

## TABLE OF CONTENTS

Foreword .....	5
Introduction .....	6
<b>1 Are job candidates prepared for practice? .....</b>	<b>9</b>
1.1 <i>Student's performance versus managerial competences</i> .....	9
1.2 <i>Objectives of the research</i> .....	11
<b>2 Problem-solving competence.....</b>	<b>13</b>
2.1 <i>Obtaining source data</i> .....	13
2.2 <i>Arguments for selecting the problem-solving competence</i> .....	14
2.3 <i>Creating the main metrics for measuring problem-solving</i> .....	17
2.3.1 <i>System analysis and design</i> .....	19
2.3.2 <i>Troubleshooting</i> .....	22
2.3.3 <i>Decision making</i> .....	24
2.4 <i>Characteristics of the selected sample</i> .....	27
2.4.1 <i>Primary research sample</i> .....	27
<b>3 Competences in education .....</b>	<b>28</b>
3.1 <i>Definition of the term "competence"</i> .....	28
3.2 <i>The competence approach to education</i> .....	29
3.2.1 <i>Development of competences in education</i> .....	32
3.2.2 <i>The need for student performance evaluation</i> .....	34
3.3 <i>Definition of key terms</i> .....	39
<b>4 Evaluation of managerial competences in education.....</b>	<b>42</b>
4.1 <i>Results of the primary research</i> .....	42
4.1.1 <i>Analysis of the relationship between study performance and the                 problem-solving management competence</i> .....	43
4.1.2 <i>Comparing students with the best and worst average in the given                 set</i> .....	51
4.1.3 <i>Design of a model for assessing study performance</i> .....	52
4.2 <i>Discussion</i> .....	54
4.2.1 <i>Theoretical and practical benefits of the research</i> .....	57
4.2.2 <i>Limitations of the research and recommendations for the future</i> ..	59
<b>5 Conclusion .....</b>	<b>61</b>

List of figures and tables.....	64
Index .....	65
References .....	66
ABSTRACT .....	71
ABSTRAKT .....	72
