

Anita O'Day

Jazz legend Krupa was the original model of the hair-tossing, gum-chewing, stick-flying flashy drummer; when Benny Goodman kicked off the Swing Era, Krupa was his drummer and became a pop hero. Here's Gene's master opus with Benny, "Sing! Sing! Sing!", plus a generous selection of top items from Krupa's own hugely popular band including the Top 10 smash "Let Me Off Uptown" featuring vocals by the multitalented Roy Eldridge and the sublime Anita O'Day.
