**Suggested Answer**

1 Cab drivers can take classroom courses, but most all stand their education as a job. New cab drivers can learn the job by doing with more experienced a licensed driver or they can simply start taking 2

2 In my country, cab drivers are usually licensed by a local authority like a city government. Cab drivers receive a back license from a commission and are subject to the regulations in their jurisdiction. Some commissions issue medals to date as follows:

**Suggested Answer**

A: Can I help you?  
B: Yes, please. I'm looking for a job. I have a back license, but I don't have enough experience. A: It looks like you don't have enough experience. B: What do I have to do?  
A: You need six months of experience. It says here you only worked for two months. A: I only worked for two months. B: But I took a classroom course and completed 100 hours of on-the-job training. A: I see. First you need to get proof of completion from the company where you trained. Then you can submit your application again. A: How do I do that?  
B: I'll help you. A: How do I do that?  
B: I'll help you. A: How do I do that?  
B: I'll help you.
