In 1977, Muddy Waters released his triumphant comeback album, *Hard Again*. The first collaboration between Muddy Waters, Johnny Winter, and James Cotton, the album revitalized modern blues, introducing Muddy Waters to a new generation and featuring a band of celebrated players that has yet to be duplicated. In support of this Grammy® Award winning album, a concert tour was launched in March of 1977 and featured the same illustrious line-up that recorded *Hard Again*: Muddy Waters, Johnny Winter, James Cotton, Pinetop Perkins, Bob Margolin, Willie "Big Eyes" Smith, and Charles Calmese. The tour would become the stuff of legend. The never-before-heard *Breakin' It Up, Breakin' It Down* captures this historic tour at the height of its intensity and features some of the greatest live material ever recorded from Muddy Waters' legendary career.

1. Black Cat Bone/Dust My Broom
2. Can't Be Satisfied
