Introduction

The course is designed to provide a comprehensive and enjoyable learning experience for young learners of English. It covers a wide range of topics and includes a variety of activities to engage students and help them learn effectively. The course is divided into ten units, each focusing on a different theme. The first unit, 'Family and friends', introduces basic vocabulary and simple sentences. The second unit, 'Where's the treasure?', teaches prepositions and方位. The third unit, 'My body', focuses on body parts and simple descriptions. The fourth unit, 'Time to play', introduces time-related vocabulary and simple activities. The fifth unit, 'What's the weather like?', teaches weather-related vocabulary and simple questions. The sixth unit, 'At the zoo', introduces zoo-related vocabulary and simple descriptions. The seventh unit, 'Around town', teaches town-related vocabulary and simple directions. The eighth unit, 'The world around us', introduces world-related vocabulary and simple descriptions. The ninth unit, 'In the playground', teaches playground-related vocabulary and simple activities. The tenth unit, 'Then and now', introduces time-related vocabulary and simple comparisons. The course also includes an appendix with thumbnail reproductions of the photocopiable activities.
