Why I wrote this book viii

A: Understanding learning technologies 1

1 Do learning technologies work? 2
2 The shift to online teaching 4
3 Teaching with technology in low resource contexts 6
4 Choosing appropriate learning technologies 8
5 Using learning technologies to support special educational needs (SEN) 10
6 Digital literacies 12
7 Screen time 14

B: Teaching and learning approaches 16

8 Informal online language learning 17
9 Formal online language learning 19
10 Teaching online 21
11 Teaching live online 23
12 Blended learning 25
13 Hybrid teaching 27
14 The flipped classroom 29
15 Mobile learning 31
16 Digital pedagogy 33
17 Online learning design 35

C: Teaching language with learning technologies 37

18 Teaching reading 38
19 Teaching listening 40
20 Teaching speaking via video-conferencing 42
21 Teaching pronunciation 44
22 Teaching writing: online texts 46
23 Teaching vocabulary 48
24 Teaching grammar 50
25 Teaching cultural awareness 52
26 Correction and feedback online 54
27 Automated writing evaluation 56
28 Digital evaluation and assessment 58

D: Managing learning technologies 60

29 Classroom management tools 61
30 Managing mobile devices 63
31 Acceptable use policies 65
32 Digital policies 67
33 e-Safety 69
34 Copyright and fair use 71

35 Creative Commons 73
36 Plagiarism 75
37 ePortfolios 77
E: Tools and trends **79**
38 Interactive whiteboards 80
39 Learning platforms 82
40 Artificial intelligence 84
41 Automated translation 86
42 Virtual reality 88
43 Augmented reality 90
44 Digital game-based learning 92
F: Teacher development **94**
45 Becoming more tech-savvy 95
46 Dealing with information overload 97
47 Misinformation online 99
48 Developing online 101
49 Using technology in research 103
50 Preparing for the future 105
Glossary **107**
Index **109**
