LANG LANG *piano* & GINA ALICE *piano* (Petite Suite)

With this album, Lang Lang presents a treasure trove of musical discoveries: Saint-Saëns's Piano Concerto No. 2, recorded with a stellar cast, the Gewandhausorchester and Andris Nelsons, is for Lang Lang a true romantic masterpiece that rivals the greats like Rachmaninoff or Tchaikovsky. By pairing it with *Carnival of the Animals*, a whimsical menagerie that has captivated young hearts for generations, Lang Lang continues his heartfelt wish to promote the love of classical music to kids and it also gives him a chance to collaborate with his wife, pianist Gina Alice. Complementing these works with hidden gems – unearthed solo compositions by five female French composers as well as beloved French classics – has created a feast for the ears, promising a captivating experience.
