Preface	xvi
--------------------------	------------

PART I

Chapter 1

Introduction	3
-------------------------------	----------

The Strategic Management Process	5
---	----------

1.1 Opening Incident: Royal Dutch/Shell	5
--	----------

1.2 Overview	6
-------------------------------	----------

1.3 Defining Strategy	7
--	----------

The Traditional Approach / A New Approach

1.4 Components of Strategic Management	9
---	----------

Mission and Major Goals / External Analysis /

Internal Analysis / Strategic Choice / Business-

Level Strategy / Corporate-Level Strategy /

Analyzing the Corporate Portfolio / Designing Or-

ganizational Structure / Choosing Integration and

Control Systems / Matching Strategy, Structure,

and Controls / Conflict, Politics, and Change /

Feedback

1.5 Strategic Managers	18
---	-----------

1.6 Levels of Strategic Management	20
---	-----------

Corporate Level / Business Level / Functional

Level

1.7 Strategic Information Systems	22
--	-----------

1.8 Strategic Planning in Practice	24
---	-----------

Does Strategic Planning Work? / Inappropriate

Planning Systems / Poor Strategic Decision

Making / Devil's Advocacy and Dialectic Inquiry

1.9 Summary of Chapter	29
---	-----------

Chapter 2

Corporate Mission, Goals, and Stakeholders	32
---	-----------

2.1 Opening Incident: Allegis Corporation	32
--	-----------

2.2 Overview	33
-------------------------------	-----------

2.3 Defining the Business	35
--	-----------

A Single-Business Company / A Diversified

Company

2.4 Setting Corporate Goals	40
--	-----------

Maximizing Stockholder Wealth / Secondary Goals

2.5	Corporate Philosophy	42
2.6	Corporate Stakeholders	44
	Stakeholders and the Mission Statement / Stakeholder Impact Analysis	
2.7	Corporate Governance and Strategy	46
	Management Goals Versus Stockholder Goals / Stockholder Meetings / The Role of the Board / The Takeover Constraint and Corporate Raiders / Junk Bonds, Poison Pills, and Golden Parachutes / The Efficacy of Corporate Governance / Leveraged Buyouts	
2.8	Corporate Social Responsibility	58
	The Concept of Social Responsibility / Why Be Socially Responsible? / Corporate Social Responsibility and Regulation / The Practice of Social Responsibility	
2.9	Summary of Chapter	62

PART II**Strategy Formulation 67****Chapter 3****Analyzing the External Environment: The Identification of Opportunities and Threats 69**

3.1	Opening Incident: USX	69
3.2	Overview	70
3.3	Analyzing the Industry Environment	72
	Potential Competitors / Rivalry Among Established Companies / The Bargaining Power of Buyers / The Bargaining Power of Suppliers / The Threat of Substitute Products	
3.4	Identifying Groups Within Industries	82
	The Concept of Strategic Groups / Implications of Strategic Groups	
3.5	Competitive Changes During Industry Evolution.	85
	The Industry Life-Cycle Model / Implications of Industry Evolution / Summary: Industry Evolution	
3.6	Analyzing the Macro-environment	92
	The Macro-Economic Environment / The Technological Environment / The Social Environment / The Demographic Environment / The Political and Legal Environment / The Global Environment	
3.7	Summary of Chapter	97

Chapter 4	Internal Analysis: Strengths, Weaknesses, and Distinctive Competencies	101
4.1	Opening Incident: Caterpillar Tractor Company	101
4.2	Overview	102
4.3	Distinctive Competencies	103
	Sources of Distinctive Competencies / Barriers to Imitation / Summary: The Durability of Distinctive Competencies	
4.4	The Value Chain	107
4.5	Manufacturing	109
	The Experience Curve / The Product-Process Life Cycle / Flexible Manufacturing Technology	
4.6	Marketing	118
	Selection of Target Market Segments / Designing the Marketing Mix / Positioning	
4.7	Materials Management	121
	Cost Reductions / Quality Control / Materials-Management Organization	
4.8	Research and Development	124
	The High Failure Rate of New Products / R&D Strategy and R&D Skills / Industry Life-Cycle Factors	
4.9	Human Resources	131
	Employee Participation / Work Force Planning	
4.10	Information Systems	133
4.11	Company Infrastructure	135
4.12	Financial Resources	136
	Cash Flow / Credit Position / Liquidity	
4.13	Summary of Chapter	137
 Chapter 5	 Business-Level Strategy	 142
5.1	Opening Incident: Holiday Inns Inc.	142
5.2	Overview	143
5.3	Foundations of Business-Level Strategy	143
	Customer Needs and Product Differentiation / Customer Groups and Market Segmentation / Deciding on Distinctive Competencies	
5.4	Choosing a Generic Competitive Strategy at the Business Level	146
	Cost-Leadership Strategy / Differentiation Strategy / Both Cost Leadership and Differentiation / Focus Strategy / Being Stuck in the Middle / Generic Strategies and the Industry Life Cycle / Summary: Three Generic Strategies	

	5.5	Choosing an Investment Strategy at the Business Level	160
		Competitive Position / Life-Cycle Effects / Choosing an Investment Strategy	
	5.6	Summary of Chapter	166
Chapter 6		Business-Level Strategy and Industry Structure	169
	6.1	Opening Incident: The Airline Industry . . .	169
	6.2	Overview	170
	6.3	Factors Affecting the Level of Industry Completion	171
	6.4	Strategy in Fragmented Industries.	172
		Chaining / Franchising / Horizontal Merger	
	6.5	Strategy in Embryonic and Growth Industries	174
		Managing First-Mover Advantages to Profit from Innovation / First-Mover Disadvantages / Choosing the Right Strategy / Summary: Embryonic and Growth Strategies	
	6.6	Strategy in Mature Industries.	180
		Market Signaling / Price Leadership / Competitive Product Differentiation / Competitive Pricing / Capacity Control Strategies / Supply and Distribution Strategy / Summary: Mature Strategies	
	6.7	Strategy in Declining Industries	194
		Manipulating Product/Market Strategies / Market Concentration and Asset Reduction	
	6.8	Summary of Chapter	197
Chapter 7		Corporate-Level Strategy: Vertical Integration and Diversification	199
	7.1	Opening Incident: Hanson Industries	199
	7.2	Overview	200
	7.3	Corporate Growth and Development	201
		Stages of Corporate Development / Limits to Growth	
	7.4	Concentration on a Single Business	206
		Advantages / Disadvantages	
	7.5	Vertical Integration	207
		Creating Value Through Vertical Integration / Dis- advantages of Vertical Integration / Summary: Vertical Integration	

	7.6 Alternative to Vertical Integration: Long-Term Contracting	213
	The Benefits of Long-Term Contracting / Impedi- ments to Long-Term Contracting / Establishing Long-Term Agreements	
	7.7 Diversification	217
	Creating Value Through Diversification / The Bu- reaucratic Costs of Diversification / Diversification that Dissipates Value / Related or Unrelated Diversification?	
	7.8 Alternative to Diversification: Strategic Alliances	228
	7.9 Retrenchment and Turnaround	229
	The Cause of Corporate Decline / The Main Steps of Retrenchment and Turnaround	
	7.10 Summary of Chapter	233
Chapter 8	Corporate-Level Strategy: The Global Dimension	237
	8.1 Opening Incident: The Media and Entertainment Industry	237
	8.2 Overview	238
	8.3 Value Creation	239
	Transferring Core Skills Overseas / Using Global Volume to Cover Product Development Costs / Realizing Economies of Scale from Global Volume / Configuring the Global Value Chain	
	8.4 Comparing Global and Multidomestic Strategies	241
	The Advantages and Disadvantages of a Pure Global Strategy / The Advantages and Disadvantages of a Pure Multidomestic Strategy / Tradeoffs	
	8.5 Choosing Between Global and Multidomestic Strategies	245
	Pressures for Global Integration / Pressures for Lo- cal Responsiveness / Choosing a Strategy	
	8.6 The Transnational Company	252
	8.7 The Choice of Entry Mode	254
	Exporting / Licensing / Franchising / Joint Ventures / Wholly Owned Subsidiaries / Choos- ing Between Entry Modes	
	8.8 Global Strategic Alliances.	260
	The Pros and Cons of Global Strategic Alliances / Protecting Technology in Alliances / Learning from Alliance Partners	

	8.9	The Role of Host-Government Policies. . . .	264
		The Concerns of Host Governments / Strategies for Dealing with Host Governments	
	8.10	Summary of Chapter	269
Chapter 9		Analyzing and Changing the Corporate Portfolio	273
	9.1	Opening Incident: Rockwell International	273
	9.2	Overview	274
	9.3	The Boston Consulting Group Business Matrix.	275
		Defining and Evaluating Strategic Business Units / Comparing Strategic Business Units / Strategic Implications / Strengths and Weaknesses of the BCG Matrix	
	9.4	The McKinsey Matrix	280
		Assessing Industry Attractiveness / Assessing Com- petitive Position Within an Industry / Comparing Strategic Business Units / Strategic Implication / Strengths and Weaknesses of the McKinsey Matrix	
	9.5	The Industry Evolution Matrix	286
		Evaluating and Comparing Strategic Business Units / Strategic Implications / Strengths and Weaknesses of the Industry Evolution Matrix	
	9.6	Benefits and Pitfalls of Portfolio Analysis . .	288
		Benefits / Pitfalls	
	9.7	Entry Strategies	290
		Acquisition Versus Internal New Venturing / Pit- falls of Acquisition / Guidelines for Successful Acquisition / Pitfalls of Internal New Venturing / Guidelines for Successful Internal New Venturing / Joint Ventures	
	9.8	Exit Strategies	301
		Divestment, Harvest, and Liquidation / Choice of Exit Strategy	
	9.9	Summary of Chapter	304
<hr/>			
PART III		Strategic Implementation	309
Chapter 10		Designing Organizational Structure.	311
	10.1	Opening Incident: Apple Computer.	311

	10.2	Overview	312
	10.3	Designing Organizational Structures	312
	10.4	Vertical Differentiation	313
		Disadvantages of Tall Hierarchies / Centralization or Decentralization / Summary: Vertical Differentiation	
	10.5	Horizontal Differentiation	318
		Simple Structure / Functional Structure / Product or Geographical Structure / Multidivisional Structure / Conglomerate Structure / Matrix Structure	
	10.6	Summary of Chapter	334
Chapter 11		Choosing Integration and Control Systems	338
	11.1	Opening Incident: TRW	338
	11.2	Overview	339
	11.3	Integration and Integrating Mechanisms	340
		Matching Differentiation with Integration / Forms of Integrating Mechanisms / Summary: Integration and Integrating Mechanisms	
	11.4	Strategy Implementation and Control	344
	11.5	Strategic Control Systems	345
	11.6	Selecting Performance Standards	347
		Performance Standards / Problems with Selecting Standards	
	11.7	Types of Control Systems	350
		Market Control / Output Control / Bureaucratic Control / Clan Control and Culture / Summary: Types of Control Systems	
	11.8	Strategic Reward Systems.	362
		Individual Reward Systems / Group and Organiza- tional Reward Systems	
	11.9	Summary of Chapter	364
Chapter 12		Matching Structure and Control to Strategy	368
	12.1	Opening Incident: Texas Instruments	368
	12.2	Overview	369
	12.3	Structure and Control at the Functional Level	370
		Manufacturing / Research and Development / Sales	
	12.4	Structure and Control at the Business Level	372
		Generic Business-Level Strategies / Business Strate- gies and the Industry Life Cycle / Summary: Struc- ture and Control at the Business Level	

	12.5	Structure and Control at the Corporate Level	381
		Unrelated Diversification / Vertical Integration / Related Diversification / Global Expansion	
	12.6	Changes in Controls and Structure	389
	12.7	Mergers, Acquisitions, and Structure	390
	12.8	Internal New Ventures and Structure	391
	12.9	Summary of Chapter	393

Chapter 13

Conflict, Politics, and Change in Strategy-Structure Choice

	13.1	Opening Incident: CBS Inc.	396
	13.2	Overview	397
	13.3	Organizational Politics and Power	398
		Sources of Organizational Politics / Sources of Power / Effects of Power and Politics on Strategy- Structure Choice / Managing Organizational Politics	
	13.4	Organizational Conflict	406
		Conflict: Good or Bad? / Sources of Conflict / The Organizational Conflict Process / Managing Conflict Strategically / Conflict Resolution Strategies / Summary: Organizational Conflict	
	13.5	Managing Changes in Strategy-Structure Choice: Steps in the Change Process.	415
		Determining the Need for Change / Determining the Obstacles to Change / Implementing Change / Evaluating Change	
	13.6	Summary of Chapter	420

PART IV

Case Study Analysis 425

Chapter 14

Analyzing and Writing a Case Study 427

	14.1	What Is a Case Study Analysis?	427
	14.2	Analyzing a Case Study	428
	14.3	Writing a Case Study.	433
	14.4	The Role of Financial Analysis in Case Study Analysis	435
		Profit Ratios / Liquidity Ratios / Leverage Ratios / Shareholder-Return Ratios / Cash Flow	
	14.5	Conclusion	440

PART V	Cases	441
Section A	Small Business Cases	442
Case 1	Parents In a Pinch Sandra Waddock, Boston College	443
Case 2	Acme Leasing Phillip Phan, University of Washington	460
Case 3	Signs R Us Richard Levin, University of North Carolina	479
Case 4	Solarcare Inc. Richard Levin, University of North Carolina	487
Case 5	Wall Drug Store: Facing the '90s Phil Fisher, University of South Dakota	493
Section B	Business-Level Cases	512
Case 6	The Evolution of the Air Express Industry 1973–1991 Charles Hill, University of Washington	513
Case 7	Airborne Express Charles Hill, University of Washington	526
Case 8	The Drug Store Industry James W. Clinton, University of Northern Colorado	546
Case 9	Longs Drug Store James W. Clinton, University of Northern Colorado	558
Case 10	Microsoft Corporation Gareth Jones, Texas A & M University	575
Case 11	Ashton-Tate Corporation Sexton Adams, North Texas State University	597
Case 12	Campbell Soup Company Sexton Adams, North Texas State University	631
Case 13	Nordstrom (A) Stephen Barndt, Pacific Lutheran University	660

Case 14	Nordstrom (B)	683
	Stephen Barndt, Pacific Lutheran University	
Case 15	MeraBank (A)	787
	Michael P. Mokwa, John A. Grant, and Richard E. White, Arizona State University	
Case 16	MeraBank (B)	714
	Timothy B. Polymer and Rhonda K. Reger, Arizona State University	
Section C	Corporate-Level Cases	726
Case 17	Nucor in 1991	727
	Frank C. Barnes, University of North Carolina, Charlotte	
Case 18	Hanson Plc	764
	Charles Hill, University of Washington	
Case 19	Michael Eisner's Disney Company	784
	Gareth Jones, Texas A & M University	
Case 20	First Greyhound, Then Greyhound Dial, Now The Dial Corporation	806
	Gareth Jones, Texas A & M University	
Case 21	The Upjohn Company	827
	Gareth Jones, Texas A & M University	
Case 22	BCI Holdings Corporation (Formerly Beatrice Companies Inc.)	850
	Gareth Jones, Texas A & M University	
Section D	International Cases	878
Case 23	The Global Auto Industry	879
	Charles Hill, University of Washington	
Case 24	Toyota	896
	Charles Hill, University of Washington	
Case 25	Deutsche Bundesbahn (A)	912
	Paul Strebel and George Toucher, IMD	

Case 26	Deutsche Bundesbahn (B)	925
	Paul Strebel and George Toucher, IMD	
Case 27	Deutsche Bundesbahn (C)	935
	Paul Strebel and George Toucher, IMD	
Case 28	Cosa Bella, Inc.	939
	Richard Levin, University of North Carolina, Chapel Hill	
Case 29	Rohm & Haas Co. (A)	951
	Gordon Shillinglaw, Columbia University	
Case 30	Rohm & Haas Co. (B)	960
	Gordon Shillinglaw, Columbia University	
	Index	971
