Module Two:

Prelude to Lesson Planning	35
-----------------------------------	-----------

PART I: *The Cognitive Ladder of Facts, Concepts, Principles, and Themes* 36

OVERVIEW AND GOALS 36

FOCAL POINTS AND DISCUSSIONS

Two Broad Views of the Cognitive Ladder 36

A Fact 38

A Concept 41

A Principle 45

A Theme 48

Module Four:

Questioning Skills 114

PART I: *Promoting Effective Questioning 115*

OVERVIEW 115

GOALS 116

FOCAL POINTS AND DISCUSSIONS

The Importance of Varying Question Cognitive Level 116

The Powerful Impact of Wait Time I and II 121

While Your Students Answer Questions 123

Asking Effective Follow-Up Questions 124

What Else Should Teachers Do (or Not Do) to Question Students Effectively? 125
