

An enchanting musical performance, set beneath the stars in the breathtaking Moorish heart of medieval Spain. Captured in concert in September 2006, singer/composer Loreena McKennitt leads viewers through the multi-textured landscapes of her catalogue, from traditional Celtic ballads to literary narratives and highlights from her recording *An Ancient Muse*.

Filmed in rich HDTV, *Nights from the Alhambra* evokes the otherworldly magic of Granada's palace of dreams, the fiery and inspired performances of a stellar cast of supporting musicians and, of course, the unforgettable voice and songs of Loreena McKennitt herself.
