Loss to Follow-up and Unplanned Readmission After Emergent Surgery for Acute Subdural Hematoma
Bradley S. Guidry, Alan R. Tang, Harrison Thomas, Rut Thakkar, Anthony Sermarini, Robert J. Dambrino IV, Aaron Yengo-Kahn, Lola B. Chambless, Peter Morone, Silky Chotai

On the Cover

Cover art for the next 4 months will pay homage to journal covers of the past, reflecting the design interests of our former editors. This month we honor the original cover design for *Neurosurgery* under editors Robert Wilkins, Clark Watts, and Edward R. Laws. This became the “Red Journal”.

Print Readers: Scan this QR code using your mobile device in order to access the online Table of Contents.
