

# Table of content

## Head

Overview .....	4
Skeleton and joints .....	9
Adipose tissue and scalp .....	47
Musculature .....	50
Topography .....	56
Neurovascular pathways .....	64
Nose .....	72
Mouth and oral cavity .....	86
Salivary glands .....	118

## Eye

Development .....	132
Skeleton .....	134
Eyelids .....	136
Lacrimal gland and lacrimal apparatus .....	146
Muscles of the eye .....	152
Topography .....	156
Eyeball .....	166
Visual pathway .....	173

## Ear

Overview .....	182
Outer ear .....	186
Middle ear .....	190
Auditory tube .....	202
Inner ear .....	206
Hearing and equilibrium .....	212

## Neck

Overview .....	222
Musculature .....	224
Pharynx .....	234
Larynx .....	244
Thyroid gland .....	258
Topography .....	264

## Brain and spinal cord

Development .....	284
General principles .....	294
Brain .....	298
Meninges and blood supply .....	308
Cerebral areas .....	345
Cranial nerves .....	373
Spinal cord .....	424
Sections .....	459
