BOOK ONE

PART 1	INTRODUCTION.....	1
---------------	--------------------------	----------

Chapter 1	Introduction.....	1
------------------	--------------------------	----------

Chapter 2	State aid modernisation	5
------------------	--------------------------------------	----------

1.	The SAM context.....	5
2.	The SAM priorities.....	6
2.1	Foster 'good aid'	7
2.2	Increase the efficiency of State aid control.....	8
2.3	Address the shortcomings of the State aid framework	11
3.	Common principles.....	13
4.	State aid control "post SAM"	16

Chapter 3	The economics of State aid control	17
------------------	---	-----------

1.	Introduction.....	17
2.	The basic rationale of State aid control in the Union	19
3.	When is a measure State aid?	23
3.1	The concept of "advantage"	23
3.2	The Market Economy Investor Principle	26
3.3	Investments in line with market conditions - some principles	30
3.4	Distortion of competition and effect on trade	35
4.	Assessment framework for the compatibility of aid	38
5.	State intervention: objective and rationale.....	40

5.1	Market failures.....	42
5.1.1	Externalities.....	42
5.1.2	Information asymmetries	46
5.1.3	Coordination problems.....	48
5.1.4	Market power	51
5.2	Equity considerations	52
6.	Incentive effect.....	54
6.1	Methodology	54
6.2	Financing constraints	59
7.	The negative effects of State aid	60
7.1	Theories of harm in Union State aid control – a typology	60
7.1.1	Allocative inefficiencies (loss of welfare)	62
7.1.1.1	Product market distortions	62
7.1.1.2	Distortions in input markets / locational decisions	70
7.1.1.3	Distortions between different sectors	72
7.1.1.4	The shadow cost of taxation	72
7.1.2	Distributional concerns (shifts in welfare)	73
7.1.2.1	Distribution of welfare across Member States	73
7.1.2.2	Distribution of welfare within Member States	77
7.2	The incentive effect as a screen for competition analysis.....	78
8.	Other applications of economic insights	82
8.1	Empirical insights on the effectiveness of regional State aid	83
8.2	State aid and efficiency incentives: Compensation for SGEI.....	87
8.3	State aid and price signals: aid to compensate firms for increased ETS costs.....	90
9.	Concluding remarks	92
 Chapter 4 State aid evaluation.....		95
1.	Introduction.....	95
2.	The role of evaluation in policy-making.....	96
3.	The new evaluation requirements in State aid control	99
3.1	The objective of the aid scheme to be evaluated.....	103
3.2	The evaluation questions	103
3.3	The result indicators.....	104
3.4	The envisaged methods to conduct the evaluation.....	104

3.5	The data collection requirements	104
3.6	Timeline of the evaluation	105
3.7	The body conducting the evaluation and its independence.....	105
3.8	Publicity.....	106
4.	Relevant methods for the evaluation of State aid schemes.....	106
4.1	Examples for randomization	109
4.2	Quasi-experimental studies.....	111
4.2.1	Instrumental Variables Estimation	111
4.2.2	Regression discontinuity design (RDD)	113
4.2.3	Difference-in-Differences method estimator	115
4.3	General remarks and further methodological issues	116
5.	Lessons learnt so far and conclusions.....	117
Chapter 5	External aspects of State aid policy – part 1: WTO ..	119
1.	Why control?	119
1.1	Why control State aid in the Union?.....	119
1.2	Why control subsidies at world level?	122
2.	What is controlled and how?	124
2.1	Scope – goods and services versus goods only	124
2.2	Is State aid the same as subsidy?.....	124
2.3	Control.....	129
2.4	Enforcement	131
3.	Outlook.....	135
Chapter 6	External aspects of State aid policy part 2: accession	141
1.	Introduction.....	141
2.	Europe Agreements, Association Agreements and Stabilisation and Association Agreements	144
3.	Accession negotiations – how do they work?	147
4.	The Competition chapter.....	148
5.	Existing aid/transition periods.....	154
5.1	Notion of “existing aid”	154
5.2	The interim mechanism and the sunset clause.....	157
5.2.1	Standard of review - procedural aspects.....	160

5.2.2	Notion of measures “put into effect” before accession.....	161
5.2.3	Notion of measures “applicable after” accession.....	161
5.3	Investor protection under pre-accession bilateral investment treaties	164
5.4	Transitional and permanent State aid provisions	167
5.4.1	Fiscal measures	168
5.4.2	Environmental aid measures.....	169
5.4.3	Provisions for the steel sector	170
5.4.3.1	The model of Poland, the Czech Republic and Romania.....	171
5.4.3.2	The case of Slovakia.....	174
5.4.3.3	The case of Bulgaria.....	175
5.4.3.4	The case of Croatia	175
5.4.3.5	The case of Turkey	176
5.4.4	Provisions for the shipbuilding sector	176
5.4.5	Provisions for the agriculture sector	179
5.5	Safeguard clauses.....	182
6.	Enlargement – lessons and new challenges in State aid control	183

PART 2 THE CONCEPT OF STATE AID 187

Chapter 7 Introduction..... 187

1.	General context	187
2.	Specific sectors.....	188
2.1	Agriculture	189
2.2	Transport	189
2.3	Services of general economic interest	189
2.4	Coal and Steel.....	189
2.5	Nuclear energy.....	190
2.6	Defence	191
2.6.1	Commission Decisional Practice.....	193
2.6.2	Case law	195
3.	Interaction with other Treaty Provisions	197
4.	Territorial scope.....	197

Chapter 8	Notion of undertaking.....	201
1.	Concept of undertaking	201
2.	Legal status	201
3.	Social objectives and solidarity principle	204
4.	Exercise of public authority	206
5.	Purchasing activities and other market activities.....	208
6.	Infrastructure funding.....	208
Chapter 9	State resources and imputability	211
1.	State origin of the measure.....	211
2.	State resources.....	211
2.1	Notion of “Member State”	212
2.2	Notion of “State resources”	212
2.3	No State resources.....	214
2.4	Costs to the State	225
2.5	“In any form whatsoever”	228
2.6	Parafiscal taxes	229
2.7	Granting access to State-controlled resources or to a certain activity/market.....	238
3.	Imputability.....	246
3.1	Notion of imputability	246
3.2	The case law before Stardust Marine	246
3.3	Stardust Marine, the landmark case	248
3.4	The case law after Stardust Marine	252
3.4.1	Pearle	252
3.4.2	Deutsche Bahn	253
3.4.3	Ufex II	253
3.4.4	Olympiaki Aeroporia.....	254
3.4.5	SIC.....	254
3.4.6	Elliniki Nafpigokataskevastiki	254
3.4.7	Nitrogénművek Vegyipari.....	255
3.4.8	Doux Élevage.....	256
3.4.9	Commerz Nederland	257
3.4.10	Austria v Commission	258
3.5	Conclusion	259

Chapter 10	Selectivity	263
1.	General remarks	263
2.	Material selectivity	264
2.1	<i>De jure</i> and <i>de facto</i> selectivity	268
2.2	Selectivity stemming from discretionary administrative practices	272
2.3	The three-step test.....	274
2.3.1	Identification of the reference system	276
2.3.2	Derogation from the system of reference.....	278
2.3.3	Justification by the nature or general scheme of the system of reference	279
3.	Regional selectivity.....	281
3.1	The three scenarios of the distribution of competences.....	282
3.2	Asymmetrical devolution of powers – the autonomy test	284
3.2.1	Institutional autonomy	285
3.2.2	Procedural autonomy.....	286
3.2.3	Economic and financial autonomy	286
Chapter 11	Advantage	289
1.	The concept of advantage – general considerations.....	289
1.1	Introduction.....	290
1.2	The concept of advantage – general considerations	291
2.	Market economy operator principle	303
2.1	Neutrality principle and the State as economic actor	304
2.2	Comparable circumstances.....	307
2.3	Hindsight	312
2.4	Specific obligations and prerogatives of the State	313
2.5	The State as Investor – Capital injections, guarantees and loans	315
2.5.1	Introduction – profitability of the investment.....	315
2.5.2	Profitability of the investment or measure	316
2.5.3	Purely economic return	318
2.5.4	Repeated interventions /capital injections.....	321
2.5.5	Establishing compliance with market conditions: pari-passu transactions.....	323
2.5.6	Establishing compliance with market conditions: Benchmarking.....	325

2.5.7	Establishing compliance with market conditions: Other assessment methods	326
2.5.8	Establishing compliance with market conditions: Specific considerations to establish whether the terms for loans and guarantees are in line with market prices	329
2.6	The State as vendor or buyer - sale and purchase of assets, goods and services.....	331
2.6.1	Introduction	331
2.6.2	Sale of land and buildings	332
2.6.3	Privatisations.....	334
2.6.4	Summary of generally applicable considerations - establishing MEOP compliance through tenders and evaluations.....	338
2.7	The State as a creditor (Market Economy Creditor Principle)	341
3.	Indirect aid	345
3.1	Types of indirect aid in the Commission practice	346
3.2	Case law on indirect aid	348
3.3	The features of indirect aid	350
Chapter 12	Distortion of trade and competition	355
1.	Two very broad notions.....	355
2.	The duty to state reasons.....	358
3.	The case of “closed markets”	360
4.	Commission decisional practice	363
5.	Commission guidance	370
6.	Final remarks.....	371
Chapter 13	<i>De minimis</i>	375
1.	Introduction: Foundations of the “ <i>de minimis</i> ” rule	375
2.	The <i>de minimis</i> rule: standing on shaky grounds?	378
2.1	Coexistence of <i>de minimis</i> aid and aid not affecting trade	380
2.2	<i>De minimis</i> is generally policy neutral	383
3.	Substantive conditions.....	385
3.1	Exclusions from the scope of Regulation 1407/2013.....	385
3.1.1	Export aid.....	385

3.1.2	Sectorial exclusions.....	386
3.1.3	Agriculture and fisheries sectors	387
3.1.4	Transport sector	388
3.1.5	Undertakings active both in excluded and non-excluded sectors.....	389
3.2	Undertakings in difficulty make a come-back	390
3.3	The <i>de minimis</i> ceiling	392
3.4	Condition of transparency	394
3.4.1	Introduction.....	394
3.4.2	Grants and interest rate subsidies.....	395
3.4.3	Loans	395
3.4.4	Guarantees.....	397
3.4.5	Risk capital and capital injections	399
4.	Determination of the beneficiary of <i>de minimis</i> aid.....	400
4.1	Introducing the concept of single undertaking	400
4.2	Clarification as to the application of the ceiling per Member State.....	402
4.3	Direct links to a public administration	403
4.4	The reference period of three fiscal years	403
4.5	Treatment of mergers, acquisitions and splits of undertakings	404
5.	Cumulation of <i>de minimis</i> aid with State aids.....	405
6.	Prohibition of fractioning an aid amount into smaller <i>de minimis</i> aids	408
7.	Monitoring and transparency requirements	409
7.1	A choice between declarations and register is maintained.....	409
7.2	Sanctions in case of non-compliance	411
8.	Application in time of the <i>de minimis</i> rule.....	412
8.1	The determining moment of the grant.....	412
8.2	Transition period between 1 January 2014 and 1 July 2014.....	413
8.3	Retroactive application of <i>de minimis</i> regulations.....	413
9.	The use of <i>de minimis</i> in a recovery context	414
Chapter 14	Application to specific fields – fiscal aid.....	417
1.	Introduction.....	417
1.1	The Member States’ competence in the taxation field	417
1.2	Fiscal competition, aggressive tax planning and State aid rules.....	417

2.	The selectivity analysis	424
2.1	The three-step test.....	424
2.1.1	Identification of the reference system.....	425
2.1.2	Derogation from the system of reference.....	430
2.1.3	Justification by the nature or general scheme of the system of reference	437
Chapter 15	Application to specific instrument	
	– state guarantees	445
1.	Introduction.....	445
2.	Scope of the Notice	446
3.	Common difficulties in relation to guarantees	447
3.1	The evaluation has to be made ex-ante	447
3.2	There are numerous types of guarantees	448
3.3	The lack of traceability leads to suspicion.....	449
3.4	The treatment of guarantees constituting aid differs from those of other types of aid.....	449
4.	The beneficiary of aid	450
5.	Guarantees not constituting aid.....	450
5.1	Individual guarantees as non-aid	451
5.1.1	The standard situation	451
5.1.1.1	The borrower is not in financial difficulty.....	451
5.1.1.2	The extent of the guarantee can be properly measured when it is granted.....	452
5.1.1.3	The guarantee does not cover more than 80 per cent of each outstanding loan	452
5.1.1.4	A market-oriented price is paid for the guarantee	453
5.1.2	Specific case of SMEs	454
5.2	Guarantee schemes as non-aid	455
5.2.1	Standard situation	455
5.2.1.1	The scheme has to be self-financing.....	455
5.2.1.2	The adequacy of the level of premiums have to be reviewed annually.....	456
5.2.1.3	Premium coverage.....	456
5.2.1.4	Transparency.....	457
5.2.2	Specific case of schemes for SMEs.....	457

5.3	No automaticity	457
6.	Guarantees constituting aid	458
6.1	Aid element in individual guarantees	458
6.2	Aid element in guarantee schemes	459
7.	Unlimited guarantees.....	460
7.1	Definition.....	460
7.2	Provisions of the Notice regarding unlimited guarantees	460
7.3	Presence of aid in unlimited guarantees.....	461
7.3.1	Unlimited guarantees are likely to constitute an advantage	461
7.3.2	Unlimited guarantees cannot benefit from <i>de minimis</i>	461
7.4	The specific issue of implied unlimited guarantees.....	462
7.4.1	State resources.....	462
7.4.2	Advantage.....	463
7.4.3	Practical consequences for undertakings with a public law status	464
7.5	Conclusion as regards the presence of aid in unlimited guarantees and issue of the recovery	465
8.	Reporting.....	465
9.	Conclusion	466

BOOK TWO

PART 3 COMPATIBILITY RULES493

Chapter 16 General block exemption regulation493

1.	Introduction.....	493
2.	Role of the GBER.....	495
3.	Structure	495
4.	Common provisions.....	496
4.1	Scope	496
4.2	Notification thresholds.....	502
4.3	Transparency of aid	505
4.4	Incentive effect	506
4.5	Cumulation.....	508

4.6	Publication and information	510
5.	Monitoring.....	511
6.	Transitional provisions.....	513
7.	Specific provisions for different categories of aid	513
7.1	Aid to SMEs.....	513
7.1.1	Definition of SME.....	515
7.1.2	Common provisions.....	516
7.1.3	Investment aid to SMEs	516
7.1.4	Aid for consultancy in favour of SMEs	516
7.1.5	Aid to SMEs for participation in fairs.....	517
7.1.6	Aid for cooperation costs incurred by SMEs participating in European Territorial Cooperation projects	517
7.1.7	Broader categories.....	518
7.1.8	Additional “SME bonuses”	518
7.2	Training aid	519
7.2.1	Common provisions.....	520
7.2.2	The compatibility conditions for training aid	520
7.3	Aid for disadvantaged workers and for workers with disabilities.....	522
7.3.1	Common provisions.....	524
7.3.2	Definition of disadvantaged workers.....	524
7.3.3	Definition of workers with disabilities.....	525
7.3.4	Aid for the recruitment of disadvantaged workers in the form of wage subsidies	525
7.3.5	Aid for the employment of workers with disabilities in the form of wage subsidies	525
7.3.6	Aid for compensating the additional costs of employing workers with disabilities	526
7.3.7	Aid for compensating the costs of assistance provided to disadvantaged workers.....	526
7.4	New categories of aid	527
7.4.1	Aid to make good damages caused by natural disasters	527
7.4.1.1	Rationale behind the exemption	527
7.4.1.2	Legal basis.....	528
7.4.1.3	Derogations from the general compatibility conditions	528
7.4.1.4	Scope of the exemption and notification threshold	528

	7.4.1.5	Specific compatibility conditions	529
	7.4.1.6	Eligible costs.....	530
	7.4.1.7	Aid intensity	530
7.4.2		Social aid for transport of residents of remote regions	531
	7.4.2.1	Rationale behind the exemption	531
	7.4.2.2	Legal basis.....	531
	7.4.2.3	Derogations from the general compatibility conditions.....	531
	7.4.2.4	Scope of the exemption and notification threshold	531
	7.4.2.5	Specific compatibility conditions.....	532
	7.4.2.6	Eligible costs.....	533
7.4.3		Aid for culture and heritage conservation	533
	7.4.3.1	Rationale behind the exemption	533
	7.4.3.2	Scope of the exemption and notification threshold	534
	7.4.3.3	Derogations from the general compatibility conditions.....	535
	7.4.3.4	Aid Amount and aid intensity	536
	7.4.3.5	Eligible costs.....	536
7.4.4		Aid for sport and multifunctional infrastructures....	538
	7.4.4.1	The rationale behind the exemption.....	538
	7.4.4.2	Scope of the exemption and notification threshold	538
	7.4.4.3	Specific compatibility conditions.....	539
	7.4.4.4	Aid amount and Intensity.....	540
	7.4.4.5	Eligible costs.....	540
7.4.5		Aid for local infrastructures.....	541
	7.4.5.1	The rationale behind the exemption.....	541
	7.4.5.2	Scope of the exemption and notification threshold	541
	7.4.5.3	Specific compatibility conditions.....	542
	7.4.5.4	Aid amount and intensity	542
	7.4.5.5	Eligible expenses.....	543
8.		Final remarks.....	543

Chapter 17	Research, development and innovation.....	545
1.	Introduction.....	545
2.	Existence of State aid.....	548
2.1	Support of research organisations and research infrastructures	548
2.2	Support to undertakings through research organisations and research infrastructures.....	554
2.3	Public procurement of research and development services.....	556
3.	Compatibility assessment of State aid	557
3.1	Scope of the rules (GBER and R&D&I Framework).....	557
3.1.1	General principles and exclusions	558
3.1.2	Scope and definitions.....	562
3.2	Rule-based compatibility assessment (GBER)	565
3.2.1	Notification thresholds.....	567
3.2.2	Eligible costs.....	570
3.2.3	Aid intensities.....	571
3.3	Effect-based compatibility assessment (R&D&I Framework)....	574
3.3.1	Contribution to a well-defined objective.....	575
3.3.2	Need for State intervention	576
3.3.3	Appropriateness of the aid	578
3.3.4	Incentive effect	579
3.3.5	Proportionality.....	582
3.3.6	Avoidance of negative effects.....	588
3.3.7	Transparency.....	593
3.4	Evaluation, reporting and monitoring.....	594
4.	Conclusion	595
Chapter 18	Energy and environment.....	597
1.	Introduction.....	597
1.1	A rapidly evolving policy context.....	597
1.2	State aid modernisation as stimulus and framework to review State aid in the energy and environmental field	599
1.3	Towards a common State aid assessment across the EEAG	600
1.4	Simplification and focus on more distortive large State aid measures.....	602
1.4.1	GBER.....	602
1.4.2	Investment aid	603
1.4.3	Notification thresholds	604

2.	State aid in the context of the EU Emissions Trading Scheme (ETS)	604
2.1	State aid in the wider ETS context	604
2.2	The ETS State aid Guidelines and their application	606
2.2.1	Sector and subsector eligibility	606
2.2.2	Types of aid measures	609
2.2.2.1	Aid for indirect emission costs	609
2.2.2.2	Investment aid for highly efficient power plants	611
2.2.2.3	Aid involved in free allowances for the modernisation of electricity generation	612
2.2.2.4	Aid involved in the exclusion of small installations and hospitals from the EU ETS	613
2.2.3	Mid-term review clause	613
3.	Aid to RES and CHP	614
3.1	Introduction	614
3.2	Investment aid for RES	615
3.3	Operating aid for RES	615
3.4	Aid for biofuels and biomass	617
3.5	Aid for CHP	618
4.	Aid for 'traditional' environmental measures	619
4.1	Energy efficiency measures in buildings	619
4.2	Aid for energy efficient district heating and district cooling	620
4.3	Aid for waste management	621
5.	Aid to energy infrastructure	623
6.	Aid for generation adequacy	626
6.1	Policy context	626
6.2	EEAG provisions	627
6.3	Commission Decision on UK capacity market	630
7.	Aid for energy intensive users	631
7.1	Reductions in environmental taxes	631
7.2	Reductions from the funding of RES support	632
8.	Coal Decision 2010 - Aid for the closure of uncompetitive coal mines	635
8.1	The Council Decision	636
8.2	Monitoring of closure plans	637
9.	Nuclear energy	637

9.1	Links with the Euratom Treaty.....	637
9.2	Case practice	639
Chapter 19	Access to finance.....	641
1.	Introduction.....	641
1.1	The rules for risk capital aid in force before 1 July 2014	641
1.2	The review process in the context of State Aid Modernisation.....	643
2.	The new system of rules for access to finance aid	645
2.1	A new legal architecture	645
2.2	New notification requirements.....	646
3.	Existence of State aid.....	648
3.1	Aid to private investors.....	649
3.2	Aid to financial intermediaries and entrusted entities	650
3.3	Aid to the undertakings receiving the investment	653
4.	Rationale for State aid to enhance access to risk finance	653
4.1	Objective of common interest.....	653
4.2	Failures in business finance markets.....	655
5.	Demand-side measures: risk finance aid schemes.....	657
5.1	Eligible investees	658
5.1.1	Schemes falling under the new GBER.....	658
5.1.2	Notifiable schemes.....	662
5.2	Financial instruments: admissible forms of investments and financial parameters.....	663
5.2.1	Schemes falling under the new GBER.....	664
5.2.1.1	Minimum private investment ratios	664
5.2.1.2	Risk-sharing arrangements between the public and private investors	666
5.2.1.3	Pass-on of the aid to the final beneficiaries.....	667
5.2.2	Notifiable schemes.....	668
5.2.2.1	Schemes allowing for lower levels of private investor participation than required under the new GBER.....	668
5.2.2.2	Schemes providing private investors with a more favourable loss protection than allowed under the new GBER.....	669
5.3	Eligible financial intermediaries and funding structures.....	672
5.3.1	Schemes falling under the GBER.....	672

5.3.2	Notifiable schemes.....	674
5.4	Fiscal instruments: admissible incentives and financial parameters	676
5.4.1	Schemes falling under the new GBER	676
5.4.2	Notifiable schemes.....	677
6.	Start-up aid and supply-side measures	679
6.1	Start-up aid.....	679
6.2	Aid for alternative trading platforms	680
6.3	Aid for scouting costs.....	682
7.	Specific exceptions to general rules	683
7.1	Cumulation.....	683
7.2	Undertakings in difficulty.....	684
7.3	Publication requirements.....	684
7.4	Transitional and appropriate measures.....	685
7.5	The role of national development banks in implementing financial instruments	686
Chapter 20	Regional aid	689
1.	Introduction	689
2.	Context, challenges and objectives of the revision	691
2.1	Context	691
2.1.1	Economic context and coherence with Union cohesion policy.....	691
2.1.1.1	Economic context	691
2.1.1.2	Coherence with the Union's cohesion policy	691
2.1.2	Experience with regional aid rules during 2007-2013	692
2.2	Challenges and objectives of the revision	696
2.2.1	Ensuring effectiveness and efficiency of regional aid	696
2.2.2	Stricter treatment of large enterprises	697
2.2.3	Identifying the negative effects of regional aid	697
3.	Scope and architecture of regional aid rules.....	698
3.1	Sectoral scope	698
3.2	Geographical scope	701
3.2.1	Regional aid coverage and its distribution	702
3.2.2	Regional aid maps	704

3.2.3	Article 107(3)(a) of the Treaty	705
3.2.3.1	‘a’ areas	705
3.2.3.2	Aid ceilings	706
3.2.3.3	Mid-term review	707
3.2.4	Article 107(3)(c) of the Treaty	707
3.2.4.1	Predefined ‘c’ areas	707
3.2.4.2	Non-predefined ‘c’ areas	709
3.2.4.3	Aid ceilings and border regions	709
3.2.4.4	Mid-term review	710
3.3	Types of regional aid	710
3.3.1	Investment aid	711
3.3.1.1	Initial investment in ‘a’ areas	711
3.3.1.2	Initial investment in ‘c’ areas	712
3.3.1.3	‘Initial investment in favour of new economic activity’	713
3.3.1.4	‘Diversification of an existing establishment into new products’ and ‘new process innovations’	714
3.3.2	Operating aid	715
3.3.2.1	Operating aid in ‘a’ areas	715
3.3.2.2	Operating aid in outermost regions	715
3.3.2.3	Operating aid in sparsely populated areas	716
3.4	Architecture of the rules.....	716
3.4.1	Categories covered by the GBER	718
3.4.1.1	Regional investment aid schemes	718
3.4.1.2	Regional operating aid schemes	718
3.4.1.3	Individual investment aid.....	719
3.4.2	Aid categories falling under the RAG 2014	720
3.4.2.1	Regional investment aid schemes	720
3.4.2.2	Regional operating aid schemes	720
3.4.2.3	Individual investment aid	721
4.	Compatibility assessment of regional aid	721
4.1	Per se rules (GBER)	722
4.1.1	Investment aid (Article 15 of the GBER)	722
4.1.1.1	Contribution to a common objective (cohesion objective)	722
4.1.1.2	Incentive effect	723
4.1.1.3	Proportionality: aid intensities and eligible costs	723

4.1.2	Operating aid (Article 16 of the GBER)	724
4.2	Rule of reason (RAG 2014)	725
4.2.1	Investment aid schemes	726
4.2.1.1	Contribution to a common objective	727
4.2.1.2	Appropriateness	729
4.2.1.3	Incentive effect	729
4.2.1.4	Proportionality	730
4.2.1.5	Avoiding undue negative effects on competition and trade	731
4.2.1.6	Transparency.....	732
4.2.1.7	Evaluation	732
4.2.2	Operating aid schemes	733
4.2.2.1	Contribution to a common objective	733
4.2.2.2	Appropriateness	733
4.2.2.3	Incentive effect	733
4.2.2.4	Proportionality	734
4.2.2.5	Avoidance of undue negative effects	734
4.2.3	Individual aid	734
4.2.3.1	Contribution to a common objective	735
4.2.3.2	Appropriateness	735
4.2.3.3	Incentive effect: formal requirements	736
4.2.3.4	Incentive effect: counterfactual scenario....	737
4.2.3.5	Proportionality: maximum aid intensities used as cap	739
4.2.3.6	Proportionality: net extra cost approach ..	739
4.2.3.7	Avoidance of undue negative effects on competition and trade	740
4.2.3.8	Manifest negative effects	741
4.2.3.9	Negative effects: balancing test	741
Chapter 21	Rescue and restructuring	745
1.	Background	745
1.1	Economic rationale for the control of rescue and restructuring aid	745
1.2	Short history of the Commission's policy on aid to firms in difficulty.....	748
1.3	Adoption of the 2014 Guidelines	751

2.	General principles.....	754
2.1	Sectoral scope	754
2.2	Eligibility	757
2.3	The “one time, last time” principle	762
2.3.1	Grounds for the principle	762
2.3.2	Aid which triggers the “one time, last time principle”	763
2.3.3	Exceptions	765
2.3.4	Ownership issues	766
2.4	Objective of common interest.....	767
2.5	Transparency, reporting and monitoring.....	771
3.	Rescue aid	772
3.1	Concept and purpose of rescue aid	772
3.2	Appropriateness	772
3.3	Proportionality.....	774
4.	Temporary restructuring support	775
4.1	Concept and purpose of temporary restructuring support.....	775
4.2	Appropriateness	776
4.3	Proportionality.....	777
5.	Restructuring aid.....	777
5.1	Objective of common interest: restructuring plan and return to long-term viability	778
5.1.1	Content of the restructuring plan	778
5.1.2	Restructuring period	779
5.1.3	Restructuring measures.....	780
5.1.4	Return to viability and long-term viability.....	782
5.2	Need for State intervention and incentive effect	785
5.3	Appropriateness	786
5.4	Proportionality (aid limited to the minimum)	787
5.4.1	Own contribution	787
5.4.1.1	Form of own contribution	787
5.4.1.2	Comparable effect to aid granted.....	790
5.4.1.3	Amount of own contribution and restructuring costs.....	791
5.4.2	Burden-sharing.....	793
5.4.2.1	Absorption of losses and preventing cash outflow	794
5.4.2.2	Exceptions	795
5.4.2.3	Reasonable share of future gains for the State.....	795

5.5	Negative effects.....	795
5.5.1	Grounds for measures to limit distortions of competition.....	796
5.5.2	Extent of competition measures	796
5.5.3	Structural measures	799
5.5.4	Reductions in capacity or market presence	801
5.5.5	Behavioural measures.....	803
5.5.6	Market-opening measures.....	803
5.6	Implementation and amendment of restructuring plans.....	804
5.6.1	Implementation of the restructuring plan	804
5.6.2	Amendment of the restructuring plan	805
5.6.3	Aid granted during the restructuring period.....	806
6.	Special cases.....	807
6.1	SMEs	807
6.2	Services of general economic interest.....	808
6.3	Aid to cover the social costs of restructuring.....	811
Chapter 22	Export credit insurance	817
1.	Introduction.....	817
2.	General reflections on export aid	817
2.1	What is export-credit insurance?	819
2.2	The OECD Export Credit Agreement of 1976.....	819
2.3	Union legislation.....	821
2.4	Trade policy.....	821
3.	The Communication	823
3.1	Aid for insurers and exporters.....	825
3.2	Measures restoring fair competition	826
3.3	Temporarily non-marketable risks	826
3.4	Conditions for providing cover for temporarily non-marketable risks	827
4.	Commission's decisions on export credit insurance	828
4.1	Decisions under the Communication	828
4.1.1	Non-existence of comparable private coverage.....	830
4.1.2	Quality of State cover and underwriting principles	831
4.1.3	Adequate pricing.....	832
4.1.4	Transparency and reporting	833
4.1.5	Exemptions for Greece	833
4.1.6	Decisions regarding ECAs and their affiliates	833

4.2	Decisions under the 1997 Communication	834
4.3	Decisions on medium- and long-term export credit insurance	836
5.	Conclusion	837
Chapter 23	Broadband	839
1.	Introduction	839
2.	The broadband sector: market and technological developments	841
2.1	The Digital Agenda and State intervention in the broadband sector.....	841
2.2	Broadband technology	843
2.3	Competition in the broadband sector.....	848
2.3.1	High market concentration at network level.....	848
2.3.2	Infrastructure competition vs. service-based competition.....	848
3.	State aid control in the broadband sector	853
3.1	Presence of aid	854
3.1.1	The Market Economy Investor Principle	857
3.1.2	Services of general economic interest	860
3.2	Compatibility assessment in the broadband sector.....	863
3.2.1	General principles of compatibility in the broadband sector	863
3.2.2	The Broadband Guidelines.....	864
3.2.3	General Block Exemption Regulation (GBER) in broadband.....	866
3.3	Ex post monitoring.....	867
4.	Recent case practice	868
4.1	Rules for infrastructure.....	868
4.2	Compatibility	869
4.2.1	The scope for intervention.....	869
4.2.2	Common compatibility issues	872
4.2.2.1	Competitive selection procedure	872
4.2.2.2	Definition of NGA	874
4.2.2.3	Technological neutrality.....	874
4.2.2.4	Open and effective access.....	875
4.2.2.5	Ultra-fast broadband networks	877
4.2.2.6	Existing infrastructure	878
4.2.2.7	Claw-back.....	878
4.2.2.8	Transparency.....	878

	4.2.2.9	Role of NRAs	879
	4.2.2.10	SGEIs outside Altmark.....	879
Chapter 24	Broadcasting		881
1.	Introduction.....		881
2.	The development of the Commission's policy approach		882
	2.1	The early decisional practice of the Commission.....	882
	2.2	Development of a general legal framework	884
	2.3	The 2009 Broadcasting Communication.....	887
3.	The assessment of State aid to public broadcasters		889
	3.1	The State aid quality of compensation payments for public service obligations	889
	3.1.1	General considerations	889
	3.1.2	State aid qualification of the different funding mechanisms	892
	3.1.3	Qualification as new or existing aid	896
	3.2	Compatibility of aid to public service broadcasting under the 2009 Broadcasting Communication.....	898
	3.2.1	Definition of the public service remit	899
	3.2.1.1	General considerations	899
	3.2.1.2	Elements of the remit.....	900
	3.2.1.3	Inclusion of new services into the public service remit (the so-called <i>ex-ante</i> or Amsterdam test)	904
	3.2.2	Entrustment	907
	3.2.3	Supervision of the public service mission.....	908
	3.2.4	Proportionality.....	909
	3.2.4.1	Determination of the net public service costs	910
	3.2.4.2	Financial control and avoidance of overcompensation.....	912
	3.2.4.3	Other possible market distortions due to the State funding.....	916
4.	Outlook.....		917

Chapter 25	Culture and sport	921
1.	Introduction.....	921
2.	State aid and culture	921
2.1	Application of Article 107(1) of the Treaty to culture	921
2.1.1	Economic activities.....	921
2.1.2	Effect on trade	925
2.2	The notion of culture in the Treaty and the scope of Article 107(3) (d) of the Treaty	927
2.2.1	The control of the cultural content of audio-visual products	929
2.2.2	The promotion of culture by video games	931
2.2.3	The promotion of languages under Article 107(3)(d) of the Treaty	932
2.2.4	Other cases	933
2.3	Compatibility of State aid to promote culture	935
2.3.1	The general rules on aid for culture and heritage conservation	936
2.3.2	Compatibility of aid to audio-visual production.....	937
2.3.2.1	Scope of the Cinema Communication	938
2.3.2.2	The general legality principle	940
2.3.2.3	Aid intensity	941
2.3.2.4	Aid supplements.....	941
2.4	Conclusion.....	942
3.	State aid and the sports sector	942
3.1	The application of Article 107(1) of the Treaty to the sport sector	942
3.2	Compatibility of State aid to sport infrastructure	946
3.2.1	Sport infrastructure aid under the General Block Exemption Regulation	947
3.2.2	The Commission's decisional practice on the compatibility of aid to the construction and use of sport infrastructure	948
3.3	State aid to professional sport clubs.....	950
3.4	Conclusions	951

Chapter 26	Aviation.....	953
1.	Introduction.....	953
2.	Market and policy developments.....	954
2.1	The European aviation sector: history and recent trends.....	954
2.1.1	The liberalisation of the air transport sector.....	954
2.1.2	Summary of developments in the airport industry....	955
2.2	State aid policy in the aviation sector.....	956
2.2.1	The 1994 and 2005 guidelines.....	957
2.2.2	Need for review of the 1994 and 2005 Guidelines....	958
3.	The 2014 Aviation Guidelines.....	960
3.1	Overview – integration in SAM.....	960
3.2	Scope of the guidelines.....	963
3.3	Application in time.....	964
3.4	Sector-specific guidance on the presence of State aid.....	965
3.4.1	Notion of undertaking.....	965
3.4.2	Effect on competition and trade.....	968
3.4.3	Advantage.....	968
3.4.3.1	Public financing of airports.....	968
3.4.3.2	Airport-airline arrangements.....	969
3.4.3.3	Application of the incremental profitability test.....	972
3.4.3.4	Conclusion.....	973
3.5	Interplay with other horizontal rules.....	974
3.5.1	SGEI.....	974
3.5.1.1	Scope of SGEI.....	974
3.5.1.2	Compatibility of SGEI compensation.....	978
3.5.2	General Block Exemption Regulation (GBER).....	979
3.5.3	Rescue and restructuring.....	980
3.5.4	Regional aid.....	982
3.5.5	Other horizontal rules.....	983
3.6	Aid to airports.....	983
3.6.1	Investment aid to airports.....	983
3.6.1.1	Contribution to a well-defined objective of common interest.....	984
3.6.1.2	Need for State intervention.....	987
3.6.1.3	Appropriateness of State aid as a policy instrument.....	988
3.6.1.4	Existence of an incentive effect and proportionality of the aid amount.....	989

	3.6.1.5	Avoidance of undue negative effects on competition and trade.....	995
	3.6.1.6	Notification of schemes and individual measures.....	996
3.6.2		Operating aid to airports.....	997
	3.6.2.1	Contribution to a well-defined objective of common interest.....	1000
	3.6.2.2	Need for State intervention.....	1001
	3.6.2.3	Appropriateness of State aid as a policy instrument, presence of an incentive effect and proportionality.....	1002
	3.6.2.4	Avoidance of undue negative effects on competition and trade.....	1005
	3.6.2.5	Notification of schemes and individual measures.....	1006
3.7		Aid to airlines.....	1007
	3.7.1	Link between aid to airport and aid to airlines.....	1007
	3.7.2	Start-up aid to airlines.....	1008
	3.7.2.1	Contribution to a well-defined objective of common interest.....	1009
	3.7.2.2	Need for State intervention.....	1010
	3.7.2.3	Appropriateness of State aid as policy instrument.....	1011
	3.7.2.4	Presence of an incentive effect.....	1011
	3.7.2.5	Proportionality.....	1011
	3.7.2.6	Avoidance of undue negative effects on competition and trade.....	1012
	3.7.2.7	Notification of schemes and individual measures.....	1012
3.8		Aid of a social character.....	1013
4.		Conclusion.....	1014
Chapter 27		Ports and maritime transport.....	1017
1.		Ports.....	1017
	1.1	Introduction.....	1017
	1.2	The State aid policy in the port sector.....	1018
	1.2.1	Background legislation and early Commission Decisions.....	1018

	1.2.2	After Leipzig Halle	1020
1.3		Investment aid to ports: compatibility assessment	1027
	1.3.1	Seaports.....	1028
	1.3.2	Inland ports and intermodal platforms.....	1031
1.4		Conclusions	1033
2.		Maritime Transport	1033
2.1		Competition in maritime transport: roots of the tonnage tax regime	1033
2.2		Maritime Guidelines	1035
	2.2.1	Tonnage tax.....	1037
		2.2.1.1 Qualified beneficiaries	1038
		2.2.1.2 Flag requirement.....	1041
		2.2.1.3 Qualified activities.....	1041
		2.2.1.4 Non-qualified activities	1044
		2.2.1.5 Ring fencing measures.....	1046
	2.2.2	Labour related costs.....	1047
	2.2.3	Training aid	1048
	2.2.4	Short sea shipping.....	1049
	2.2.5	Investment aid	1051
	2.2.6	Aid ceiling	1051
	2.2.7	Restructuring aid	1052
	2.2.8	Public service obligations.....	1053
3.		Conclusions.....	1055
 Chapter 28 Land transport			1057
1.		Introduction.....	1057
2.		Liberalisation of the land transport sector	1059
	2.1	Road transport.....	1060
	2.2	Railway transport.....	1061
	2.3	Inland waterway transport.....	1064
	2.4	Combined transport	1064
3.		Coordination of transport	1065
	3.1	What does coordination of transport entail?.....	1065
	3.2	What forms of aid?.....	1066
	3.3	Compatibility under Article 93 of the Treaty.....	1073
		3.3.1 Aid which may be compatible with the internal market.....	1073

3.3.2	The aid must contribute to an objective of common interest	1074
3.3.3	The aid must be necessary and have an incentive effect.....	1075
3.3.4	The aid must be proportionate.....	1076
3.3.5	The aid/aided activity must be open to all users on a non-discriminatory basis.....	1077
3.3.6	The aid must not lead to distortions of competition contrary to the common interest.....	1077
3.4	Compatibility under the Railway Guidelines.....	1078
3.4.1	Scope of the Guidelines.....	1078
3.4.2	Aid for infrastructure use, reducing external costs and interoperability	1079
3.4.3	Aid for research and development	1080
3.4.4	Other forms of transport coordination aid	1081
3.5	Compatibility under the Cableways Communication	1081
4.	Public service obligations	1083
4.1	When is aid present: the Altmark criteria	1083
4.2	Compatibility under the ancien régime: Regulation (EEC) No 1191/69	1085
4.3	Compatibility under Regulation (EC) No 1370/2007.....	1087
4.3.1	Introduction.....	1087
4.3.2	Scope of application	1088
4.3.3	Public service contracts and general rules (Article 3)	1089
4.3.4	Mandatory requirements (Article 4)	1090
4.3.5	Award rules (Article 5)	1094
4.3.6	Compensation rules (Article 6 and the Annex)	1098
4.3.7	Publication and transparency (Article 7).....	1099
4.3.8	Transitional provisions (Article 8)	1100
4.3.9	Compatibility with the Treaty (Article 9).....	1100
4.3.10	Application in time.....	1101
4.4	Compatibility under Article 93 of the Treaty.....	1104
4.4.1	Is Regulation (EC) No 1370/2007 exhaustive?.....	1104
4.4.2	Residual categories of public service compensation for land transport	1106
5.	Residual categories of aid to the land transport sector.....	1107
5.1	Introduction.....	1107
5.2	Road transport.....	1107
5.3	Railway transport.....	1112

5.4	Inland waterway transport.....	1117
5.5	Combined transport	1118
5.6	Short sea shipping.....	1119
6.	Conclusion	1121
Chapter 29	Banking.....	1123
1.	Introduction.....	1123
2.	Scope of the Crisis Communications	1127
3.	Instrument-specific rules	1128
3.1	Liquidity support.....	1128
3.1.1	State guarantees.....	1128
3.1.2	Direct lending by the State and other types of liquidity support	1130
3.1.3	Provision of liquidity by central banks	1130
3.2	Capital support	1132
3.2.1	Ordinary shares - equity	1132
3.2.2	Hybrid capital instruments.....	1132
3.3	Impaired asset measures.....	1133
4.	Rescue and restructuring aid	1136
4.1	Rescue and restructuring aid in the Crisis Communications.	1136
4.2	Rescue and restructuring pursuant to the 2013 Banking Communication	1137
4.2.1	Introduction	1137
4.2.2	Safeguards and incentives to limit restructuring aid to the minimum necessary	1139
4.2.3	Pre-notification and capital-raising.....	1140
4.2.4	Obligation to restructure and notification of a restructuring plan.....	1141
4.2.5	Rescue recapitalisations in exceptional circumstances.....	1142
4.3	Schemes	1143
4.3.1	Recapitalisation schemes for small institutions	1143
4.3.2	Schemes for guarantees and liquidity support	1144
5.	Compatibility assessment in individual restructuring, resolution and liquidation cases	1144
5.1	Introduction.....	1144
5.2	Restoration of long-term viability.....	1145
5.3	Limiting aid to the minimum necessary / burden-sharing	1149

5.3.1	Limitation of the restructuring costs to the minimum	1149
5.3.2	Own contribution by the aid beneficiary.....	1150
5.3.3	Burden-sharing by shareholders and subordinated debt holders	1151
5.4.	Measures limiting distortion of competition.....	1154
5.4.1	Introduction	1154
5.4.2	Types of competition measures	1156
5.4.3	Calibration of competition measures	1157
5.4.	Compatibility assessment of liquidation aid	1160
5.4.1	Applying the compatibility conditions mutatis mutandis	1160
5.4.2	Aid to the buyer and to the (sold) economic activity	1162
5.4.3	Compatibility assessment of aid to the sold entity.....	1164
5.4.4	Schemes.....	1165
6.	Monitoring.....	1166
7.	State aid rules and the Banking Union – overview and outlook	1167
7.1	Possibility to grant State aid after 1 January 2015 (within and outside resolution)	1168
7.1.1	Aid to banks in difficulty outside resolution	1168
7.1.2	Aid to banks in difficulty within resolution.....	1172
7.2.	Interplay between State aid rules and BRRD/SRM	1173
7.2.1	Procedure	1173
7.2.2	State aid in resolution – practical relevance of State aid control	1174
7.2.3	The BRRD’s provisions on bail-in and conversion of capital instruments and the burden-sharing regime of State aid control.....	1175
8.	Conclusion	1176
Chapter 30	Important projects of common European interest	1179
1.	Introduction.....	1179
1.1	Past decisional practice	1180
1.2	Reasons for a Communication on IPCEI	1181

1.3	Relation between the IPCEI Communication and other Guidelines.....	1183
2.	Eligible projects	1184
2.1	Common European interest	1185
2.1.1	General cumulative criteria.....	1185
2.1.2	Minimum number of Member States participating in the IPCEI.....	1187
2.1.3	General positive indicators	1189
2.1.4	Specific criteria for R&D&I projects.....	1189
2.2	Importance of the project	1190
3.	Compatibility criteria	1191
3.1	Necessity and proportionality of the aid	1192
3.1.1	The counterfactual.....	1192
3.1.2	The funding gap approach	1193
3.1.3	Matching clause.....	1194
4.	Some procedural issues specific to IPCEIs	1195
5.	Conclusion	1197
Chapter 31	Agriculture and forestry	1199
1.	Treaty provisions on State aid in the agricultural sector.....	1199
2.	The Common Agricultural Policy and State aid	1201
2.1	State aid in the pre-2014 CAP	1201
2.2	State aid and the 2014-2020 CAP	1204
3.	Forestry sector and State aid.....	1207
4.	<i>De minimis</i> rules in the agricultural and forestry sectors	1208
5.	Compatibility rules in the agriculture and forestry sectors: the ABER and the Agricultural State aid guidelines 2014-2020.....	1209
5.1	Measures covered by the State aid instruments in the agriculture and forestry sectors	1209
5.2	The ABER	1211
5.3	The Agricultural State aid guidelines.....	1212
5.4	Application of the common compatibility principles in the agricultural and forestry sectors	1213
5.5	Overview of the specific compatibility rules applicable to measures in the agricultural and forestry sectors.....	1215

5.5.1	Aid in favour of undertakings active in the primary production, processing and marketing of agricultural products	1216
5.5.2	Aid for the forestry sector	1218
5.5.3	Aid in rural areas co-financed by the EAFRD or granted as additional national financing to such co-financed measures	1219
Chapter 32	Fisheries	1221
1.	Introduction.....	1221
2.	The Common Fisheries Policy	1222
2.1	Introduction.....	1222
2.2	The European Maritime and Fishery Fund	1224
3.	The applicability of Articles 107-109 of the Treaty in the fishery and aquaculture sector	1225
4.	The Fishery and Aquaculture <i>de minimis</i> Regulation.....	1228
4.1	Introduction.....	1228
4.2	Scope of the Fishery and Aquaculture <i>de minimis</i> Regulation	1230
4.3	The notion of <i>de minimis</i> aid	1232
4.4	Further provisions	1234
4.4.1	Calculation of gross grant equivalent (Article 4)....	1234
4.4.2	Cumulation (Article 5).....	1234
4.4.3	Monitoring (Article 6).....	1235
4.4.4	Transitional provisions and entry into force (Article 7)	1235
5.	The Fishery Block Exemption Regulation (the FIBER).....	1236
5.1	General.....	1236
5.2	Chapter I – Common provisions	1237
5.3	Chapter II - Monitoring.....	1240
5.4	Chapter III – Specific provisions for different categories of aid	1241
5.4.1	Aid for activities that may be supported by the EMFF	1241
5.4.1.1	Sustainable development of fisheries (Section 1)	1242
5.4.1.2	Sustainable development of aquaculture (Section 2).....	1244

	5.4.1.3	Market and processing related measures (Section 3)	1245
	5.4.1.4	Other categories of aid (Section 4)	1245
	5.4.2	Article 45	1246
	5.5	Chapter IV Final provisions	1247
6.		The Guidelines for the examination of State aid to the fishery and aquaculture sector	1247
	6.1	Introduction.....	1247
	6.2	Outline of the Fishery and Aquaculture Guidelines	1248
	6.3	Aid that shall be compatible with the internal market.....	1250
	6.4	Aid that may be compatible with the internal market	1251
	6.4.1	Aid for categories of measures covered by a block exemption regulation.....	1252
	6.4.2	Aid falling within the scope of certain horizontal guidelines.....	1252
	6.4.3	Aid to make good the damage caused by adverse climatic events	1252
	6.4.4	Aid for the prevention, control and eradication of animal diseases in aquaculture	1253
	6.4.5	Aid financed through parafiscal charges	1254
	6.4.6	Operating aid in outermost regions.....	1255
	6.4.7	Aid for other measures.....	1255
	6.5	Procedural matters (Section 6)	1255
Part 4 – SGEI.....			1257
Chapter 33 Altmark and the Communication			1257
1.		Background	1257
	1.1	The nature of public services and their recognition in the Treaties.....	1257
	1.1.1	Article 106(2) of the Treaty.....	1258
	1.1.2	Other relevant Treaty provisions.....	1260
	1.2	The case law before Altmark.....	1262
2.		The Altmark judgment and the SGEI packages	1264
	2.1	Facts and procedure.....	1264
	2.2	The four conditions	1265
	2.3	Scope and implications of the Altmark judgment	1268

2.4	Outline of the 2005 (“Monti-Kroes”) SGEI package.....	1269
2.5	Outline of the 2011/12 (“Almunia”) SGEI package.....	1270
3.	The Altmark conditions.....	1273
3.1	First Altmark condition: entrustment with a clearly defined public service obligation.....	1273
3.1.1	Definition of a SGEI.....	1274
3.1.2	Limits when defining the SGEI.....	1279
3.1.2.1	Public services subject to Union legislation.....	1280
3.1.2.2	Market failure	1283
3.1.2.3	Universal and compulsory nature of the SGEI	1284
3.1.3	Entrustment.....	1285
3.2	Second Altmark condition: parameters established in advance.....	1289
3.3	Third Altmark condition: Absence of overcompensation	1292
3.4	Fourth Altmark condition: Tender or efficiency of costs.....	1295
3.4.1	Level of compensation is the outcome of a public procurement procedure.....	1296
3.4.2	Level of compensation is determined on the basis of the costs incurred by an efficient undertaking.....	1301
4.	The SGEI <i>de minimis</i> regulation	1306
4.1	SGEI specificities	1306
4.2	Differences resulting from the amendments to the general <i>de minimis</i> regulation.....	1306
4.3	Similarities between the <i>de minimis</i> regulations.....	1307
Chapter 34	Compatibility – Part 1: the Exemption Decision ...	1309
1.	Introduction.....	1309
2.	Subject-matter and scope	1310
2.1	Material scope.....	1310
2.1.1	Exemption based on the limited amount of aid involved	1311
2.1.2	Exemption based on the sector concerned.....	1313
2.1.3	Temporal limitation of the entrustment.....	1316
2.2	Temporal Scope.....	1318
3.	Compatibility criteria	1318

3.1	Entrustment	1318
3.2	Compensation	1320
3.3	Control of overcompensation	1323
3.4	Transparency	1324
4.	Availability of information and reporting.....	1325
4.1	Availability of information	1325
4.2	Reporting.....	1326
Chapter 35	Compatibility – Part 2: the Framework	1327
1.	Introduction.....	1327
2.	Scope of the 2011 SGEI Framework	1328
2.1	Material scope.....	1328
2.2	Temporal scope.....	1331
2.3	Relationship to rules on SGEI in sectoral guidelines.....	1333
2.3.1	Aviation Guidelines.....	1334
2.3.2	Maritime Guidelines	1335
2.3.3	Third Postal Directive.....	1336
2.3.4	Unfair burden	1339
2.3.4.1	Conditions related to cost sharing mechanisms.....	1339
2.3.4.2	Public procurement	1340
2.3.5	Conclusion.....	1341
3.	Compatibility conditions under the 2011 SGEI Framework	1342
3.1	Genuine service of general economic interest	1342
3.2	Entrustment	1343
3.3	Duration of the entrustment	1344
3.4	Compliance with Directive 2006/111	1345
3.5	Compliance with Union public procurement rules	1346
3.6	Absence of discrimination	1350
3.7	Amount of compensation	1353
3.7.1	Multi-annual <i>ex ante</i> approach	1353
3.7.2	Net avoided cost methodology.....	1355
3.7.2.1	Definition of the counterfactual scenario	1358
3.7.2.2	Estimation of the profit of the operator under the counter-factual scenario with the profitability cost approach.....	1363

	3.7.2.3	Calculation of the net cost of the SGEI under the profitability cost approach	1363
	3.7.3	Methodology based on cost allocation	1365
	3.7.4	Relevant revenues	1369
	3.7.5	Reasonable profit	1370
	3.7.5.1	Reasonable profit under the cost allocation methodology in the 2011 SGEI Framework	1370
	3.7.5.2	Reasonable profit and net avoided cost methodology (profitability cost approach)	1375
	3.7.6	Efficiency incentives	1376
	3.7.7	Overcompensation	1381
	3.8	Additional requirements	1381
	3.9	Transparency	1384
	3.10	Reporting and Evaluation	1385
Part 5 – Procedures			1387
Chapter 36	Introduction.....		1387
1.	The 2005 State Aid Action Plan		1389
2.	The 2012 State Aid Modernisation.....		1389
Chapter 37	Definitions		1393
1.	Brief remarks on the concept of “aid”		1393
2.	The definition of existing aid.....		1394
2.1	Aid preceding the Treaty.....		1395
2.2	Compatible aid.....		1402
2.3	Aid notified and approved by lack of action by the Commission.....		1402
2.4	Aid in respect of which the period for recovery has lapsed.....		1403
2.5	Measures which have become aid due to the evolution of the internal market.....		1404
3.	The concept of new aid.....		1407

4.	Aid scheme and individual aid	1407
5.	Unlawful aid.....	1409
6.	Misused aid.....	1409
Chapter 38	Procedure before the Commission	1411
1.	Review of notified aid	1411
1.1	Requirement to notify	1411
1.2	Stand still obligation	1416
1.3	Exemption from the obligation to notify	1418
1.4	Simplified notification and the Notice on Simplified Procedure.....	1420
1.5	Complete notifications.....	1423
1.5.1	Information required	1423
1.5.2	Request for information.....	1425
1.5.3	Notification withdrawn	1425
1.5.4	Notification to be considered as complete	1425
1.6	Preliminary examination and decision.....	1426
1.6.1	Member States' commitments in the preliminary examination	1428
1.6.2	Decision to initiate the formal investigation procedure	1429
1.7	Formal investigation and decision.....	1431
1.7.1	The role of the Member State granting the aid.....	1435
1.7.2	Request for information made to other sources.....	1439
1.7.3	The use of external experts by the Commission	1444
1.7.4	Extension of the formal investigation.....	1445
1.7.5	Positive decision after the formal investigation	1446
1.7.6	Conditional decision after the formal investigation	1447
1.7.7	Negative decision after the formal investigation	1449
1.7.8	Notification and publications of decision after the formal investigation	1449
1.7.9	Duration of the formal investigation.....	1450
1.8	Revocation of a decision.....	1452
2.	Review of unlawful aid	1453
2.1	Examination of complaints by the Commission.....	1455
2.2	Preliminary investigation of unlawful aid.....	1460
2.3	Formal investigation of unlawful aid	1461

3.	Applicable rules <i>ratione temporis</i>	1462
4.	Interim measures	1464
4.1	Information injunctions	1464
4.2	Suspension injunction.....	1469
4.3	Recovery injunction	1471
5.	Control of misused aid	1472
6.	Review of existing aid.....	1473
7.	Investigation into sectors of the economy and into aid instruments	1477
8.	Annual reports and on-site monitoring	1478
9.	The role of third parties	1480
9.1	Third parties' comments on the opening decision	1481
9.2	Complainants	1485
9.3	Addressees of request for information.....	1486
9.4	Third parties' access to documents in State aid procedures	1487
 Chapter 39 Role of the national courts		1489
1.	The direct applicability of Article 108(3) of the Treaty.....	1489
2.	The interpretation of the concept of "State aid" by the national courts	1492
3.	Recovery of aid by national courts	1495
4.	Non-contractual liability of the Member State and other remedies .	1505
5.	Member State liability for infringement of the State aid rules committed by the national courts.....	1508
 Chapter 40 Recovery of unlawful and incompatible aid.....		1511
1.	The execution of the recovery decision by the national authorities ..	1514
2.	The content of the recovery decision	1520
3.	The direct effect of the decision	1526
4.	The parties affected by the recovery order	1526
5.	Legal limits to the enforcement of a recovery decision.....	1537
5.1	Proportionality, nature and reasoning of the recovery order..	1538
5.2	Absolute impossibility	1539
5.3	Legitimate expectation, legal certainty and rights of the defence and good administration	1543
5.3.1	Legitimate expectation	1543
5.3.2	Legal certainty	1554

5.3.3	Rights of defence.....	1557
5.3.4	Good administration	1558
5.3.5	Limitation period to order recovery	1559
Chapter 41	Role of the Council.....	1561
Chapter 42	Challenges to Commission decisions	1567
1.	Introduction.....	1567
1.1	Action against a regulatory act which is of direct concern to the applicant and does not entail implementing measure	1569
1.2	Legal Interest	1574
2.	Challenges to positive decisions adopted at the end of the preliminary investigation.....	1577
3.	Challenges to decisions initiating the formal investigation	1579
4.	Challenges to final decisions.....	1582
5.	Challenges to decision concerning aid schemes	1589
6.	Actions for failure to act.....	1593
7.	Challenges against Commission guidelines	1595
