

Grand DUETS FOR *Piano*

8 EARLY ELEMENTARY PIECES FOR
ONE PIANO, FOUR HANDS

Melody Bober

I can still remember performing my very first piano duet. The sound of four hands playing together was amazing. Whether playing with my teacher or a friend, it was always exciting to make music together.

While duets are enjoyable, they also offer a great musical experience for students. Rhythm, phrasing, articulation and dynamics all become wonderful teaching tools while students learn to listen for that unique blending of parts. I have written *Grand Duets for Piano, Book 1*, so that today's piano students can have as much fun as I did. The duets in this collection contain music in a variety of keys, styles, meters and tempos designed to help students progress technically and musically...together!

Duets continue to spark excitement in my studio. I sincerely hope that you will enjoy these *Grand Duets for Piano*!

Best wishes,

Melody Bober
