

Contents

Part I Background

- 1 Why Do Total Shoulder Replacements Fail? 3**
Jonathan Peter Evans and Gregory Bain
- 2 Why Reverse Shoulder Arthroplasties Fail 19**
Robert Z. Tashjian and Christopher D. Joyce
- 3 Shoulder Hemiarthroplasties: How Do They Fail 27**
Juan David Lacouture, Aníbal Debandi, and Pascal Boileau

Part II Planning and Operative Technique

- 4 Management of a Painful Shoulder Arthroplasty 43**
Sumit Raniga and Antonio Arenas-Miquelez
- 5 Preoperative Planning for Revision Arthroplasty:
Imaging, Instruments, and Implants. 59**
Giuseppe Porcellini, Matilde Delvecchio, Andrea Giorgini,
Gian Mario Micheloni, and Luigi Tarallo
- 6 PSI, Navigation, AR, and MR in Revision
Shoulder Arthroplasty 69**
Jessica L. Churchill, Conner Paez, Jason C. Ho,
Vahid Entezari, Joseph P. Iannotti, and Eric T. Ricchetti
- 7 Surgical Approach in Shoulder Arthroplasty Revision 83**
Arnaud Godenèche, Joris Tiercelin, Jérôme Garret,
and Thais Dutra Vieira
- 8 Custom Glenoid Implants for Revision
Shoulder Arthroplasty 89**
Jay D. Keener, Ben Zmistowski, and Anand Murthi

Part III Glenoid

- 9 Classifying Bone Loss in Revision Arthroplasty 107**
Khai Cheong Wong, Bryan H. G. Loh, and Denny T. T. Lie

- 10 The Convertible Glenoid in Revision Shoulder Arthroplasty . . . 121**
Riccardo Ranieri, Mario Borroni, Giacomo Delle Rose,
Marco Maria Minelli, and Alessandro Castagna
- 11 How to Remove a Well-Fixed Glenoid Component
in a Failed Anatomic Total Shoulder Arthroplasty 127**
Kristian Efremov and Andrew Jawa
- 12 Revising the Glenoid in Hemiarthroplasty 135**
Giuseppe Sircana, Giovanni Merolla, and Paolo Paladini
- 13 Revising the Failed Glenoid in TSA 145**
Gianluca Ciolli, Edoardo Giovannetti de Sanctis,
and Lionel Neyton
- 14 Revising a Failed Glenoid in Reverse
Total Shoulder Arthroplasty 157**
Akshay V. Daji and Howard Routman
- 15 Options for Glenoid Reconstruction:
Graft vs. Metal vs. Combined 169**
Marko Nabergoj, Patrick J. Denard, Philippe Collin,
Tiago Martinho, Arash Amiri, Jeanni Zbinden,
and Alexandre Lädermann
- 16 Single-stage vs. Two-stage Reconstruction of
Glenoid Defects in Revision Shoulder Arthroplasty 187**
Ashish Gupta, Kristine Italia, Roberto Pareyon,
Mohammad Jomaa, Marine Launay, Jashint Maharaj,
Luke Gilliland, James Nielsen, and Ludwig Seebauer
- 17 Surgical Management of Periprosthetic Scapular
Spine and Acromion Fractures 209**
Ludwig Seebauer, Kristine Italia, Roberto Pareyon,
Mohammad Jomaa, and Ashish Gupta
- Part IV Humerus**
- 18 Humeral Stress Shielding and Bony Adaptations
in Shoulder Arthroplasty 227**
E. Fumina Kobayashi and William R. Aibinder
- 19 Classifying Humeral Bone Loss in Revision
Shoulder Arthroplasty 239**
Chad W. Parkes and Peter N. Chalmers
- 20 Convertible Humeral Component in Revision Shoulder
Arthroplasty 245**
Su Cheol Kim and Jae Chul Yoo
- 21 How to Remove a Well Implanted Humeral
Component and Complications Associated 255**
Amir Abdelmalek, Robert Hurley, Andrew McBride,
Phillip Duke, and Mark Ross

- 22 Revision of a Failed Humeral Stem with Sufficient Bone Stock 263**
 Edoardo Giovannetti de Sanctis, Alessio Palumbo,
 Angelo Baldari, Gian Mauro De Angelis D'Ossat,
 Luca Saccone, Luca La Verde, and Francesco Franceschi
- 23 Revision of the Failed Stem Without Sufficient Bone Stock 269**
 Yousif Atwan, Joseph T. Labrum IV,
 and Joaquin Sanchez-Sotelo
- 24 Periprosthetic Humeral Fracture: Management and Outcomes 277**
 Fabrizio Mocini, Lorenzo Proietti, Dario Candura,
 Gianluca Ciolli, Katia Corona, and Simone Cerciello
- Part V Infection**
- 25 Diagnosing Shoulder Prosthetic Joint Infections 289**
 Corey J. Schiffman and Surena Namdari
- 26 Managing the Infected Arthroplasty: Antibiotic Suppression, Debridement, One- Versus Two-Stage Revision . . 295**
 Franziska Eckers, Bettina Hochreiter, Gregory A. Hoy,
 and Eugene T. Ek
- 27 Preventing Infection in Revision Shoulder Arthroplasty 307**
 Adam Z. Khan, Mohamad Y. Fares, and Joseph A. Abboud
- Part VI Instability and Soft Tissue Management**
- 28 Defining Risk Factors for TSA and RSA Instability 321**
 Emma Lewis, James Conville, Andrew McBride, Phil Duke,
 and Mark Ross
- 29 Management of Shoulder Arthroplasty Instability 329**
 Jimmy J. Chan, Niraj V. Lawande, and Gregory P. Nicholson
- 30 Pectoralis Transfer for Deltoid Deficiency After Reverse Shoulder Arthroplasty 337**
 Ryan Lohre, Abdulaziz F. Ahmed, Karan Dua,
 and Bassem Elhassan
- 31 Tendon Transfers in Shoulder Arthroplasty 349**
 Arno A. Macken, Eric R. Wagner, Wouter J. van der Poel,
 Geert Alexander Buijze, and Thibault Lafosse
- Part VII Others**
- 32 The Role of Arthroscopy After Shoulder Replacement 369**
 Javier Ardebol, Simon Hwang, Theresa Pak,
 Mariano E. Menendez, and Patrick J. Denard

33 The Role of Resection and Hemiarthroplasty After RSA 379
Michael Warnock and Ruth A. Delaney

34 The Role of Hemireverse in Revision Shoulder Arthroplasty . . . 385
Arnaud Walch and Gilles Walch

35 What Is the Value of Revision Shoulder Arthroplasty? 395
Evan K. Stieler, Evan A. O'Donnell, and Jon J. P. Warner

Revising the Glenoid in Hemiarthroplasty 405
Joseph T. Lippman IV and Joseph Sanchez-Soto
Giuseppe Sircana, Giovanni Merolla, and Alessandro Amendola

Revising the Failed Glenoid in TSA 415
ASA in Revision Total Shoulder Arthroplasty
Fabrizio Mosini, Lorenzo Frattini, Dario Candiani, and Lorenza Nevola

Revising a Failed Glenoid in Reverse Total Shoulder Arthroplasty 425
Akshay V. Daji and Howard Reisman

Options for Glenoid Reconstruction in Revision Total Shoulder Arthroplasty 435
Cory J. Schiffman and Shanna Nambiar
Metal vs. Metal

Managing the Failed Glenoid in Revision Total Shoulder Arthroplasty 445
Suppression, Debridement, Grafting, or Revision
Francis A. Eckert, Bettina Hochstetler, Gregory A. Hargrave, and Alexander T. Ek

Single-stage vs. Two-stage Reconstruction of the Glenoid in Revision Total Shoulder Arthroplasty 455
Preventing Infection in Revision Total Shoulder Arthroplasty
Adam S. Khan, Muhammad Y. Farhat, and Joseph A. Caputo

Part VI Instability and Glenoid Management 465

Defining Risk Factors for TSA and RSA Instability 475
Emma Lewis, James Cavillie, Andrew McBride, Phil Dale, and Mark Ross

Management of Shoulder Arthroplasty Instability 485
Jimmy A. Chan, Niang V. Lawande, and Gregory P. Muzikalski

Part VII Others 495

Pectoralis Transfer for Deltoid Deficiency After Reverse Shoulder Arthroplasty 505
Ryan L. John, Abdulaziz E. Aljoudi, Karen Dui, and Bassem Elhassan

Tendon Transfers in Shoulder Arthroplasty 515
Arno A. Macken, Eric R. Warner, Walter J. van der Pijl, and Chad W. Parkes

Convertible Humeral Component in Revision Shoulder Arthroplasty 525
Yoel Jishi and Ian Kim

The Role of Arthroscopy After Shoulder Replacement 535
Javier Arbol, Simon Hwang, Thomas P. Manno, E. Manno, and Patrick J. Denard

Philip Dake and Mark Ross
