Preface v

## I Foundations for the Study of Management 1

### 1 The Nature of Management 3

- Introduction 4
- Various Roles of A Manager 9
- Functions of Management 15
- Levels of Management 18
- The Road to the Top 21
- Summary 26
- Case 1-1: Beatrice's CEO—Man of Vision 28
- Case 1-2: How DEC Got Decked 29

### 2 The Development of Management Thought 32

- Schools of Management Thought 33
- Classical Management Theory 34
- The Behavioral Approach 39
- The Contingency Approach 43
- An Organizational Contingency Model 47
- Summary 54
- Case 2-1: The New Challenge at Microsoft: Applications Software 56
- Case 2-2: Monsanto 57

## II Planning 59

### 3 The Organization and the Environment 61

- Conceptualizing the Organization's Environment 62
- Environmental-Organizational Interaction 65
- Environmental Dimensions 69

Environmental States	72
Organizations and Multienvironments	74
Organizational Impacts on the Environment (Coping)	75
Scanning the Environment	76
Summary	79
Case 3-1: Management Makes a Difference for Giant Food, Inc.	81
Case 3-2: The Environment of the Airline Industry	82

## 4 Strategic Planning 85

What Is Strategic Planning?	86
Strategy Formulation	88
What Is a Strategic Plan?	96
Strategy Implementation	97
Contingency Plans	98
How to Evaluate Corporate Strategy	99
A Strategic Planning Model for a Nonprofit Organization	101
Two Planning Techniques	102
Summary	114
Case 4-1: A Strategy Shift at Dun & Bradstreet	117
Case 4-2: An Identity Crisis at Sperry	118

## 5 Operational Planning 120

Standing Plans	121
Single-use Plans	124
The Planning Process	127
Management by Objectives (MBO)	128
Summary	136
Case 5-1: The Fourth National Bank	139
Case 5-2: The Municipal Swimming Pool	141

## PART TWO CASE: The Collapse of Aldens 142

## III Organizing 145

## 6 Organizational Structure 147

Authority and Organization	149
----------------------------	-----

Departmentalization	153
Practical Design Issues	160
Summary	168
Case 6–1: G.E. and Utah International	170
Case 6–2: The First Midwest Bank Company	171

## 7 Factors Shaping Modern Organizational Structures 172

The Bureaucratic Perspective	174
The System 4 Perspective	178
The Mechanistic and Organic Perspective	178
The Integration-Differentiation Approach	180
Traditional Integrating and Information-Processing Techniques	181
Contemporary Integrating and Information-Processing Techniques	183
The Matrix Structure	187
Internal Variables that Affect Structure	191
Summary	196
Case 7–1: Organizational Structure: Changes at Digital Equipment Corporation (DEC)	198
Case 7–2: The Fairfax County Social Welfare Agency	199

## 8 Managing Organizational Change 201

A Systems Approach to Change	202
Understanding Organizational Change	206
Implementing Organizational Change	211
Understanding Resistance to Change	216
Summary	221
Case 8–1: Plymouth Consolidated Industries: Human Resources Division	223
Case 8–2: IBM and ROLM	225

## 9 Human Resource Management 226

The Human Resource System	227
Human Resource Planning	227
Recruitment	236
The Selection Process	238
Training and Development	242

Approaches to Performance Appraisal	242
Compensation Systems	247
Summary	251
Case 9-1: Employee Education at Scandinavian Design	253
Case 9-2: Kollmorgen Corporation	254

## **PART THREE CASE: Texas Instruments (TI) Sinks Matrix Management** 255

### **IV Directing** 259

#### **10 Motivation and Human Performance** 262

Need-Based Theories of Motivation	263
Expectancy Theory: An Information-processing Model of Motivation	272
Reinforcement Theory	276
An Integrative Model	279
Applications of Motivation Theory	280
Summary	284
Case 10-1: Motivation at Emery Air Freight	286
Case 10-2: The Lincoln Electric Company	287

#### **11 Choosing A Leadership Style** 289

Leader Attributes: Trait Theory	290
Leadership Behavior	293
Situational Models of Leadership	297
Implications of Leadership Theory for the Manager	309
Summary	310
Case 11-1: Two Successful Leaders: Two Different Styles	313
Case 11-2: Leadership at Schlumberger	316

#### **12 Groups In Organizations** 317

Types of Groups	318
Effects of Groups on Performance	328
Methods for Improving Group Decisions	330
Interpersonal Relationships within Groups	333

Summary	338
Case 12-1: The People of People Express Airlines	341
Case 12-2: Quality Circles at Society National Bank	342

## PART FOUR CASE: Teamwork Pays Off at Penney 343

## V Controlling 345

### 13 Control Concepts 348

Feedback Control Systems	349
Implicit Controllers versus People-control Systems	350
Control and the Law of Requisite Variety	351
The Concept of Control—The Traditional Approach	353
How Much Control?	355
Real-Time Control	358
Computerized Simulation Control Systems	359
A Few Design Considerations	360
Pareto's Law of Maldistribution	363
Controlling Human Performance	364
Summary	364
Case 13-1: Munsingwear Helps Jockey Grow—Reluctantly	366
Case 13-2: Rockwell Loses \$30 Million Due to Lack of Financial Controls	367

### 14 Control Tools 369

Budgets	370
Inventory Control	374
Materials Requirement Planning (MRP)	378
Just-in-Time Production (JIT)	378
Ratio Analysis as a Control Tool	380
Linear Programming	383
Queuing (Waiting-line Theory)	385
Project Control Techniques	387
Summary	393
Case 14-1: The Budapest Scale Service Company	396
Case 14-2: Allegheny Ludlum Uses Controls to Boost Profits	397

<b>15 Management Information Systems</b>	399
Data versus Information	400
Evaluating Information	401
Information Systems and the Computer	403
The Changing Role of Information Systems	405
Networking	409
Some Characteristics of Management Information Systems	410
Some Pitfalls in Systems Design	411
Steps in the Development of a Management Information System	412
Artificial Intelligence (AI)	414
Summary	418
Case 15-1: Information Is Power . . . Power Is Information	421
Case 15-2: IBM and the Future	422

**16 Production Operations Management** 423

The Production Operations Function	424
The Division of Labor	426
Production Operations Management (POM)	427
Summary	444
Case 16-1: Sky-high Technology at Saturn	446
Case 16-2: Acme-Cleveland Trying to Stay Alive in a Declining Industry	447

**PART FIVE CASE: Giant Retailer Out of Control** 448

**VI Essential Managerial Competencies** 451

<b>17 Decision Making</b>	454
The Decision Process	455
Types of Decisions Faced by Managers	465
Applying Decision Models to Conditions of Risk and Uncertainty	467
Decision Analysis	470
Summary	474

Case 17-1: Better Decisions at Miami Depot, Inc. 476

Case 17-2: Ideas at Innotech 477

## 18 Communicating 479

Definition of Communication 480

The Role of Organizational Communication 481

The Communications Process 483

Sources of Communications Breakdowns 485

Improving Interpersonal Communications 490

Patterns of Organizational Communication 492

Developing Effective Managerial 495

Understanding Nonverbal Communications 499

Communications and the Multinational 501

Summary 504

Case 18-1: Sara Reisinger's Performance Appraisal 506

Case 18-2: The Clarifying Memo? 508

## 19 Managing Conflict 509

The Positive Side of Conflict 511

The Negative Side of Conflict 512

The Two-dimensional Model of Conflict Resolution 514

Intraorganizational Conflict 518

Special Issues in Organizational Conflict 522

Ethical Conflicts 524

Summary 528

Case 19-1: Executive Conflict at A&P 530

Case 19-2: Conflict at J. Walter Thompson 531

## PART SIX CASE: Management According to Lee Iacocca 533

## VII Special Concerns of Today's Managers 537

### 20 Stress and the Manager 540

The Nature of Modern Stress 541

Understanding the Stress Response 545

The Origins of Stressors	550
Individual Differences and Stress	554
Effects of Excess Stress	555
Strategies for Coping with Stress	559
Summary	561
Case 20–1: The Job Transfer	563
Case 20–2: Gerald Maxwell's Failure and Personal Crisis	564

## 21 Managing Careers: Issues and Challenges 566

Life Stages	570
Advancement in Organizations	579
Early Career Problems	583
Career-development Programs	590
Summary	592
Case 21–1: The Cleveland Trust Career-development Program	594
Case 21–2: Executive Women: Prospects and Promises	595
Case 21–3: Revlon's Would-be Queen	596

## 22 International Management 598

International Management	599
Scope of International Business Operations	599
Types of International Business Relations	601
The Process of Internationalizing	602
The Decision to Internationalize	602
Issues Affecting International Management	605
The Management Process in an International Context	611
Summary	616
Case 22–1: Mexico's Personal-computer Industry	618
Case 22–2: In Search of Excellence—Russian Style	619

## 23 Social and Ethical Responsibilities of Management 621

The Interdependence between Business and Society	622
Social Responsibility Strategies	631
Corporate Morality	637

Summary	639
Case 23-1: Manville Corporation	644
Case 23-2: B.F. Goodrich and Ethics	645
Experiential Exercises: Ethical Considerations	646
Glossary	649
Index	667

## ESSAYS

- 1 **In Search of Excellence** between pages 44 and 45
- 2 **Corporate Culture** between pages 140 and 141
- 3 **Service Organizations** between pages 236 and 237
- 4 **Women in Management** between pages 332 and 333
- 5 **Management of Technology** between pages 428 and 429
- 6 **Entrepreneurship and Intrapreneurship in America** between pages 460 and 461
- 7 **Not for Profit Organizations** between pages 588 and 589
