| Preface | vii |
| Acknowledgments | ix |
| Features for Educators and Students | x |
| Mapping of Text Chapters with Clinical Competencies | xi |
| PART 1 PROMOTION AND SUPPORT 1 | |
| Chapter 1 Breastfeeding Advocacy in the Modern World..... | 3 |
| Infant Feeding Practices Throughout History | 3 |
| Current Breastfeeding Recommendations | 6 |
| Breastfeeding Initiation and Duration Rates..... | 7 |
| Global Breastfeeding Initiatives | 9 |
| U.S. Initiatives | 15 |
| Summary | 17 |
| What You Learned—At a Glance | 18 |
| References | 18 |
| Chapter 2 Interdisciplinary Healthcare Team..... | 25 |
| Healthcare Team Approach..... | 25 |
| Lactation Consulting Profession..... | 26 |
| Practicing in a Hospital | 27 |
| Practicing in Public Health | 30 |
| Working in a Healthcare Provider Practice..... | 31 |
| Practicing in Home Health Care..... | 32 |
| Working in Private Practice..... | 33 |
| Members of the Healthcare Team..... | 36 |
| Breastfeeding Counselor Support..... | 38 |
| The Mother's Role on the Healthcare Team | 40 |
| Summary | 42 |
| What You Learned—At a Glance | 42 |
| References | 43 |
| Chapter 3 Sociological Perspective on Breastfeeding Support.... | 47 |
| Cultural Factors in Breastfeeding Support | 47 |
| Social Behavior | 56 |
| Relationships | 60 |
| Feminism and Breastfeeding..... | 61 |
| Knowledge and Culture | 61 |
| Summary | 64 |
| What You Learned—At a Glance | 65 |
| References | 65 |
| Chapter 4 Empowerment to Breastfeed..... | 71 |
| Health Consumerism | 71 |
| Strategies to Optimize Learning | 73 |
| Adult Learning | 74 |
| Confidence in Breastfeeding | 81 |
| Components of Communication | 85 |
| Humor as a Communication Tool | 90 |
| Summary | 92 |
| What You Learned—At a Glance | 93 |
| References | 93 |
| Chapter 5 Counseling Skills: Learning How to Help..... | 97 |
| The Counseling Process | 97 |
| Sequence Matters | 98 |
| Putting It All Together | 109 |
| Comparison of Counseling Techniques..... | 109 |
| Summary | 112 |
| What You Learned—At a Glance | 112 |
| References | 113 |
| Chapter 6 Client Consultations..... | 115 |
| Reaching Out Through Anticipatory Guidance | 115 |
| Problem-Solving | 118 |
| Consultation Methods | 121 |
| Elements of a Consultation | 122 |
| Providing Follow-Up | 126 |
| Documenting | 129 |
| Summary | 132 |
| What You Learned—At a Glance | 132 |
| References | 133 |
| PART 2 THE SCIENCE OF LACTATION 137 | |
| Chapter 7 Lactation Anatomy and Physiology | 139 |
| Anatomy of the Breast | 140 |
| Supportive and Sustaining Tissue | 142 |
| Glandular Tissue | 144 |
| Mammary Growth and Development | 145 |
| Hormonal Impact on Lactation | 148 |
| Milk Synthesis | 149 |
| Milk Ejection Reflex (Letdown) | 150 |
| Variations in Breast Structure and Function | 152 |
| Summary | 156 |
| What You Learned—At a Glance | 157 |
| References | 158 |
| Chapter 8 Maternal Nutrition | 163 |
| Nutrition Education | 163 |
| Basic Nutrients | 164 |
| Nutrition in Pregnancy and Lactation | 170 |
| Weight Loss While Breastfeeding | 171 |
| Making Healthy Food Choices | 173 |
| Offering Nutrition Suggestions to Mothers | 178 |
| Summary | 181 |
| What You Learned—At a Glance | 181 |
| References | 182 |

| | | | | | |
|-------------------|--|------------|---|---|------------|
| Chapter 9 | Health Factors in Lactation | 187 | Infant Behavior Patterns | 328 | |
| | Breastfeeding and Women's Health | 187 | Infant Growth | 330 | |
| | Breastfeeding and Infant Health | 189 | Sleeping Patterns..... | 333 | |
| | Properties of Colostrum and Mature Milk | 192 | Crying and Colicky Behavior | 336 | |
| | Nutritional Components in Human Milk..... | 195 | Summary | 344 | |
| | Immunological Protection..... | 202 | What You Learned—At a Glance | 344 | |
| | Anti-infective Protection..... | 205 | References | 345 | |
| | Obesity Protection | 207 | Chapter 15 | Getting Breastfeeding Started..... | 353 |
| | Summary | 208 | Getting Ready to Nurse | 353 | |
| | What You Learned—At a Glance | 208 | Beginning the Feeding..... | 355 | |
| | References | 209 | Breastfeeding Positions | 359 | |
| Chapter 10 | Use of Infant Formula..... | 221 | Assisting with Feedings | 363 | |
| | Prevalence of Formula Feeding..... | 221 | Breastfeeding Multiples | 366 | |
| | Legitimate Need for Infant Formula..... | 221 | Tandem Nursing | 370 | |
| | Composition of Infant Formula | 223 | Summary | 372 | |
| | Selecting an Infant Formula | 227 | What You Learned—At a Glance | 372 | |
| | Dangers in Formula Preparation | 229 | References | 372 | |
| | Infant Formula Industry Practices | 230 | Chapter 16 | Infant Latch and Sucking..... | 375 |
| | Infant Health Risks with Formula Use..... | 233 | Infant Sucking and Suckling | 375 | |
| | Other Burdens from Formula Use | 234 | Baby Latching | 380 | |
| | Summary | 236 | Milk Transfer..... | 382 | |
| | What You Learned—At a Glance | 236 | Problems with Latch..... | 382 | |
| | References | 236 | Problems with Sucking..... | 385 | |
| Chapter 11 | Substances in Human Milk | 243 | Summary | 389 | |
| | Medications | 243 | What You Learned—At a Glance | 389 | |
| | Social Toxicants..... | 247 | References | 390 | |
| | Environmental Contaminants..... | 253 | Chapter 17 | Breastfeeding in the Early Weeks | 393 |
| | Counseling Parents About Impurities | 256 | Commitment to Breastfeed | 393 | |
| | Summary | 256 | Establishing Milk Production | 396 | |
| | What You Learned—At a Glance | 257 | Nipple Pain..... | 401 | |
| | References | 257 | Engorgement | 411 | |
| PART 3 | PRENATAL THROUGH POSTPARTUM | 263 | Plugged Duct..... | 416 | |
| Chapter 12 | Prenatal Considerations..... | 265 | Milk Blister or Milk Bleb | 416 | |
| | Infant-Feeding Choice | 265 | Mastitis | 417 | |
| | Preparation for Breastfeeding | 270 | Summary | 422 | |
| | Selecting a Healthcare Provider | 276 | What You Learned—At a Glance | 423 | |
| | Summary | 280 | References | 424 | |
| | What You Learned—At a Glance | 280 | Chapter 18 | Breastfeeding Beyond the First Month | 429 |
| | References | 281 | Patterns of Growth in a Breastfed Baby | 429 | |
| Chapter 13 | Hospital Practices That Support Breastfeeding | 285 | Infant Development | 430 | |
| | Setting the Stage Prior to Birth | 285 | Breastfeeding an Older Baby | 438 | |
| | Supportive Labor and Delivery Practices | 287 | Sustaining Breastfeeding Beyond 1 Year | 440 | |
| | Supportive Postpartum Environment | 295 | Nourishment Away from the Breast..... | 443 | |
| | Postpartum Care Plans..... | 300 | Weaning | 450 | |
| | Baby-Friendly Hospital Practices | 302 | Summary | 454 | |
| | Summary | 306 | What You Learned—At a Glance | 455 | |
| | What You Learned—At a Glance | 306 | References | 456 | |
| | References | 306 | Chapter 19 | Problems with Milk Production and Transfer | 461 |
| Chapter 14 | Infant Assessment and Development..... | 311 | Perception of Insufficient Milk Production..... | 461 | |
| | Assessment of the Newborn | 311 | Recognizing Sufficient Milk Production | 462 | |
| | Digestion | 321 | Risks for Low Milk Production..... | 463 | |
| | Infant Communication | 326 | Measures to Increase Milk Production | 463 | |
| | | | Concerns About Infant Growth | 466 | |
| | | | Summary | 474 | |

| | | | |
|--|------------|---|------------|
| What You Learned—At a Glance | 474 | Summary | 635 |
| References | 475 | What You Learned—At a Glance | 635 |
| PART 4 SPECIAL CARE479 | | References | 636 |
| Chapter 20 Family Dynamics in Breastfeeding.....481 | | Chapter 26 Long-Term Maternal Conditions | 641 |
| Acquiring the Parental Role | 481 | Autoimmune Disorders | 641 |
| Becoming a Mother | 484 | Diabetes | 644 |
| Becoming a Father/Partner | 490 | Obesity | 647 |
| Changes in Family Relationships | 493 | Infertility and Insufficient Milk Supply | 649 |
| Sibling Reactions and Adjustments | 500 | Polycystic Ovary Syndrome (PCOS) | 651 |
| Summary | 501 | Thyroid Disorders | 652 |
| What You Learned—At a Glance | 502 | Cystic Fibrosis | 653 |
| References | 502 | Phenylketonuria | 654 |
| Chapter 21 Special Counseling Circumstances.....509 | | Infectious Diseases | 654 |
| Family's Lifestyle | 509 | Disabilities | 661 |
| Opposition to Breastfeeding | 510 | Summary | 662 |
| Working with Low-Income Families | 513 | What You Learned—At a Glance | 662 |
| Working with Single Parents | 514 | References | 663 |
| Working with Teen Parents | 515 | Chapter 27 Long-Term Infant Conditions.....671 | |
| Summary | 519 | Congenital Conditions | 671 |
| What You Learned—At a Glance | 519 | Phenylketonuria | 672 |
| References | 519 | Galactosemia | 674 |
| Chapter 22 Breastfeeding Techniques and Devices | 523 | Cleft Defects | 674 |
| Breastfeeding Techniques | 523 | Spina Bifida | 680 |
| Breastfeeding Devices..... | 526 | Down Syndrome | 681 |
| Milk Expression..... | 532 | Hydrocephalus | 683 |
| Alternate Feeding Methods..... | 542 | Neurological Impairment | 683 |
| Summary | 550 | Sensory Processing Disorder | 684 |
| What You Learned—At a Glance | 550 | Support for Parents of Special Needs Infants | 685 |
| References | 551 | Summary | 685 |
| Chapter 23 Temporary Breastfeeding Situations | 557 | What You Learned—At a Glance | 685 |
| Hyperbilirubinemia (Jaundice)..... | 557 | References | 686 |
| Hypoglycemia (Low Blood Glucose)..... | 564 | PART 5 ROLE OF THE IBCLC | 691 |
| Delayed Breastfeeding | 565 | Chapter 28 Professional Considerations | 693 |
| Resuming or Inducing Lactation | 567 | Preparing for the Profession | 693 |
| Breastfeeding During Emergencies | 571 | Acquiring the Role of Lactation Consultant | 696 |
| Baby Resists Breastfeeding..... | 574 | Professional Practice Documents | 698 |
| Baby Prefers One Breast..... | 575 | Legal Considerations | 699 |
| Summary | 576 | Professional Development | 702 |
| What You Learned—At a Glance | 577 | Employment as an IBCLC | 703 |
| References | 577 | Interdisciplinary Lactation Care | 704 |
| Chapter 24 High-Risk Infants | 581 | Maturing Through Experience | 706 |
| Prolonged Hospitalization of the High-Risk Infant | 581 | Avoiding Professional Burnout | 708 |
| Preterm Infant..... | 595 | Summary | 710 |
| Other Babies Not Born at Term | 604 | What You Learned—At a Glance | 710 |
| Counseling Parents Whose Baby Has Died..... | 607 | References | 711 |
| Summary | 610 | Chapter 29 Critical Reading and Review of Research | 715 |
| What You Learned—At a Glance | 611 | Evidence-Informed Versus Evidence-Based | 715 |
| References | 611 | Access to Scientific Journals | 716 |
| Chapter 25 When Breastfeeding Is Interrupted | 619 | Types of Articles in Scientific Journals | 716 |
| Managing Breastfeeding Through a Separation | 619 | Structure of a Scientific Article | 718 |
| Short-Term Separations..... | 621 | Critical Reading of a Scientific Article | 720 |
| Supporting Working Parents..... | 625 | Deciding Whether to Apply Research Findings | 734 |
| Workplace Lactation Support | 632 | Practicing Critical Reading Skills | 735 |

| | | |
|-------------------|--|------------|
| Project 9 | Summary | 746 |
| 660 | What You Learned—At a Glance | 746 |
| 660 | References | 747 |
| Chapter 30 | Breastfeeding Promotion and Change..... | 749 |
| 148 | Strong Leadership..... | 749 |
| 149 | Becoming a Change Agent | 751 |
| 150 | Beginning the Process of Change..... | 760 |
| 151 | Breastfeeding Promotion..... | 766 |
| 152 | Project 10..... | 768 |
| 153 | Summary | 768 |
| 153 | What You Learned—At a Glance | 768 |
| 154 | References | 769 |
| Chapter 11 | Substances in Human Milk..... | 770 |
| 155 | Medications | 770 |
| 156 | Social Indicants | 777 |
| 157 | Environmental Contaminants | 781 |
| 158 | Summary | 786 |
| 158 | What You Learned—At a Glance | 786 |
| 159 | References | 786 |
| Chapter 12 | Substances in Human Milk—Continued..... | 787 |
| 160 | Medications | 787 |
| 161 | Social Indicants | 794 |
| 162 | Environmental Contaminants | 798 |
| 163 | Summary | 803 |
| 163 | What You Learned—At a Glance | 803 |
| 164 | References | 803 |
| Part 3 | PREGNANCY, POSTPARTUM, AND THE BREASTFEEDING RELATIONSHIP..... | 805 |
| 165 | Chapter 13 | 805 |
| 166 | Postpartum Considerations | 805 |
| 167 | Chapter 14 | 813 |
| 168 | Planning for the Role of Lactation Consultant | 813 |
| 169 | Planning for Lactation Consultant Practice | 813 |
| 170 | Setting the Relationship Between Lactation Consultant and Client | 818 |
| 171 | Secondary Labor and Delivery | 827 |
| 172 | Planning Postpartum Visits | 827 |
| 173 | Writing Care Plans | 829 |
| 174 | Conclusion | 830 |
| 175 | Project 14 | 830 |
| 176 | Summary | 830 |
| 176 | What You Learned—At a Glance | 830 |
| 177 | References | 830 |
| Part 4 | THE BREASTFEEDING RELATIONSHIP..... | 831 |
| 178 | Chapter 15 | 831 |
| 179 | Initial Breastfeeding | 831 |
| 180 | Milk Production and Supply | 835 |
| 181 | Transitioning to Pumping | 839 |
| 182 | Summary | 843 |
| 182 | What You Learned—At a Glance | 843 |
| 183 | References | 843 |
| Chapter 16 | Infant Growth and Development..... | 845 |
| 184 | Infant Growth and Development | 845 |
| 185 | Infant Nutrition | 849 |
| 186 | Summary | 853 |
| 186 | What You Learned—At a Glance | 853 |
| 187 | References | 853 |
| Chapter 17 | Infant Health Problems..... | 855 |
| 188 | Infant Health Problems | 855 |
| 189 | Summary | 859 |
| 189 | What You Learned—At a Glance | 859 |
| 190 | References | 859 |
| Chapter 18 | Breastfeeding Beyond the First Month..... | 861 |
| 191 | Pattern of Growth in Extended Breastfeeding | 861 |
| 192 | Infant Development at 1 Year | 865 |
| 193 | Feeding an Older Baby | 868 |
| 194 | Establishing Breastfeeding After Birth | 871 |
| 195 | Transitioning from Breastfeeding to Bottles | 875 |
| 196 | Summary | 879 |
| 196 | What You Learned—At a Glance | 879 |
| 197 | References | 879 |
| Chapter 19 | Postpartum Care—The Final Chapter..... | 881 |
| 198 | Postpartum Care | 881 |
| 199 | Summary | 885 |
| 199 | What You Learned—At a Glance | 885 |
| 200 | References | 885 |
