# Introduction

The language presented in the course is intended to be used in both the Student Book and the Workbook. The language introduced in each unit is presented in a way that allows students to use it in a variety of contexts. The course is designed to be used in a variety of ways and teachers can choose different units and then copy information for use in class. The workbook is particularly useful for introducing new material and for providing a range of practice for the units in class.

## Aims of the course

The course is designed to provide students with a range of opportunities to use English in a variety of contexts. The course is designed to be used in a variety of ways and teachers can choose different units and then copy information for use in class. The workbook is particularly useful for introducing new material and for providing a range of practice for the units in class.

The course is designed to provide students with a range of opportunities to use English in a variety of contexts. The course is designed to be used in a variety of ways and teachers can choose different units and then copy information for use in class. The workbook is particularly useful for introducing new material and for providing a range of practice for the units in class.
