## Season 0

### The Pilot

1

0.1 What's the Story?

1

0.2 The Smell of Cinema

3

0.3 Factually Neglected

6

0.4 Examining the Theories

8

0.5 Building on Previous Work

10

0.6 Other Onscreen Chemistry

14

Abbreviations

17

Glossary of Lab Terms

17

References

19

## Season 1

### First Principles

23

1.1 The Chemist's Photo Lab

23

1.2 Lights, Camera, Chemistry

26

1.3 The Birth of Celluloid

30

1.4 The Celluloid Problem

33

1.5 Science on Screen

36

1.6 Real Science

40

1.7 Silent Sci-fi

Onscreen Chemistry: The Portrayal of Chemical Science in Film and TV

By John O'Donoghue

© John O'Donoghue 2025

Published by the Royal Society of Chemistry, [www.rsc.org](http://www.rsc.org)

<b>Season 2</b>	
<b>Silver Screen</b>	<b>46</b>
2.1 A New Art Form	46
2.2 The Sound of Good and Evil	47
2.3 The Dangers of Science	51
2.4 Time for a Change	56
2.5 Comedy Chemistry	58
2.6 Early Animations	60
2.7 Chemistry Biographies	62
References	65

<b>Season 3</b>	
<b>Transition Chemistry</b>	<b>67</b>
3.1 Strange New Worlds	67
3.2 Transition Chemistry	69
3.3 Magic Chemistry	70
3.4 The Chemistry of Toothaches	73
3.5 Fictional Science vs. Medicine	76
3.6 Madame Curie	82
References	87

<b>Season 4</b>	
<b>War and Peace</b>	<b>88</b>
4.1 Lights, Camera, Actinides	88
4.2 Chemistry Crimes	92
4.3 Ethics and Chemistry	95
4.4 Chemistry Inventions	99
References	105

<b>Season 5</b>	
<b>The Golden Era</b>	<b>107</b>
5.1 All the Best Jokes Argon	107
5.2 Teaching Chemistry	109
5.3 The Universal Language	112
5.4 Chemistry in Sci-fi	114
5.5 Mutations	120
5.6 Monster Chemistry	123

## Season 6

### Colourful Chemistry

6.1	Lift-off for Science Fiction	127
6.2	Space Monsters	128
6.3	More Chemistry Inventions	130
6.4	Self-experimentation	135
6.5	Bond, Chemical Bond	139
6.6	Recreational Drugs	143
6.7	Salt Jokes are Sodium Funny	145
	Reference	147

## Season 7

### Public Enemy

7.1	The War on Drugs	148
7.2	Police Chemistry	149
7.3	Dystopian Accidents	155
7.4	The Creative Lab	158
7.5	Monsters and Aliens	161
7.6	Back Bonding	164
7.7	Young Chemistry	167
	References	168

## Season 8

### Accident Prone

8.1	Accidental Chemistry	170
8.2	Chemistry Education	173
8.3	Space Chemistry	176
8.4	Robotic Chemistry	178
8.5	Fictional Materials	180
8.6	Supernatural Chemistry	182
8.7	Killer Chemistry	187
8.8	The Last Laugh	189
	References	190

## Season 9

### Conspiracy Chemistry

9.1	Conspiracy Chemistry	191
-----	----------------------	-----

9.2	Cold Chemistry	193
9.3	Dangerous Chemistry	195
9.4	Energy	198
9.5	Quadruple Bonds	203
9.6	Sci-fi and Supernatural	206
9.7	Corporate Chemistry	209
	References	212
Season 10		
	<b>Plot Devices</b>	<b>214</b>
10.1	Dangerous Chemicals	214
10.2	Cartoon Environments	215
10.3	Cartoon Chemical Plot Devices	219
10.4	Mad Scientists	222
10.5	Supernatural Science	224
10.6	Fictional Materials	227
10.7	Superhero Chemistry	232
	References	235
Season 11		
	<b>Chemistry in Education</b>	<b>236</b>
11.1	College Chemistry	236
11.2	Back to School	241
11.3	Making and Testing Drugs	245
11.4	True Stories	248
11.5	Young Chemists	253
	References	257
Season 12		
	<b>Problem Solving</b>	<b>258</b>
12.1	Chemistry Has All the Solutions	258
12.2	Forensics and Analysis	260
12.3	Chemistry in Sci-fi	267
12.4	Exposing the Truth	269
12.5	Breaking Bonds	274
12.6	Drama and Romance	276
	References	279

## 280

13.1	The Two Faces of Chemistry	280
13.2	Rise, Fall and Rise Again	285
13.3	Not Just Chemistry	287
13.4	Evolution	289
13.5	Representation	293
13.6	Conclusions	299
	References	301

Subject Index 302
