Introduction .....	5
1 Special needs education – definition and terminology .....	7
1.1 Special needs education .....	7
1.2 Basic terms used in special needs education .....	10
1.2.1 Impairment, disability, handicap .....	10
1.2.2 Re-education, compensation, rehabilitation .....	11
1.2.3 Socialization, integration, inclusion .....	13
1.2.4 Denomination of persons with disability or handicap .....	14
2 Overview of care for persons with a disability or handicap, focused on school system .....	17
2.1 Ministry of Health of the Czech Republic .....	18
2.2 Ministry of Labour and Social Affairs of the Czech Republic .....	18
2.2.1 Allowances and benefits .....	18
2.2.2 Employment of persons with a health disability .....	19
2.2.3 Social services .....	20
2.3 Ministry of Education, Youth and Sports of the Czech Republic .....	21
2.3.1 Legislative anchoring of upbringing and education .....	22
3 Counselling in special needs education .....	27
3.1 Counselling within social services .....	28
3.2 Counselling in school system .....	28
3.2.1 Pedagogical-psychological counselling centre (PPCC) .....	29
3.2.2 Special educational centres (SEC) .....	30
3.2.3 Educational care centre (ECC) .....	31
3.2.4 Counselling provided at schools .....	31
4 Diagnostics in special needs education .....	35
4.1 Definition of diagnostics .....	35
4.2 Division of special-educational diagnostics, diagnostic principles .....	36
4.3 Diagnostic methods .....	37
4.4 Diagnostic areas .....	38
5 Family with a disabled member .....	43
5.1 Parents' reaction to their child's disability .....	44
5.1.1 Shock and denial .....	44
5.1.2 Gradual acceptance of reality, coping with the problem .....	44
5.1.3 Bargaining .....	46
5.1.4 Realistic approach towards the situation .....	46
5.2 Factors influencing the family's experiencing .....	46
5.3 Congenital disability x acquired disability .....	47
5.4 Parents with a disability .....	47
6 Special needs education for individuals with intellectual disability or mental retardation – psychopedy .....	51
6.1 Psychopedy and basic terms .....	51
6.2 Characterization of persons with a mental retardation .....	54
6.3 Upbringing and education of pupils with mental retardation .....	55
7 Special needs education for individuals with visual impairments – tyflopedy .....	59

7.1	Tyflopedy and basic terms .....	59
7.2	Classification of visual impairment .....	60
7.3	Characterization of particular groups of persons with visual impairment .....	61
7.3.1	Blind persons.....	61
7.3.2	Low vision persons .....	62
7.3.3	Persons with residual vision.....	63
7.3.4	Persons with impaired binocular vision .....	64
7.4	Upbringing and education of pupils with visual impairment.....	64
8	Special needs education for individuals with hearing impairments – surdopedy .....	67
8.1	Surdopedy and the basic terms.....	67
8.2	Classification of hearing impairments and deficiencies.....	69
8.3	Communication of persons with hearing impairment.....	70
8.3.1	Audio-oral communication systems.....	71
8.3.2	Visually-motoric communication systems .....	72
8.4	Upbringing and education of children, pupils and students with hearing disability .....	72
9	Special needs education for individuals with speech and language impairments (communication disorders) – logopedy.....	75
9.1	Logopedy and the basic terms .....	75
9.2	Ten areas of impaired communication skills .....	77
9.3	Departments providing speech and language therapy.....	79
10	Special needs education for individuals with partial deficiencies (learning disabilities).....	83
10.1	Specific developmental learning disorders .....	83
10.2	Classification of SDLD .....	84
10.3	Defining the particular types of SDLD .....	85
10.4	Specific and non-specific symptoms of SDLD .....	88
10.5	Upbringing and education of persons with specific developmental learning difficulties .....	88
11	Special needs education for individuals with emotional or behavioural disorders – ethopedy.....	91
11.1	Ethopedy .....	91
11.2	Ethopedy in the narrower context .....	92
11.2.1	Classification of behavioural disorders .....	93
11.2.2	School institutions for children and youth with behavioural disorders.....	95
12	Special needs education for individuals with physical disabilities, health disabilities, and related low-incidence disabilities – somatopedy .....	99
12.1	Somatopedy and basic terms .....	99
12.2	Classification of reduced mobility .....	100
12.2.1	An individual with physical disability .....	100
12.2.2	An individual with a disease .....	101
12.2.3	An individual with a health impairment.....	101
12.3	Complex rehabilitation.....	102
	Conclusion.....	107
	Literature cited and recommended.....	109
	Profile of the study support author .....	115
