<b>Part I History, Presentation and Genetics of Acute Aortic Syndromes</b>	
<b>Overview and History of Aortic Dissection and Other Acute Aortic Syndromes . . . . .</b> 3	
Afshin Ehsan and Frank W. Sellke	
<b>Aortic Anatomy and the Pathophysiology of Acute Aortic Syndromes . . .</b> 17	
Lauren V. Huckaby and Thomas G. Gleason	
<b>Histopathology of Acute Aortic Syndromes . . . . .</b> 39	
David Ranney and Ryan P. Plichta	
<b>Genetically-Triggered Aortic Dissections . . . . .</b> 45	
Melissa L. Russo and Jia Jennifer Ding	
<b>Presentation of Acute Aortic Syndromes . . . . .</b> 63	
Santi Trimarchi, Hector W. L. de Beaufort, and Theodorus M. J. van Bakel	
<b>Classification Systems of Acute Aortic Syndromes . . . . .</b> 69	
Arminster S. Jassar, Rizwan Q. Attia, and Eric M. Isselbacher	
<b>Medical Conditions Predisposing to Aortic Dissection and Preventive Strategies. . . . .</b> 85	
Eduardo Bossone, Valentina Russo, Andrea Salzano, and Kim Eagle	
<b>What Do the Guidelines Say for the Treatment of Acute Aortic Syndromes? . . . . .</b> 105	
Jordan P. Bloom, Navyatha Mohan, and Thoralf M. Sundt	
<b>Part II Imaging and Initial Management of Acute Aortic Syndromes</b>	
<b>Initial Medical Management of Acute Aortic Syndromes . . . . .</b> 119	
Abigail R. Benkert and Jeffrey G. Gaca	

<b>Imaging of Aortic Dissection: CT, MRI, and Angiography</b> . . . . .	131
Albree Tower-Rader, Lars G. Svensson, and Venu Menon	
<b>Imaging of Intramural Hematoma and Penetrating Atherosclerotic Ulcer by CT and MRI</b> . . . . .	149
Zachary Hartley-Blossom, Saurabh Agarwal, and Michael K. Atalay	
<b>Echocardiography for the Diagnosis and Management of Acute Aortic Syndromes</b> . . . . .	175
Sumbal Janjua, Andrew D. Maslow, and Athena Poppas	
<b>Long-Term Imaging of the Aorta: Considerations and Comparison of Modalities</b> . . . . .	189
Nicholas S. Burris, Bradley D. Allen, and David M. Williams	
<b>Part III Treatment of Acute Thoracic Aortic Syndromes</b>	
<b>Blunt Traumatic Aortic Injury: Etiology, Diagnosis, and Management</b> . . . . .	209
Bruce L. Tjaden and Anthony L. Estrera	
<b>Catheter-Induced Aortic Dissection</b> . . . . .	225
Hannah Chaudry, Marwan Saad, and J. Dawn Abbott	
<b>Aortic Intramural Hematoma</b> . . . . .	237
Neel R. Sodha and Frank W. Sellke	
<b>Penetrating Atherosclerotic Ulcer: Presentation and Management</b> . . . . .	249
Ignas B. Houben, Pieter Van Bakel, and Himanshu J. Patel	
<b>Endovascular Treatment of Type A Aortic Dissections</b> . . . . .	261
Maximilian Kreibich and Friedhelm Beyersdorf	
<b>Valve Sparing Aortic Root Replacement for Aortic Valve Insufficiency in Type A Aortic Dissection</b> . . . . .	269
Eltayeb Mohamed Ahmed and Edward P. Chen	
<b>Basic Approaches for the Surgical Management of Acute Type A Aortic Dissection: Safe Management Strategies for the General Cardiac Surgeon</b> . . . . .	283
Tirone E. David	
<b>Valve Repair for Aortic Valve Insufficiency in the Setting of Acute Aortic Dissection</b> . . . . .	293
Talal Al-Atassi and Munir Boodhwani	
<b>Management of the Aortic Arch in Acute Aortic Dissection Type A</b> . . . . .	305
Takashi Kuniyama and Hans-Joachim Schäfers	
<b>Frozen Elephant Trunk for Aortic Dissection</b> . . . . .	323
Emidio Germano, Kyle Miletic, and Eric E. Roselli	

<b>One-Stage Repair of Extensive Chronic Thoracic Aortic Dissection . . . . .</b>	<b>333</b>
Alexander Kulik and Nicholas T. Kouchoukos	
<b>Management of Complicated Type A Aortic Dissection: The Cornell-New York Presbyterian Approach . . . . .</b>	<b>349</b>
Erin Iannacone, Christopher Lau, Mario Gaudino, and Leonard N. Girardi	
<b>Management of Complicated Acute Type A Aortic Dissection: The Stanford Approach . . . . .</b>	<b>365</b>
Albert J. Pedroza and Michael P. Fischbein	
<b>Management of Type B Aortic Dissection. . . . .</b>	<b>381</b>
Ali Khoynzhad, Tiffany Worthington, Raffat Jaber, Jeffrey Altshuler, and Rodney White	
<b>Subacute and Chronic Type A Aortic Dissection . . . . .</b>	<b>401</b>
Lars G. Svensson	
<b>Management of Chronic Descending Thoracic and Thoracoabdominal Dissection and Aneurysm - Stent Grafting, Debranching. . . . .</b>	<b>409</b>
Roland Assi and Wilson Y. Szeto	
<b>Management of Chronic Dissection of the Descending Thoracic and Thoracoabdominal Aorta: Open Approach . . . . .</b>	<b>423</b>
Cuneyt Köksoy, Alice Le Huu, and Joseph S. Coselli	
<b>Diagnosis and Management of Ruptured Thoracic Aortic Aneurysms . . .</b>	<b>447</b>
Christopher Lau, Mario Gaudino, Erin Iannacone, and Leonard N. Girardi	
<b>Monitoring and Medical Treatment of Chronic Thoracic, Abdominal, and Thoracoabdominal Aortic Aneurysms. . . . .</b>	<b>461</b>
Melinda S. Schaller, Winona W. Wu, and Marc L. Schermerhorn	
<b>External Aortic Support and Other Alternative Strategies in the Management of Aortic Pathology of Patients with Connective Tissue Disorders . . . . .</b>	<b>469</b>
John Pepper	
<b>Management of Operative Complications After Type A Aortic Dissection Repair . . . . .</b>	<b>483</b>
Michael P. Robich and Jennifer S. Lawton	
<b>Neuroprotection During Dissection Repair . . . . .</b>	<b>497</b>
