New ideas

Dedicated to my wise and loving teacher, the late Enid Oughtibridge, with whom I completed my Grade 8 back in 1991. Also to all the students who have studied advanced piano with me over several decades. You have all guided me enormously in the writing of this book. Thank you for your inspiration, dedication and for making my job as a teacher such a joy.

Special mention must be given to the following friends and colleagues for their support and help in writing these books: Kathryn Page, David Barton, Andrew Eales, Gareth Green, Heather Hammond, Rowan Cozens, Penny Stirling and Gily Poznansky. Huge thanks also to my family, my husband Adam, son Jacob and two daughters, Anna and Naomi. All have played their part in scanning proofs, commenting on piece selection and giving me the time and support to get the work done!
