

Grand TRIOS FOR Piano

4 INTERMEDIATE PIECES FOR
ONE PIANO, SIX HANDS

Melody Bober

Trio playing is both energizing and exciting, and there are many ensemble possibilities: a teacher and two students; a parent and two siblings; or, my favorite, three friends. While performances can be thrilling, preparing trio music can be enjoyable as well since sharing the love of music with others is so rewarding.

Trios also offer a great musical experience for students. Rhythm, phrasing, articulation, and dynamics all become wonderful teaching tools while students learn to listen for that unique blending of parts. I have written *Grand Trios for Piano*, Book 5, so that today's piano students can experience music in a variety of styles, meters, and tempos. I have also written this collection so that students can progress technically and musically...together!

I sincerely hope that students will find the pieces challenging and fun in these *Grand Trios for Piano*!

Best wishes,

Melody Bober
