	Author's Note	13
	Foreword	16
1.	The Enioanatomy of Chakras	19
1.1.	Classification of Chakras	54
1.1.1.	Monolithic and Segmented Chakras	54
1.1.2.	Chakras of Individual Body Parts	54
1.1.2.1.	Head Chakras	55
1.1.2.2.	Nape Chakras	55
1.1.2.3.	Chest Chakras	56
1.1.2.4.	Abdomen Chakras	57
1.1.2.5.	Back Chakras	58
1.1.2.6.	Pelvic Chakras	58
1.1.2.7.	Lower Limb Chakras	59
1.1.2.8.	Upper Limb Chakras	59
1.1.3.	Chakra Orientation in Spatial Planes	60
1.1.3.1.	Sagittally Oriented Chakras	61
1.1.3.2.	Frontally Oriented Chakras	61
1.1.3.3.	Horizontally Oriented Chakras	61
1.1.4.	Unpaired, Pair, and Paired Chakras	61
1.1.4.1.	Unpaired Chakras	62
1.1.4.2.	Pair Chakras	62
1.1.4.3.	Paired Chakras	62
1.1.5.	Major, Medium-Sized, and Minor Chakras	63
1.1.5.1.	Major Chakras	63
1.1.5.2.	Medium-Sized Chakras	63
1.1.5.3.	Minor Chakras	64
1.2.	Primary, Vital, and Function-Sustaining Chakras	66
1.3.	Questions on the Topic of the Enioanatomy of Chakras	67
2.	The Enioanatomy of Primary Chakras	74
2.1	Questions on the Topic of the Enioanatomy of Primary Chakras	88
2.2.	Muladhara Chakra	91
2.2.1.	The Muladhara Chakra Enioanatomical Standard	93
2.2.2.	The Hypotrophy and Hypofunction of the Muladhara Chakra	94
2.2.3.	The Hypertrophy and Hyperfunction of the Muladhara Chakra	94
2.2.4.	Unique Characteristics of the Muladhara Chakra	95
2.2.5.	Things not Known About the Muladhara Chakra	95
2.2.6	Questions on the Topic of the Muladhara Chakra	95
2.3.	Swadhisthana Chakra	97
2.3.1.	The Swadhisthana Chakra Enioanatomical Standard	98
2.3.2.	The Hypotrophy and Hypofunction of the Swadhisthana Chakra	99
2.3.3.	The Hypertrophy and Hyperfunction of the Swadhisthana Chakra	100
2.3.4.	Unique Characteristics of the Swadhisthana Chakra	101
2.3.5.	Things not Known About the Swadhisthana Chakra	101
2.3.6.	Questions on the Topic of the Swadhisthana Chakra	102
2.4.	Manipura Chakra	103
2.4.1.	The Manipura Chakra Enioanatomical Standard	105
2.4.2.	The Hypotrophy and Hypofunction of the Manipura Chakra	107
2.4.3.	The Hypertrophy and Hyperfunction of the Manipura Chakra	107

2.4.4.	Unique Characteristics of the Manipura Chakra	108
2.4.5.	Things not Known About the Manipura Chakra	108
2.4.6.	Questions on the Topic of the Manipura Chakra	109
2.5.	Central Chakra – Anahata	111
2.5.1.	The Anahata Chakra Enioanatomical Standard	113
2.5.2.	The Hypotrophy and Hypofunction of the Anahata Chakra	115
2.5.3.	The Hypertrophy and Hyperfunction of the Anahata Chakra	116
2.5.4.	Unique Characteristics of the Anahata Chakra	116
2.5.5.	Things not Known About the Anahata Chakra	117
2.5.6.	Questions on the Topic of the Central Chakra – Anahata	117
2.6.	Vishuddha Chakra	119
2.6.1.	The Vishuddha Chakra Enioanatomical Standard	122
2.6.2.	The Hypotrophy and Hypofunction of the Vishuddha Chakra	123
2.6.3.	The Hypertrophy and Hyperfunction of the Vishuddha Chakra	125
2.6.4.	Unique Characteristics of the Vishuddha Chakra	126
2.6.5.	Things not Known About the Vishuddha Chakra	126
2.6.6.	Questions on the Topic of the Vishuddha Chakra	127
2.7.	Ajna Chakra	128
2.7.1.	The Ajna Chakra Enioanatomical Standard	130
2.7.2.	The Hypotrophy and Hypofunction of the Ajna Chakra	132
2.7.3.	The Hypertrophy and Hyperfunction of the Ajna Chakra	133
2.7.4.	Unique Characteristics of the Ajna Chakra	134
2.7.5.	Things not Known About the Ajna Chakra	135
2.7.6.	Questions on the Topic of the Ajna Chakra	135
2.8.	Medullar Chakra	137
2.8.1.	The Medullar Chakra Enioanatomical Standard	138
2.8.2.	The Hypotrophy and Hypofunction of the Medullar Chakra	140
2.8.3.	The Hypertrophy and Hyperfunction of the Medullar Chakra	140
2.8.4.	Unique Characteristics of the Medullar Chakra	140
2.8.5.	Things not Known About the Medullar Chakra	141
2.8.6.	Questions on the Topic of the Medullar Chakra	141
2.9.	Earth Chakra – Brown Chakra, Anti-World Chakra, Earth Spirituality Chakra	143
2.9.1.	The Earth, Anti-World Chakra Enioanatomical Standard	145
2.9.2.	The Hypotrophy and Hypofunction of the Earth, Anti-World Chakra	146
2.9.3.	The Hypertrophy and Hyperfunction of the Earth, Anti-World Chakra	147
2.9.4.	Unique Characteristics of the Earth, Anti-World Chakra	147
2.9.5.	Things not Known About the Earth, Anti-World Chakra	148
2.9.6.	Questions on the Topic of the Earth Chakra – Brown Chakra, Anti-World Chakra, Earth Spirituality Chakra	148
2.10.	Heart Chakra – Soul Chakra, Virgin Mary Chakra	150
2.10.1.	The Heart Chakra Enioanatomical Standard	152
2.10.2.	The Hypotrophy and Hypofunction of the Heart Chakra	152
2.10.3.	The Hypertrophy and Hyperfunction of the Heart Chakra	154
2.10.4.	Unique Characteristics of the Heart Chakra	155
2.10.5.	Things not Known About the Heart Chakra	155
2.10.6.	Questions on the Topic of the Heart Chakra – Soul Chakra, Virgin Mary Chakra	156
2.11.	Kameshvara-Kameshvari Chakra – Spirituality Chakra, Jesus Christ Chakra	157
2.11.1.	The Kameshvara-Kameshvari Chakra Enioanatomical Standard	161
2.11.2.	The Hypotrophy and Hypofunction of the Kameshvara-Kameshvari Chakra	162
2.11.3.	The Hypertrophy and Hyperfunction of the Kameshvara-Kameshvari Chakra	163

2.11.4.	Unique Characteristics of the Kameshvara-Kameshvari Chakra	164
2.11.5.	Things not Known About the Kameshvara-Kameshvari Chakra	165
2.11.6.	Question on the topic of the Kameshvara-Kameshvari Chakra – Spirituality Chakra, Jesus Christ Chakra	165
2.12.	Sahasrara Chakra – Holy Ghost Chakra	167
2.12.1.	The Sahasrara Chakra Enioanatomical Standard	171
2.12.2.	The Hypotrophy and Hypofunction of the Sahasrara Chakra	172
2.12.3.	The Hypertrophy and Hyperfunction of the Sahasrara Chakra	174
2.12.4.	Unique Characteristics of the Sahasrara Chakra	175
2.12.5.	Things not Known About the Sahasrara Chakra	176
2.12.6.	Questions on the topic of the Sahasrara Chakra – Holy Ghost Chakra	176
2.13.	Mahatma Chakra – the Highest Spiritual Chakra, God Chakra	178
2.13.1.	The Mahatma Chakra Enioanatomical Standard	181
2.13.2.	The Hypotrophy and Hypofunction of the Mahatma Chakra	184
2.13.3.	The Hypertrophy and Hyperfunction of the Mahatma Chakra	185
2.13.4.	Unique Characteristics of the Mahatma Chakra	186
2.13.5.	Things not Known About the Mahatma Chakra	188
2.13.6.	Questions on the topic of the Mahatma Chakra – the Highest Spiritual Chakra, God Chakra	188
2.14.	Things not Known About Primary Chakras	189
3.	The Enioanatomy of Vital Chakras	190
3.1.	Lalata Chakra – Chakra of Hemispheres, Chakra of Reason, Destiny Chakra	194
3.2.	Forehead Chakra – Brain Stem Chakra	194
3.3.	Eye Chakras	195
3.4.	Ear Chakras	197
3.5.	Nose Chakras	198
3.6.	Thyroid Chakras	199
3.7.	Mammary Glands Chakras	201
3.8.	Manas Chakra	203
3.9.	Surya Chakra	204
3.10.	Liver Chakra	204
3.11.	Stomach Chakra	205
3.12.	Spleen Chakra	206
3.13.	Umbilical Chakra	207
3.14.	Genital Chakras	207
3.15.	Hip Chakras	209
3.16.	Popliteal Chakras	210
3.17.	Heel Chakras	211
3.18.	Foot Chakras	212
3.19.	Toe Chakras	214
3.20.	Big Toe Chakras	216
3.21.	2nd Toe Chakras	216
3.22.	3rd Toe Chakras	216
3.23.	4th Toe Chakras	217
3.24.	5th Toe Chakras	217
3.25.	Shoulder Chakras	218
3.26.	Elbow Chakras	219
3.27.	Palm Chakras	220
3.28.	Finger Chakras	222
3.29.	Thumb Chakras	224
3.30.	Index Finger Chakras	224
3.31.	Middle Finger Chakras	225

3.32.	Ring Finger Chakras	225
3.33.	Little Finger Chakras	226
3.34.	Star Channel Chakras – Star Chakras	226
3.35.	Things not Known About Vital Chakras	227
3.36.	Questions on the Enioanatomy of Vital Chakras	228
4.	The Enioanatomy of Function-Sustaining Chakras	230
4.1.	Things not Known About Function-Sustaining Chakras	237
4.2.	Questions on the Enioanatomy of Function-Sustaining Chakras	238
5.	Prenatal Development of Chakras	240
5.1.	Questions on Prenatal Development of Chakras	242
6.	Postnatal Development of Chakras	244
6.1.	Questions on Postnatal Development of Chakras	247
7.	Chakra Development Methods	248
I.	Enioanatomical Chakra Illustrations	259
Fig. 1.	Chakra petal	259
Fig. 2.	Forms of chakra cone petals	260
Fig. 3.	Petals forming into chakra cones	261
Fig. 4.	Function-sustaining chakra	262
Fig. 5.	Monolithic chakra (simple, function-sustaining)	263
Fig. 6.	Monolithic chakras with varying cone forms (simple, small, function-sustaining chakras)	264
Fig. 7.	Primary chakra structure	265
Fig. 8.	Primary chakra (without sheaths, horizontal section of the tip)	266
Fig. 9.	Chakra base	267
Fig. 10.	Chakra tip	267
Fig. 11.	Muladhara Chakra	268
Fig. 12.	Different types of bases of Muladhara's basic cone	269
Fig. 13.	Swadhisthana chakra bases	270
Fig. 14.	Different types of bases of Swadhisthana's basic cone	271
Fig. 15.	Manipura chakra bases	272
Fig. 16.	Different types of bases of Manipura's basic cone	273
Fig. 17.	Central chakra bases – Anahata	274
Fig. 18.	Different types of bases of Anahata's basic cone	275
Fig. 19.	Vishuddha chakra bases	276
Fig. 20.	Different types of bases of Vishuddha's basic cone	277
Fig. 21.	Ajna chakra bases	278
Fig. 22.	Base of Ajna's basic (blue) cone	279
Fig. 23.	Ajna-medullar chakra structure	280
Fig. 24.	Chakra triad (spiritual chakras' triad)	281
Fig. 25.	Spiritual chakras' triad	282
Fig. 26.	Universal structuring of the spiritual chakras' triad	283
Fig. 27.	The chakra cones' location within subtle bodies' outer parts	284
Fig. 28.	Chakra projection on the physical body's surface	285
Fig. 29.	Projection of the structural composition of primary chakras, Sushumna, Merudanda, Ida, and Pingala on the skeleton	286
Fig. 30.	Structural composition of primary chakras, Sushumna, Merudanda, Ida, and Pingala	287
Fig. 31.	Structure-functional states of chakra cone bases	288
Fig. 32.	The degree of openness of chakra cone bases	289
Fig. 33.	Petal oscillation along three axes	290
Fig. 34.	A dynamic mode of chakra cones	291

Fig. 35.	Energy-informational substances rotating anticlockwise above red and orange chakra cone bases	292
Fig. 36.	Dynamic mode variations of chakra cones	293
Fig. 37.	Symmetry between various dynamic modes of chakra cones	294
Fig. 38.	Dynamic modes of chakra cones	295
Fig. 39.	Absorption and expulsion of energy-informational substances via open bases of all chakra cones	296
Fig. 40.	Structuring of energy-informational substances above open bases chakra cones during their absorption and expulsion	297
Fig. 41.	Structure-functional states of chakra cones	298
Fig. 42.	Structure-functional states of chakra cones	299
Fig. 43.	Different types of structure-functional states of chakra cones	299
Fig. 44.	Variations of structure-functional states of chakra cones	300
Fig. 45.	One of the variations of structure-functional states of chakra cones	300
Fig. 46.	Topographic-functional states of chakra cone petals	301
Fig. 47.	Function-sustaining chakras of the physical body's regions (front view)	302
Fig. 48.	Function-sustaining chakras of the physical body's regions (rear view)	303
Appendix No. 1	Simplified characteristics of chakras in accordance with their classification	304
Appendix No. 2	Classification of chakra characteristics	306
	Index	307
	Bibliography	313
