

TABLE OF CONTENTS

PREFACE	1
INTRODUCTION	3
CHAPTER 1: PRIMITIVE REFLEXES AND THEIR BENEFITS	7
CHAPTER 2: WHAT IS SYMMETRICAL TONIC NECK REFLEX (STNR)?	9
A. Onset and Patterns of the Symmetrical Tonic Neck Reflex	9
B. Benefits of the Symmetrical Tonic Neck Reflex	11
C. Retained Symmetrical Tonic Neck Reflex: Signs, Symptoms And Behaviors	17
CHAPTER 3: TESTING AND SCREENING	21
A. Table #1: Symptoms and Behavioral Checklist: Symmetrical Tonic Neck Reflex	21
B. Screen 1: Head Pendulum on All 4s	25
C. Screen 2: Head Pendulum on Sphinx	26
D. Screen 3: Cat and Cow	27
CHAPTER 4: ADDRESSING A RETAINED SYMMETRICAL TONIC NECK REFLEX	29
A. Intervention and Treatment Planning	29
B. Accommodations	30

C. Exercises to Promote Symmetrical Tonic Neck Reflex	31
1. Head Pendulum on All Fours	33
2. Cat and Cow	35
3. Crawling	37
4. Ball Retriever	40
5. Tunnel Crawl	42
6. Rocking on All 4s	45
7. Head Taps on All 4s	47
8. Inchworm on Floor	50
9. Bear Walk	55
10. Inchworm on Scooter Board	57
11. Crab Walk	60
12. Teeter Totter	63
13. Crab Soccer	65
14. Crab and Bear Roll (Advanced)	68
15. Push Up on Therapy Ball	71
16. Knee Tucks on Therapy Ball	74
17. Inchworm on Therapy Ball	76
18. Plank Walk on Scooter	79
19. Running on Plank	82
20. Plank Shoulder Taps	84
21. Crab Tuck on Scooter	87
22. Knee Tuck on Scooter	89
23. Donkey Kicks	92

24. One Leg Donkey Kicks	94
25. Bird Dog to Elbow Tap	96
26. Bird Dog Plank	99
27. Jump Rope	102
28. Horsy on Parent's Back	104
29. Chair Scoots	106

GAMES AND SPORTS

30. Swings	111
31. Rowing	113
32. Visual Tracking	116
33. Hanging Ball Tap	121
34. Ball Tracking on Floor	124
35. Ball Kick with Both Feet	126
36. Hanging Ball Tap on All 4s	128
37. Toe Tap	131

CHAPTER 5: ADDITIONAL RECOMMENDATIONS AND RESOURCES 133

A. How Do You Know If a Treatment Plan and Exercises Are Working?	133
---	-----

B. Suggested Movement Breaks and Activities	134
---	-----

Table #2: Suggested Activities To Incorporate Throughout the Day	135
--	-----

C. Treatment Ideas for Occupational Therapists Working in a Clinical Setting	136
--	-----

D. Letter to Parent/Caregiver	136
Table #3: Symmetrical Tonic Neck Reflex Integration Exercise Log	138
GLOSSARY	141
RESOURCES	145
ABOUT THE AUTHOR	147
1. Ball Retrieval	149
2. Ball Toss	150
3. Tunnel Crawl	151
4. Backing on All Fours	152
5. Head Tap on All Fours	153
6. In-and-out on Floor	154
7. Bear Walk	155
8. In-and-out on Seesaw Board	156
9. Crab Walk	157
10. In-and-out on Seesaw Board	158
11. Crab Walk	159
12. Tower Tower	160
13. Crab Walk	161
14. Crab Walk	162
15. Push Up on Therapy Ball	163
CHAPTER 5: ADDITIONAL RECOMMENDATIONS AND RESOURCES	164
16. A. How Do You Know If a Treatment Plan and Exercises Are Working?	165
17. B. Suggested Movement/In Brains and Activities	166
18. C. Suggested Activities for In-and-out	167
19. D. Throughout the Day	168
20. E. Treatment Ideas for Occupational Therapy Working in a Clinical Setting	169
21. F. Donkey Kicks	170
