Part I Prenatal Diagnosis of Orofacial Malformations

- 1 Orofacial Clefts in the Fetus: What We Know and What We Should Know** 3
Gabriele Tonni, Waldo Sepulveda, and Amy E. Wong
- 2 The Genetics of Facial Cleft** 9
Arie Koifman, Susan Blaser, and David Chitayat
- 3 Evaluation of the Fetal Face in the First Trimester** 19
Waldo Sepulveda, Amy E. Wong, Pilar Martínez-Ten, and Gabriele Tonni
- 4 The Role of 2D/3D/4D Ultrasound in the Prenatal Assessment of Cleft Lip and Palate** 43
Pilar Martínez-Ten, Waldo Sepulveda, Amy E. Wong, and Gabriele Tonni
- 5 2D/3D/4D Ultrasound of the Fetal Face in Genetic Syndromes** 61
Pilar Martínez-Ten, Waldo Sepulveda, and Gabriele Tonni
- 6 Prenatal Diagnosis of Orofacial and Neck Tumors** 81
Gabriele Tonni, Marcella Palmisano, Roberta Granese, and Maria Paola Bonasoni
- 7 Micrognathia** 105
Edward Araujo Júnior, Eduardo Felix Martins Santana, Gabriele Tonni, Amy E. Wong, and Waldo Sepulveda
- 8 Magnetic Resonance Imaging (MRI) in the Evaluation of the Fetal Face** 119
Francisco Sepulveda, Gerlinde M. Gruber, and Daniela Prayer
- 9 The Fetal Brain in Fetuses with Orofacial Abnormalities** 131
Gustavo Malinger

- 10 Development and Autopsy Assessment of the Fetal Head and Face** 143
J. Ciaran Hutchinson and Neil J. Sebire
- 11 Postnatal Management of Cleft Lip and Palate** 157
Fabio Xerfan Nahas, Natasha Sallum, and Lydia Masako Ferreira
- Part II Interesting Cases and Rare Syndromes**
- 12 Binder Syndrome: Prenatal Diagnosis, Management, and Prognosis** 165
Edward Araujo Júnior, Gabriele Tonni, and Waldo Sepulveda
- 13 Atypical Facial Cleft Detected by Prenatal Scan and Confirmed by Postmortem Reconstructive Computed Tomography (CT REC)** 171
Inbal Dona Amar, Yaakov Melcer, Rebecca Cohn, and Ron Maymon
- 14 Congenital Subcutaneous Mixed Venous-Lymphatic Orofacial Malformation Associated with Macroglossia: Prenatal Diagnosis with Ultrasound and Fetal MRI** 179
Marcello Napolitano, Alice Munari, Anna Ravelli, and Anna Venegoni
- 15 Acromelic Frontonasal Dysplasia (Median Cleft Face Syndrome)** 183
Mario Lituania and Gabriele Tonni
- 16 Prenatal Diagnosis of Severe Midfacial Hypoplasia Using 3D Ultrasound** 189
Gabriele Tonni, Jurandir Piassi Passos, and Mario Lituania
- 17 3D Virtual Model Reconstruction by 3D Ultrasound Volume Data Sets in a Case of Prenatally Diagnosed Agnathia/Otocephaly Complex Associated with Multiple Congenital Anomalies** 195
Heron Werner, Gabriele Tonni, Gláucia Aparecida Menezes, and Edward Araujo Júnior
- 18 Unilateral Agenesis of the Mandible (Agnathia) in a Fetus with 4p-/10q Duplication Associated with Balanced Paternal Cryptic 4p/10q Translocation: Multidisciplinary Management of a Complex Case** 199
Lucia Rosignoli, Gabriele Tonni, Elisabetta Pelo, and Marco di Maurizio
- 19 Prenatal Diagnosis of Beckwith-Wiedemann Syndrome Using 3D Ultrasound and Fetal MRI** 205
Heron Werner and Gabriele Tonni

20	Prenatal Diagnosis of Tessier 7 Cleft in a Case of Femoral Hypoplasia-Unusual Facies Syndrome with Associated Absent Fibula and Digit Abnormalities	211
	Gianpaolo Grisolia and Gabriele Tonni	
21	Median Cleft Lip and Palate, Cutaneous Nasal Polyps, and Corpus Callosum Lipoma: A Case of Pai Syndrome Associated with Ventricular Septal Defects	215
	Jose H. Ochoa, Rolando P. Vildoza, Adriana Echegaray, and Alejandra Colubriale	

Labal Dana Amar - Ultrasound Unit, Department of Obstetrics and Gynecology, Assaf Harofeh Medical Center, Zerifin, Israel

Israel Sackler School of Medicine, Tel Aviv University, Tel Aviv, Israel

Edwards Araujo Junior - Department of Obstetrics, Paulista School of Medicine - Sao Paulo Federal University of Sao Paulo (EPM-UNIFESP), Sao Paulo, Brazil

Susan Blaser - Department of Diagnostic Imaging, Division of Paediatric Neuroradiology; Department of Pediatrics, Division of Paediatric Neuroradiology, The Hospital for Sick Children, University of Toronto, Toronto, ON, Canada

Maria Paola Bonasoni - Pathology Service, IRCCS Arcispedale "Santa Maria Nuova", Reggio Emilia, Italy

David Chitayat - Department of Obstetrics and Gynecology, The Prenatal Diagnosis and Medical Genetics Program, Mount Sinai Hospital, and Division of Clinical and Metabolic Genetics, Department of Pediatrics, The Hospital for Sick Children, University of Toronto, Toronto, ON, Canada

Rebecca Cohn - Ultrasound Unit, Department of Obstetrics and Gynecology, Assaf Harofeh Medical Center, Zerifin, Israel
Sackler School of Medicine, Tel Aviv University, Tel Aviv, Israel

Alejandra Colubriale - Diagnos - Prenatal Diagnosis and Teaching Center, Cordoba, Argentina

Marco di Maurizio - Diagnostic Imaging, University Hospital Meyer, Florence, Italy

Adriana Echegaray - Diagnos - Prenatal Diagnosis and Teaching Center, Cordoba, Argentina

Lydia Masako Ferreira - Division of Plastic Surgery, Federal University of Sao Paulo/UNIFESP, Sao Paulo, Brazil

Roberta Granese - Department of Obstetrics and Gynecology, Azienda Ospedaliera Universitaria di Messina, G. Martino, Messina, Italy

Gianpaolo Grisolia - Prenatal Diagnostic Service, Department of Obstetrics & Gynecology, "Carlo Poma" Hospital, Mantua, Italy
