This recording was a joy to make. All we did is played the music we normally play on stage, but in the studio. I was as relaxed as I could ever be about the music and the band. The credit for that mainly goes to Mark and Shai, and for the gift of creativity. I hope you all enjoy listening to it as much as we enjoyed making it.

I thank Mark and Shai for not only being Brilliant, but for being such important people in my life. I truly want to keep going with this Trio for as long as possible, it would be wrong not to.

I also want to thank Ray Jefford my manager and the rest of the team, Jane and Simon, Lars, Jenny and Bo at Nilento Studios, everybody at Loop Productions, Lorena and Francois at Sunnyside Records and everybody else that wasn't mentioned.

My biggest love and thanks to my family and friends.
