Introduction	11
1 Historical Development and Current Form of Legal Arrangement of the Principle of Sustainable Development in International Law	13
1.1 Principle of Sustainable Development in International Environmental Law	15
1.1.1 <i>The Non-Binding International Environmental Law Documents Establishing a Basis for Development of the Concept of the Sustainable Development</i>	<i>15</i>
1.1.2 <i>The Non-Binding International Environmental Law Documents Implementing the Principle of Sustainable Development within the Legal Sphere</i>	<i>18</i>
1.1.3 <i>The Principle of Sustainable Development as a Specific Dimension of Binding International Environmental Law Treaties</i>	<i>24</i>
1.1.4 <i>Case Law of International Judicial and Arbitral Bodies as for the Principle of Sustainable Development</i>	<i>27</i>
1.1.5 <i>The Principle of Sustainable Development as a Part of Customary International Law</i>	<i>29</i>
1.1.6 <i>The Precautionary Principle and the Environmental Impact Assessment as the Most Important Means of Contribution the Practical Application the Principle of Sustainable Development</i>	<i>31</i>
1.2 The Principle of Sustainable Development as a Part of International Development Law	34
1.3 The Conceptual Content of the Principle of Sustainable Development as a Common Principle of International Environmental Law and International Development Law	35
2 The Contributions of UN Human Rights Treaty-Bodies to Realization of “Green Ambitions and Sustainable Development”	43
2.1 Human Rights Treaties and Climate Change	48
2.2 Recent developments within the work of the HRTBs	50

3	What Is the Impact of Climate Change Reaching the Stage of Emergency for International Human Rights Litigation?	58
3.1	The rise of Climate Litigation in Recent Years	59
3.2	Committees Impact in Climate Litigation	61
3.3	Climate litigation before the European Court of Human Rights	63
4	Green Policy Coordination: Competition Policy's Potential for Supporting Sustainable Development	70
4.1	The Problem of Policy Coordination	73
4.1.1	<i>Complex Problems and New Public Management: The Increased Importance of Policy Coordination</i>	<i>74</i>
4.1.2	<i>Coordination Defined</i>	<i>76</i>
4.2	Synergies, Conflicts, Redundancies and Gaps: Interactions in Competition Policy and Environmental Policy	79
4.2.1	<i>Synergies</i>	<i>80</i>
4.2.2	<i>Conflicts</i>	<i>81</i>
4.2.3	<i>Redundancies</i>	<i>83</i>
4.2.4	<i>Gaps</i>	<i>86</i>
4.3	Two Forms of Coordination in Competition Policy	89
4.3.1	<i>Forms of Coordination: Static and Dynamic Views</i>	<i>89</i>
4.3.2	<i>Static and dynamic coordination in competition policy</i>	<i>91</i>
4.4	Policy Coordination and the Integration Principle in Article 11 TFEU	94
5	Ecocide as a new crime under international law: Utopia of the protection of the environment?	105
5.1	The concept of Ecocide	106
5.2	Proposals for Ecocide Conventions	108
5.2.1	<i>Falk's Proposal</i>	<i>109</i>
5.2.2	<i>Neyretto's Proposal</i>	<i>111</i>
5.3	Efforts to legally enshrine the ecocide as a crime under international law	115
5.3.1	<i>Ecocide as a crime against peace or war crime</i>	<i>116</i>
5.3.2	<i>Current efforts to amend the Rome Statute with the crime of Ecocide</i>	<i>118</i>
5.4	European Union fight for the Ecocide as a crime	120

6 Crossborder Environmental Damage: What is the Applicable Law?	129
6.1 Crossborder Environmental Damage in International Treaties	130
6.1.1 <i>Non-contractual obligations arising from a nuclear event</i>	131
6.1.2 <i>International treaties with precedence over the Rome II Regulation</i>	131
6.2 Cross-border Environmental Damage in Rome II Regulation	133
6.2.1 <i>Legislative development</i>	134
6.2.2 <i>Objectives of the conflict-of-law rule in Article 7</i>	136
6.2.3 <i>Material scope of the conflict-of-law rule in Article 7</i>	137
6.2.4 <i>Option to unilaterally choose the applicable law</i>	139
6.2.5 <i>The interaction between Article 7 and selected articles in Rome II</i>	141
6.3 Environmental damage and corporate due diligence	147
7 Biodiversity Protection from the Perspective of the European Green Deal and Other Current Relevant International Legislation	155
7.1 Protection of Biodiversity from the Perspective of the European Green Deal Initiative	156
7.1.1 <i>Other Important Legislation on EU Soil</i>	163
7.2 Protection of Biodiversity from the Perspective of International Law	169
8 Legal Aspects of a Sustainable Product Policy in European Law	183
8.1 Ecodesign as a Basic Part of a Sustainable Product Policy	184
8.2 The New Ecodesign Working Plan	187
8.3 The New Ecodesign Regulation	189
9 European Legal Perspective on Artificial Intelligence in the Context of the European Green Deal	195
9.1 European Green Deal – European Union as an Environmental Standards Setter?	197
9.1.1 <i>European Union’s Proposals and Initiatives to Achieve Climate-Related Goals of the European Green Deal</i>	201

9.2	The Use of Artificial Intelligence in Achieving the European Green Deal Goals	204
9.2.1	<i>The European Union’s Initiatives and Legal Framework on Artificial Intelligence</i>	209
9.2.2	<i>European Union’s Cooperation with Stakeholders – The Climate Neutral Data Centre Pact</i>	217
