundry Theropods 302
 Troodonts 304
 Ornithomimids 306
 Advanced Ornithomimids 308
 Oviraptorids 310
 Therizinosaurids 312
 Alvarezsaurids 314
 Cretaceous Birds 316
 More Birds 318
 Dromaeosaurids 320
 More Dromaeosaurids 322
 Tyrannosaurids 324
 The Last Tyrannosaurids 326
 Big Titanosaurids 328
 Some Armoured Titanosaurids 330
 Eastern Titanosaurids 332
 Miscellaneous Titanosaurids 334
 More Miscellaneous Titanosaurids 336
 Small Ornithopods 338

The Iguanodontid-Hadrosaurid
 Connection 340
 Primitive Hadrosaurids 342
 Lambeosaurine Hadrosaurids 344
 More Lambeosaurine Hadrosaurids 346
 Crested Hadrosaurine Hadrosaurids 348
 More Crested Hadrosaurines 350
 Flat-headed Hadrosaurines 352
 Small Boneheads 354
 Boneheads 356
 Late Boneheads 358
 Primitive Asian Ceratopsians 360
 New World Primitive Ceratopsians 362
 Short-frilled Ceratopsids 364
 Centrosaurines 366
 Chasmosaurines 368
 More Chasmosaurines 370
 Indeterminate Ankylosaurs and
 Stegopeltinae 372
 Nodosaurids 374
 More Nodosaurids 376
 Ankylosaurids 378
 Big Ankylosaurids 380
 More Big Ankylosaurids 382
 The Last Ankylosaurids 384
 The Mammals, Poised for Takeover 386

The Tertiary Period 388

Birds 390
 Primitive Mammals 392
 Xenarthra 394
 Insectivores and Their Kin 396
 Pantodonts 398
 Condylarths 400
 Acreodi 402
 Dinocerata, Tillodontia and
 Embrithopoda 404
 Horses and the Early Odd-toed
 Ungulates 406
 Eocene Brontotheres 408
 Later Brontotheres 410
 Rhinoceroses and Tapirs 412
 The Development of the
 Rhinoceroses 414
 South American Miscellany 416
 South American Miscellany II 418
 Early Even-toed Ungulates 420
 Tylopods 422
 Camels 424
 Early Tertiary Elephants 426

Creodonts – The Meat-eating
 Mammals 428
 Hyaenodontid Creodonts 430
 The Carnivora 432
 Early Cats 434
 Whales 436
 Primates 438
 South American Marsupials 440
 Australian Marsupials 442
 Xenarthra – the Toothless Ones 444
 Insectivores 446
 Rodents 448
 Running Horses 450
 Chalicotheres 452
 Rhinoceroses 454
 Litopterns 456
 Notoungulates and Others 458
 Camels 460
 Proceratids 462
 Giraffes 464
 Deer 466
 Pronghorns and Cattle 468
 Late Tertiary Elephants 470
 Pinnipeds 472
 Marine Grazers 474
 Mustellids, Procyonids and Bears 476
 Dogs 478
 Hyenas and Cats 480
 Primates 482

The Quaternary Period 484

Reptiles 486
 Birds 488
 Marsupials 490
 Xenarthrans 492
 Perissodactyls 494
 Artiodactyls 496
 Quaternary Elephants 498
 Carnivores 500
 Primates 502

 Glossary 504
