ADDENDA ET CORRIGENDA	29
-----------------------------	----

Processing method of the *Old Church Slavonic Dictionary (Slovník jazyka staroslověnského / Lexicon linguae palaeoslovenicae) V. – Addenda et corrigenda* follows that of the *Old Church Slavonic Dictionary (Slovník jazyka staroslověnského / Lexicon linguae palaeoslovenicae*, hereafter SJS), Prague, vol. I: 1966, vol. II: 1973, vol. III: 1983, vol IV: 1997). It is based on a complete Old Church Slavonic card index that was only partially covered in the SJS. The aim of the *Old Church Slavonic Dictionary (Lexicon linguae palaeoslovenicae) V. – Addenda et corrigenda* is to assemble addenda to the existing entries and corrections of the first volume of the SJS and create new entries based on new excerption that for some reason are not included in the first volume of the SJS (new discoveries of Old Church Slavonic manuscripts, imperfect excerption of the original sources, etc.). The introductory volume comprises five language versions (Czech, Russian, English, German and Latin), introductory studies of the significance of project, a description of the compilation of the dictionary entries and listing of the Old Church Slavonic sources.

The issues No. 54 and No. 55 will be printed in the year 2011.
