PRACTISE AND PASS

PERFECT!

Focus on the exam task → Do the exam task

Perform even better!

Read a text and answer eight questions by choosing between four options.

Complete the eight gaps in a text by thinking of the best word for each gap.

Complete the eight gaps in a text by using the "prompt" word at the end of the line correctly.

Look at pairs of sentences. Use the key word to complete the second sentence so that it has the same meaning as the first sentence.

Read a text and answer six questions by choosing between four options.

Complete the gaps in a text with the missing sentences. Read the text to decide which sentence fits best in which gap.

Match some statements to the section or text where you find the information.

Write an essay based on the title you are given and two ideas linked to the title. Add a third idea of your own.

Choose which kind of text you want to write - article, email/letter, report or review. Base your writing on the information you are given.

Listen to eight short parts of monologues or conversations. Answer one question per extract by choosing between four options.

Listen to a longer monologue and complete the missing information in ten sentences.

Listen to five monologues and choose the correct options from the eight answers on the page.

Listen to a longer conversation and answer eight questions by choosing between three options.

Answer questions about yourself.

Talk about the two photographs you are given.

Complete a task by discussing it with the other candidate.

Discuss the topics that come up in Part 3 with your partner and the examiner.
