## Part I. Communication and Data

<b>1. Communication.....</b>	<b>3</b>
What Is Communication?	4
The Communication Process	4
Getting Through to Your Audience: Context and Noise	6
Don't Forget About Memory	7
Why Visualize Data?	9
Pre-Attentive Attributes in Action	12
Unique Considerations	17
Summary	18
<b>2. Data.....</b>	<b>19</b>
What Is Data?	20
Key Features of Data	20
Rows and Columns	22
Data Types	24
How Is Data Created?	28
Where Is Data Created?	29
Should You Trust Your Data?	34
Data as a Resource	35
Files	36
Databases, Data Servers, and Lakes	39
Application Programming Interfaces	41
Data Security and Ethics	43

---

Easy or Hard? The “Right” Data Structure	44
The Shape of Data	44
Cleaning Data	51
The “Right” Data	53
Requirement Gathering	56
Use of the Data	61
Summary	65

---

## Part II. The Elements of Data Visualization

<b>3. Visualizing Data.....</b>	<b>69</b>
Tables	72
How to Read Tables	72
How to Optimize Tables	76
When You Might Not Use Tables	78
Bar Charts	79
How to Read Bar Charts	79
How to Optimize Bar Charts	85
When You Might Not Want to Use Bar Charts	93
Line Charts	94
How to Read Line Charts	94
How to Optimize Line Charts	98
When You Might Not Use Line Charts	103
Summary	107
<b>4. Visualizing Data Differently.....</b>	<b>109</b>
Chart Types: Scatterplots	109
How to Read Scatterplots	110
How to Optimize Scatterplots	123
When to Avoid Scatterplots	127
Chart Types: Maps	131
How to Read Maps	131
How to Optimize Maps	134
When to Avoid Maps	141
Chart Types: Part-to-Whole	144
How to Read Part-to-Whole Charts	145
When to Use Part-to-Whole Charts	150
When to Avoid Part-to-Whole Charts	153
Summary	156

<b>5. Visual Elements.....</b>	<b>159</b>
Color	160
Types of Color Palettes	160
Choosing the “Right” Color	166
Avoiding Unnecessary Use of Color: Double Encoding	168
Size and Shape	172
Themed Charts	174
Size and Shape Challenges	175
Multiple Axes	179
Reference Lines/Bands	183
Reference Lines	184
Reference Bands	187
Totals/Summaries	190
Totals in Tables	190
Totals in Charts	193
Summary	194
<b>6. Visual Context.....</b>	<b>195</b>
Titles	196
Main Title	196
Subtitles, Standfirsts, and Chart Titles	199
Text and Annotations	201
Annotations	201
Text Boxes	202
Text Formatting	203
Contextual Numbers	205
Legends	208
Shape Legends	208
Color Legends	210
Size Legends	212
Iconography and Visual Cues	213
Thematic Iconography	213
Audience Guidance	214
Background and Positioning	216
The Z Pattern	217
Whitespace	218
Interactivity	220
Tooltips	220
Interactions	223
Summary	225

<b>7. The Medium for the Message: Complex and Interactive Data Communication.....</b>	<b>227</b>
Explanatory Communications	227
Gathering Requirements	228
Updating Data in Explanatory Views	229
So What?	229
Exploratory Communications	230
Gathering Requirements	231
Flexibility and Flow	231
Methods: Dashboards	234
Monitoring Conditions	234
Facilitating Understanding	235
Methods: Infographics	238
Methods: Slide Presentations	240
Methods: Notes and Emails	242
Summary	243

---

## Part III. Deploying Data Communication in the Workplace

<b>8. Implementation Strategies for Your Workplace.....</b>	<b>247</b>
Tables Versus Pretty Pictures	252
Data Culture	253
Data Literacy	256
Improving the Visualization Mix	257
Static Versus Interactive	261
Let's Talk About PowerPoint	262
More Than Just PowerPoint	263
Interactive User Experience	265
Centralized Versus Decentralized Data Teams	268
The Data Team	268
Data Sources	269
Reporting	270
Pooling Data Expertise	272
Self-Service	273
Live Versus Extracted Data	274
Live Data	274
Extracted Data Sets	276
Standardization Versus Innovation	278
Importance of Standardization	278
Importance of Innovation	280
Reporting Versus Analytics	281
Reporting: Mass Production	281

Analytics: Flexibility but Uncertainty	283
Finding the “Perfect” Balance	285
Summary	286
<b>9. Tailoring Your Work to Specific Departments.....</b>	<b>287</b>
The Executive Team	288
Finance	292
Human Resources	294
Operations	296
Marketing	299
Sales	301
Information Technology	304
Summary	306
<b>10. Next Steps.....</b>	<b>309</b>
Step 1: Get Inspired	309
Step 2: Practice	310
Step 3: Keep Reading	310
<b>Index.....</b>	<b>313</b>
