2.10 Classroom control

2.11 Teacher comments

2.12 Ending the lesson

How to use the book

Before you look at Part Two. It is essential to read Part One first, but please don't. Part One is designed to help you use Part Two as well as possible.

Also, we suggest that after you have read each chapter, you stop and think about your classroom, your learners, and your teaching. You could ask yourself the things that we talk about. If you do, then we hope that by reading about them you
