

Meyerbeer was a precocious composer and this album traces some of his very earliest works. *Der Fischer und das Milchmädchen* was his first stage work, a charming rural vignette that contains all the essential features of a *ballet-divertissement* couched in writing that enchantingly evokes the 18th century. Collaborating with his teacher, the Abbé Georg Vogler, Meyerbeer composed *Der Admiral* in 1811. The following year saw *Wirt und Gast* with the vivid Oriental exoticism of its Janissary music, while *Romilda e Constanza*, his first Italian opera, shows his complete assimilation of Rossinian models.

Giacomo
MEYERBEER
(1791–1864)

Overtures and Stage Music

- | | | |
|--------------|--|--------------|
| 1 | Giacomo Meyerbeer / Abbé Georg Joseph Vogler (1749–1814):
