The pieces listed above are just a selection of those on the syllabus that you can choose for your exam; the other options are listed on page 20.

Whether you are taking an ABRSM Practical or Performance Grade, pieces are at the heart of your exam; after all, playing an instrument is all about exploring, performing, and learning through repertoire.

While this book contains nine pieces in a range of styles, the full syllabus has a wealth of other exciting repertoire that we encourage you to explore – to find pieces that really inspire you, that you connect with musically and will enjoy learning, and that will allow you to perform to your very best. The full syllabus also includes duets, to give you another musical option and the opportunity to play with another musician. You can pick a mixture of pieces from this book and the wider lists if you like – you just need to have one piece from each list, A, B and C and no more than one duet.

If you are taking a **Performance Grade**, you also need to prepare a fourth piece which is entirely your own choice. Here you have even more freedom to choose music that really speaks to you, that you want to communicate to others, and that successfully completes your programme. It can be from the syllabus lists, or somewhere else entirely. Just be sure to check the 'Selecting Repertoire' section of the Performance Grades syllabus for important requirements and options for the own-choice piece (like standard and minimum length) and the programme of four pieces overall. Finally, you need to decide what order to play your pieces in and how you, the performer, will take your audience from the very first to the very last note, including moving from one piece to another, so that the performance forms a complete musical journey.

The separate syllabuses are available at www.abrsm.org. Whether taking a Practical or Performance Grade, enjoy exploring the possibilities on offer!
