

"Bruckner's music is in the Gewandhausorchester's DNA," says Andris Nelsons. Now their celebrated Bruckner symphony cycle in its unique combination with instrumental pieces from Wagner's operas is complete. The idea for this was obvious to Nelsons: "Bruckner loved Wagner's music: he saw its greatness, merits and achievements."

"Andris Nelsons and his Leipzig players provide a masterclass in the creation of a sound world that perfectly serves their larger purpose" (Gramophone).
