

PIANO *ALL THE WAY...*

Level One B

by

WILLIAM GILLOCK

FOREWORD

Level I - B of PIANO ALL THE WAY is designed to give first *note-to-keyboard reading experiences*.

In addition to note recognition, directional and intervalic reading experiences (previously introduced in Level I - A) are re-presented and reinforced in this book.

Therefore, Level I - B may be used as a first text book should the teacher desire to present note recognition earlier in the pupil's training.
