Money Markets, Foreign Exchange. SDRs in*

the Future. European Monetary System (EMS) and the European Currency Unit (ECU).

Minicase 5-1: Use of Special Drawing Rights, 182

Minicase 5-2: You Need Deutsche Marks (DM) and Yen (¥), 182

Section III

Foreign Environment, 188

6 Financial Forces, 192

Fluctuating Currency Values, 194 Foreign Exchange Quotations, 195 *Sf 1.6269 = US \$1.00. So Many Yen, So Few Pounds. Fluctuating Exchange Rates Create Risk.* Currency Exchange Controls, 200 Balance of Payments, 203 Tariffs or Duties, 203 *Classification of Goods. Customs Unions.* Taxation, 204 *Different Taxes in Different Countries.* Inflation, 205 *Inflation's Effects on Interest Rates. National Monetary and Fiscal Policies. Importance of Inflation to Business.* Accounting Practices, 210 *Price-Level Accounting. Accounting Practices in Other Countries. Different Countries, Fluctuating Currency Exchange Rates FASB 8 and 52.* Countries Went Bust, 214 *Causes of Increasing LDC Indebtedness. Debt Problem Solutions.*

Minicase 6-1: Are the Socialists Coming? 220

Minicase 6-2: The Socialists Have Arrived, 221

7 Physical Forces, 224

Location, 227 Topography, 228 *Mountains and Plains. Deserts, Tropical Forests, and Bodies of Water.* Climate, 239 *Tropical versus Temperate Zones. Climatic Implications for International Business.* Mineral Resources, 242 *Alternative Energy Sources. Nonfuel Minerals. Changes Make Monitoring Necessary. Contamination of Resources.*

Minicase 7-1: Planning for Mineral Shortages, 256

Minicase 7-2: The Mendoca Disaster, 257

8 Sociocultural Forces, 262

What Is Culture? 265 Significance of Culture for International Business, 266 Sociocultural Components, 267 *Aesthetics. Attitudes and Beliefs. Religion. Material culture. Education. Language. Societal Organization.*

Minicase 8-1: Is It a Bribe? 299

Minicase 8-2: Evans Machinery-France, 303

9 Political Forces, 309

Ideological Forces, 311 *Communism. Capitalism. Socialism. Conservative or Liberal.* Government Ownership of Business, 314 *Why Firms Are Nationalized. Everybody's Doing it. Unfair Competition? Government-Private*

Collaboration Difficult. Privatization, 318 Private Sector More Efficient than State? Italy Too? Nationalism, 320 Government Protection, 320 Economically Targeted Invasion. Terrorism. Government Stability, 324 Stability and Instability: Examples and Results. Permanence or Continuity of Government Policy toward Business. Traditional Hostilities, 327 Arab-Israel. Zimbabwe-Rhodesia and South Africa. North Atlantic Treaty Organization (NATO)-Warsaw Pact. International Organizations, 328 The United Nations (UN). The World Bank Group. IMF, GATT, and OPEC. The EC. The Organization for Economic Cooperation and Development (OECD). Labor, 330 Multinational Enterprises (MNEs), 330 Forty Percent of World's Top Economic Units Are Firms, Not Nations. MNE Goals and Means to Achieve Them. Country Risk Assessment (CRA), 332 Types of Country Risks. Information Content for CRA. Who Does Country Risk Assessing? CRA Procedure. Minicase 9-1: Company Privatization, 338 Minicase 9-2: Country Risk Assessment, 338

10 Legal Forces, 342

Some Specific National Legal Forces, 346 Taxation. Antitrust and Restrictive Trade Practices Legislation. Tariffs, Quotas, and Other Trade Obstacles. Expropriation or Confiscation. Domestication. Product Liability, Civil and Criminal. Price and Wage Controls. Labor Laws. Currency Exchange Controls. Miscellaneous Laws. International Forces, 357 Contract Enforcement. Solutions to Jurisdiction, Interpretation, and Enforcement Problems. Patents, Trademarks, Trade Names, Copyrights, and Trade Secrets. International Standardizing Forces, 363 A Few U.S. Laws that Affect the International Business of U.S. Firms, 364 Antitrust. Taxation. Foreign Corrupt Practices Act (FCPA). Antiboycott Law. Some Laws and Agencies Aid U.S. Exports and Investment. Changes in Laws and Regulations Possible, 370 Common Law or Civil Law? 371 European Practice. American Practice. Minicase 10-1: American Law, 377 Minicase 10-2: Italian Law, 377

11 Labor Forces, 382

Labor Mobility, 385 Refugees: Political and Economic. Labor Shortages and Guest Workers, 387 Guest Worker Problems. Composition of the Labor Force, 390 Political or Economic Refugees and Guest Workers. Labor Force Composition and Comparative Productivity. Other Influences on Productivity. Social Status, Sex, Race, Traditional Society, or Minorities: Considerations in Employment Policies, 397 Social Status. Sex. Race. Traditional Society. Minorities. Employer-Employee Relationships, 402 Labor Unions: European Different from American. Multinational Labor Activities. Codetermination. Minicase 11-1: Codetermination—Deutsche Stevens, 417 Minicase 11-2: Racism, 418

- 12 Competitive and Distributive Forces, 422**
 Competitive Forces, 425 *Reasons for Intensification. Competitive Forces Analysis.* Distributive Forces, 444 *International Channel of Distribution Members.* Channel Selection, 458 Information Sources, 459
 Minicase 12-1: Aikens Malaysia and the Parallel Importer, 461
 Minicase 12-2: Reciprocal Market Penetration, 463
- 13 Economic Forces, 466**
 International Economic Analyses, 470 *Dimensions of the Economy. National Economic Plans. Industry Dimensions.*
 Minicase 13-1: From Turnaround to Takeoff-Pakistan's Sixth Five-Year Plan, 493

Section IV

How Management Deals with Environmental Forces, 504

- 14 Market Assessment and Analysis, 506**
 Market Analysis and Assessment—Where to Market, 509 Market Screening, 509 *Initial Screening. Second Screening—The Financial and Economic Forces. Third Screening—Political and Legal Forces. Fourth Screening—Sociocultural Forces. Fifth Screening—Competitive Forces. Final Selection of New Markets.* Recapitulation of the Screening Process, 520 Marketing Information Systems (MIS), 521
 Minicase 14-1: “Quick and Dirty” Research—Universal Tire Company, 523
 Minicase 14-2: Shafner Products International, 526
- 15 Marketing Internationally, 532**
 Added Complexities of International Marketing, 535 The Marketing Mix (What and How to Sell), 536 *Standardization, Adaption, or Completely Different? Product Strategies. Promotional Strategies. Pricing Strategies. Distribution Strategies. Foreign Environmental Forces and Marketing Mix Matrix.*
