This volume of piano accompaniments is a supplement to the collections of ninety-eight solo pieces, *Double Bass Solo 1* and *Double Bass Solo 2*, selected and adapted by Keith Hartley. Nine of the pieces were originally published in 1985 under the title *Nine Pieces from Double Bass Solo 1*. This expanded collection was first published in 1986.

Double Bass Solo 1 and *Double Bass Solo 2* serve as the double bass parts for these accompaniments, and are on sale separately.
