## Introduction

### Chapter 1

#### The main invertebrate groups

- 1 Protozoa
- 5 Porifera
- 8 Coelenterata
- 14 Ctenophora
- 16 Platyhelminthes
- 20 Mesozoa
- 22 Nemertinea
- 23 Aschelminthes
- 24 *Rotifera*
- 26 *Gastrotricha*
- 28 *Kinorhyncha*
- 29 *Nematoda*
- 31 *Nematomorpha*
- 32 *Acanthocephala*
- 33 *Priapulida*
- 34 Entoprocta
- 34 Bryozoa
- 39 Phoronida
- 40 Brachiopoda
- 42 Sipuncula
- 43 Echiura
- 46 Annelida
- 51 Pogonophora
- 53 Arthropoda
- 54 *Onychophora*
- 56 *Myriapoda*
- 58 *Crustacea*
- 64 *Xiphosura*
- 65 *Arachnida*
- 69 *Pycnogonida*
- 69 Tardigrada
- 71 Pentastomida

|    |                        |
|----|------------------------|
| 71 | Mollusca               |
| 79 | Chaetognatha           |
| 79 | Echinodermata          |
| 84 | Hemichordata           |
| 86 | Chordata               |
| 87 | <i>Urochordata</i>     |
| 88 | <i>Cephalochordata</i> |

## Chapter 2

### Collecting methods and apparatus

|     |                               |
|-----|-------------------------------|
| 90  | General requirements          |
| 91  | Free-living animals           |
| 91  | Terrestrial habitats          |
| 96  | Marine habitats               |
| 96  | <i>intertidal microfauna</i>  |
| 98  | <i>meiobenthic fauna</i>      |
| 102 | <i>subtidal benthic fauna</i> |
| 110 | <i>plankton</i>               |
| 114 | Freshwater habitats           |
| 116 | Parasitic animals             |
| 116 | External parasites            |
| 119 | Internal parasites            |
| 121 | References                    |

## Chapter 3

### Killing, fixing and preserving

|     |                  |
|-----|------------------|
| 123 | Anaesthetization |
| 126 | Fixation         |
| 133 | Preservation     |
| 137 | References       |

## Chapter 4

### General treatment of collections

|     |                                     |
|-----|-------------------------------------|
| 138 | Labelling                           |
| 142 | Labelling procedure and materials   |
| 143 | Packing                             |
| 144 | Dispatch of specimens from overseas |
| 145 | <b>Index</b>                        |
