

Signature Solos

9 All-New Piano Solos by Favorite Alfred Composers

Selected and edited by **Gayle Kowalchyk**

Students love getting new music, and teachers love teaching it! What could be more fun than a book of new solos by several favorite Alfred composers? This collection of piano solos was expressly written for the *Signature Solos* series. A variety of different musical styles is found in each of the books.

As editor of this collection, it was a joy for me to play through many solos to find just the right grouping of pieces for each book. I looked for appealing sounds while considering the technical and musical abilities of students at each level. Students are sure to enjoy playing these “signature solos” for friends and family, informally or on recitals.
