

## Table of Contents

Table of Contents	
Acknowledgements .....	4
Table of Contents.....	5
List of Tables .....	10
ABSTRACT .....	11
Methods: .....	11
Results:.....	12
Conclusions: .....	13
CHAPTER I INTRODUCTION.....	14
Introduction: .....	15
Burnout: .....	16
Concept of burnout.....	20
Burnout's Predictors:.....	25
- Socio-demographic factors (age, Gender, marital status, and number of children) .....	25
- Work pressure (Job Strain).....	31
Health problems (Physical and Mental health problems):.....	34
Mental Health Problem: .....	40
Stress, The most Important Mental Health Problem.....	40
Stress in the Nurses and physicians working in the intensive care unit (ICU): .....	43
Work stress, Shift length, Low income, Job dissatisfaction .....	43
- Stress Factors: Gender and Family Obligations: .....	45
- Stress Factors: Personal Characteristics and Work Relationships...	46

<b>Stress factors: Management Styles between manager and staffs .....</b>	<b>50</b>
<b>Stress factors: Job satisfaction .....</b>	<b>54</b>
<b>Physical Health Problems:.....</b>	<b>58</b>
<b>2- Cardiovascular diseases.....</b>	<b>62</b>
<b>Ocurrence of Stress, Anxiety, Depression in Specific CHD Morbidities</b>	<b>63</b>
<b>Coronary Artery Bypass Graft (CABG Surgery) .....</b>	<b>66</b>
<b>Implantable Cardioverter Defibrillators for Cardiomyopathy .....</b>	<b>67</b>
<b>Screening for Stress, Anxiety, Depression in At-Risk Patients for CAD</b>	<b>68</b>
<b>Pharmacological Treatment of CAD patients with Stress, Anxiety, Depression : .....</b>	<b>71</b>
<b>Recommended first-line medications : .....</b>	<b>73</b>
<b>Medications considered safe for patients with CAD:.....</b>	<b>76</b>
<b>Medications that can be used with extreme caution in patients with CAD : .....</b>	<b>78</b>
<b>Medications to be avoided in patients with CAD : .....</b>	<b>79</b>
<b>Pharmacological treatment for Stress, Anxiety, Depression in CHD patients: .....</b>	<b>79</b>
<b>Beta Blocker Therapy and its Relationship to Stress, Anxiety, Depression .....</b>	<b>83</b>
<b>The Role of Omega-3 Fatty Acids for patients with Stress, Anxiety, Depression and CAD .....</b>	<b>84</b>
<b>Psychosocial Treatment of Stress, Anxiety, Depression for Patients with CAD.....</b>	<b>86</b>
<b>Challenges in the Treatment of Stress, Anxiety, Depression with Cardiovascular Disease .....</b>	<b>91</b>
<b>Relationship between Burnout and sickness absence .....</b>	<b>104</b>
<b>CHAPTER II.....</b>	<b>108</b>
<b>Stress: The first important factor led to begin burnout .....</b>	<b>122</b>

Alcohol dependence .....	128
Physical Health Problem: .....	130
- Cardiovascular diseases .....	131
Distinction between burnout and ill health Association with work characteristics .....	139
Distinction between burnout and ill health Association with work disability .....	142
Role of individual factors in burnout: Gender and the level of burnout .....	143
Gender differences in the associations between burnout and ill health	145
Age and the level of burnout.....	150
Treatment of Burnout:.....	154
Pharmacological Treatments: .....	154
Recommended first-line medications: .....	155
Medications considered safe for patients with CAD:.....	158
Medications that can be used with extreme caution in patients with CAD: .....	160
Medications to be avoided in patients with CAD:.....	161
Pharmacological treatment for stress, anxiety, depression in CHD patients.....	162
Beta Blocker Therapy and its Relationship to Depression.....	165
Psychological Treatments:.....	166
- Cognitive Therapy:.....	170
- Cognitive Behavioral Therapy:.....	175
Policy implications to decrease burnout in workplace .....	190
Research Implications .....	191
<b>CHAPTER III RESEARCH METHODS .....</b>	<b>195</b>
Setting .....	196

<b>Sample.....</b>	<b>197</b>
<b>Procedures for Protection of Human Subjects .....</b>	<b>197</b>
<b>Data Collection.....</b>	<b>198</b>
<b>Screening Protocol consisted of 3 stages: .....</b>	<b>198</b>
<b>1. Demographic characteristics Questionnaire:.....</b>	<b>198</b>
<b>2. General Health Questionnaire-12: .....</b>	<b>199</b>
<b>3. Maslach Burnout Inventory (MBI):.....</b>	<b>200</b>
<b>Data Analysis.....</b>	<b>201</b>
<b>Aim of present study .....</b>	<b>202</b>
<b>CHAPTER IV RESULTS OF THE RESEARCH .....</b>	<b>203</b>
<b>CHAPTER V DISCUSSION .....</b>	<b>212</b>
<b>Study Limitations: .....</b>	<b>223</b>
<b>Conclusions: .....</b>	<b>225</b>
<b>REFERENCES .....</b>	<b>229</b>
