Introduction.....	5
1 Theoretical Definition of Special Education of Individuals with Psychosocial Risk and Disorder and the Basic Terminology	7
1.1 Definition of Special Education of Individuals with Psychosocial Risk and Disorder.....	7
1.2 Development of the Domain Profile	8
1.3 Narrow and Broader Context of Special Education of Individuals with Psychosocial Risk and Disorder.....	13
1.4 Basic Terminology	14
1.5 Target Groups	16
1.5.1 Terminology of School Legislation in the Czech Republic	17
1.5.2 Target Groups' Position in Special Education of Individuals with Psychosocial Risk and Disorder and in Special Education.....	19
1.6 Interdisciplinarity	20
1.7 Trends in the Domain Development	21
2 Behavioral Problems and Disorders and ADHD.....	29
2.1 Behavioral Problems and Discipline.....	29
2.1.1 Class Discipline and Climate	30
2.1.2 Teacher's Authority	30
2.1.3 Class Pack Development.....	31
2.1.4 Children's Position in the Class.....	32
2.1.5 Disciplinary Measures.....	33
2.2 Behavioural Disorders.....	36
2.2.1 Terminological Definition of Behavioural Disorders	36
2.2.2 Critical Opinion on the Term "Behavioural Disorder"	38
2.2.3 Causes of the Emergence of Behavioural Disorder	38
2.2.4 Definition and Diagnosis of Behavioural Disorders according to International Classification Systems	39
2.2.5 Division of Behavioural Disorder according to the Terminology used by the School Legislation in the Czech Republic	42
2.2.6 Possibilities of Intervention in a Child with Behavioural Disorders.....	44
2.3 Attention Deficit Hyperactivity Disorder (ADHD)	44
2.3.1 Causes of the Development.....	45
2.3.2 Definition and Diagnostic Criteria of Hyperkinetic Disorder and ADHD according to International Classification Systems.....	46
2.3.3 Possibilities of Intervention	48
3 Types of Risky and Problematic Behaviour	53
3.1 Terminological Definition of Problematic and Risky Behaviour ..	53
3.2 System of School Prevention in the Czech Republic	54
3.3 Specific Types of Problematic and Risky Behaviour.....	55
3.3.1 Manifestations of Risky Behaviour.....	55
3.3.2 Problematic Behaviour Issues.....	62
4 Manifestations of Children's and Adolescents' Problematic Behaviour	69

4.1	A school-age Child with ADHD	69
4.1.1	Hyperactivity and Hypoactivity	70
4.1.2	Impulsiveness	72
4.1.3	Attention.....	73
4.1.4	Perception and Motor Activity.....	74
4.1.5	Thinking, Speech and Memory	75
4.1.6	Emotions	76
4.1.7	Motivation and Attitudes.....	77
4.1.8	Socialization and Social Relationships	78
4.2	Adolescence	79
4.3	Manifestations of ADHD in Early Adulthood	80
5	Possibilities of Intervention and Intervention Programmes for Children with Behavioural Problems, ADHD and Behavioural Disorder.....	85
5.1	Intervention in Children with Behavioural Disorder and ADHD.....	85
5.1.1	What Does a Problem Mean?.....	86
5.2	Therapeutic Intervention	86
5.2.1	Psychotherapy	86
5.2.2	Socio-therapy	88
5.2.3	Expressive (creative, artistic) Therapies	88
5.3	Education Intervention	89
5.3.1	Intervention Programme of Instrumental Enrichment by Reuven Feuerstein.....	90
5.3.2	Analysis of Inappropriate Learning Strategies and Styles in Children according to Denis Herbert Stott ..	95
5.3.3	Conceptual Teaching Model by Magne Nyborg	96
	Conclusion.....	99
	Literature cited and recommended.....	101
	Profile Author of the Study Support.....	105
