

"Singing at the Met is always a thrill and honor – and having an album of performances from the Met is like receiving an Olympic medal. Following in the footsteps of so many great singers, it is a privilege to share not just arias from each of my past Met productions, but a collection of my personal favorite scenes, duets, ensembles, and special moments with wonderful colleagues from a decade of treasured Met memories." –*Anna Netrebko*

1	BELLINI <i>I Puritani</i> Qui la voce sua soave	3:59
